

URGE PEACE TIME ARMY TO PROTECT U. S.

Echoes of Grass Root Convention Heard at Arlington Heights

Echoes of the recent Grass Root convention were heard Wednesday evening by a large crowd of men and women who had gathered at the Arlington Heights high school auditorium to hear Jacob D. Allen, prominent Republican, tell the occasion and outcome of that conference.

Mr. Allen's ability as a speaker attracted many in that audience to travel long distances. The speaker did not attempt any fireworks utterances, but brought to his hearers the gist of "why" the conventions and its result.

"A group of fifty citizens from the ten participating states, properly selected through official Republican Party authority, are now organizing a program to enlist, prepare and direct a veritable peace-time army in civil government," stated Mr. Allen, "to resist the attempts of Roosevelt and his followers in their all too apparent effort to overthrow our form of government."

"Each of you will be invited to become prepared, vigilant, aggressive defenders of our liberties as soon as our F. D. R. When the call reaches you, I know it will find you ready to answer to the roll call for America."

Opening his talk Mr. Allen said: "The gathering of American citizens of the ten prairie states, was born as much in the hearts as in the minds of the men, who nearly a year ago began quietly to discuss the matter with their friends and neighbors."

"As it grew it seemed a strange thing to many, familiar with the forces of high pressure political programs so current in this age, that so great a mass movement of people could have developed without ulterior motive or anticipatory design."

"It seemed strange to a generation accustomed to propaganda mills and efficiency planning in every department of life that men could so freely dream of a citizenry, a party caucus or discussion of public affairs build after the fashion of the old New England town meeting."

"Yet, wonder of wonders, it did occur, and more than eight thousand and of your middle western countrymen and women were a part of it."

"More delegates met at Springfield, representing more people and wider-flung commercial, social and territorial horizons, than met in the Continental Congress at Philadelphia when America was born of 13 colonies of the crown of England."

"These delegates represented almost seven hundred thousand square miles of our mid-continent America and thirty millions of our people."

"But, of most concern is—what were their conclusions?"

"The first section of the resolutions, as adopted in final form, make an examination of the record of the Roosevelt administration and set forth a declaration of grievances of the common man as felt by the 8,000 participating middle westerners."

"The language of this charge and its content awakens echoes of the rumblings that shook this continent into the Revolutionary War that, in the founding of the Republic, gave first to America 'a new birth of freedom.'"

"Following this, the most drastic declaration of grievances, by any responsible congress of citizens, against any sovereign or head of government of a civilized state since the comparable denunciation of King George by his American colonies in Congress assembled in 1776, the Midwest Conference proposed to responsible leaders of the party in opposition to Roosevelt 'New Dealism,' the American citizenship and Republican Party creed."

Mr. Allen gave the full text of the creed, adopted at the convention, parts of which are as follows:

"We believe in the constitution of the United States."

"We believe that the constitutional separation of the powers of government into legislative, executive and judicial should be maintained."

"We believe that the maintenance of the independent sovereignty of the federal government and the several states..."

"We believe in the maintenance of our American political and economic system..."

"We believe that they are sufficiently flexible to meet all of the needs of a complex civilization..."

"We believe that our present troubles are not due to any inherent defects in our American system..."

"We believe that a free press, open discussion and honest criticism are essential to the preservation of free institutions."

"We believe in individualism and in individual enterprise, as opposed to communism, socialism, fascism, or any other form of collectivism."

"We believe in our American system of free enterprise..."

"We believe that the successful

All Nations Clowns Play Here Sunday

The Red Wing management was very fortunate to book the All Nations Clowns, a team composed of players from all nations. This ball club is very popular and has scheduled only 3 games in Chicago, before traveling through the west. The Clowns will put on several acts of comedy, dressed in clown suits before game is called and then they will take off the clown suits which they wear over their baseball uniforms.

Our Red Wing club is at all times trying to get only the best of competition out for our fans. We have the following teams scheduled:

June 30, All Nations Clowns.
July 4, Elgin Trade Council (at Elgin).
July 14, Peter's Union Giants.
July 21, Guy Bush Gassers.

There will be only 2 games played away from our home field this season. Last Sunday the Red Wing defeated the Hale Travelers.

OUR POLICE DEPARTMENT

The policeman's job in any municipality should be something aside from wearing a uniform, and acting as a collector of delinquent licenses. He is given his authority by law for the purpose of "policing" the village, preventing the commission of crime and enforcing existing laws.

An officer may be a good fellow, but the general public will have far more respect for him if he makes an honest effort to enforce existing laws.

The accident at Stonegate took place last Friday. Probably one and perhaps both drivers are to blame. No attempt has been made in Arlington Heights for many months to curb speeding. Autoists who regularly make a speedway of the Northwest highway thru Arlington Heights and make a joke out of our traffic lights are endangering their own lives and those of our citizens.

Arlington Heights does not want to operate a speed trap but this paper believes that the local department is leaning over backwards when it continues to disregard speeding.

The people of Arlington Heights are not accident-prevention conscience. If the death of two people last Saturday is not enough to make them drive more carefully, the police department should slam down the weighty hand of the law.

In these modern times, parents may have forgotten how to effectively use the hair brush upon their children, but that is all the more reason why the police should use corrective measures invested in them by law to make both parents and children obey safety rules.

The Herald understands that Alderman Seiberger has invited the Chicago Motor Club to send a safety man to Arlington Heights to make recommendations relative to a fair policing of the Northwest highway.

That is the first step in the right direction.

The Herald believes that Arlington Heights police department should at once institute an intensive and effective drive against speeders. The erection of a white cross at Stonegate, bearing the inscription "Two killed here June 21" would be an indisputable answer to any autoist who might object to the activity of the police.

The Herald knows nothing about the technical operation of a police department, but what is the use of having one unless it is used for police purposes? If our present police department has become merely menial boys, why not give them a western union bike to ride and put the new motorcycle and auto in storage?

Trained Workers to Have Charge of Activities; Make Plans Tonight

Summer time recreation in Arlington Heights for the young people and their older brothers and sisters becomes a reality Monday. Two trained workers in physical education and recreation have been selected from among a number of applicants. Both are local people.

Ed. C. Wahl, who will direct the activities of the boys is a graduate of Illinois university. He has had special training in that line of work and is one who naturally is a friend of boys and young people.

Miss Bernice Diederich, the woman director, graduated from the College of Physical Education in Chicago and has had special training in playground work, physical culture and handwork. She also is an experienced instructor in tap and rhythm dancing.

The activities will be held at the north side school ground and at one of the parks adjoining the south-side school property. A meeting of the Arlington Heights Recreation association will be held tonight to give final approval to the tentative plans that have been made by the various sub-committees.

It is impossible to make any definite announcements in this week's Herald, but all children who are interested are urged to be at the school grounds next Monday morning at nine o'clock.

The idea of summertime recreation in Arlington Heights, when proposed a short month ago, met with instant favor. In order to start the work in July, it was necessary to hasten the plans and complete some of them before a permanent organization could be perfected.

Camp Fire Groups To Be Organized In Arlington Hts.

Arlington Heights girls who like to do things together, who like to go on hikes, have bonfire parties give "shows", make things and go to camp will have a chance to do all these things now. For the Camp Fire Girls are to be organized again in Arlington Heights under the auspices of the Parent Teacher association.

Any grade school girl ten years old or over may become a member. The fees are small and no one need worry about the expenses for the groups will join together to earn money for them. All that is necessary for any girl who is interested is just to hand her name to some member of the board.

She will be notified of the time and place of the first meeting. Several very capable and charming young women are preparing themselves to act as guardians so that the girls will have the best of help in carrying out their plans.

The board members who will accept applications for membership are as follows: Mrs. A. H. Fessler, Miss Martha Jackson, Mrs. James W. Coughlin, Mrs. Raymond Atkinson, Miss Delilah Kost, Mrs. Guy R. Baxter, Miss Dorothy Helm, Miss Lois Bolte, Miss Rose Laufer, Mrs. B. H. Jarvis.

Applications should be in by Monday, July second, as meetings will begin at once.

John Rodewald, Rural Carrier, is on Vacation

John Rodewald, rural mail carrier at Arlington Heights, returned Sunday from a short vacation spent at Big Rapids, Michigan, which is "way up north." He enjoyed some fishing, but was glad to get back home. He returns to his carrier duties July 1, his place being taken during his absence by Mr. Hall.

functioning of the American system demands that the competitive system be maintained and fostered and that individual initiative be encouraged.

"We believe that, once economic freedom is destroyed, political liberty must suffer the same fate and that, aside from its contribution to material progress, there is a moral value to liberty which justifies any sacrifice to preserve it."

"We recognize and approve the principle of collective bargaining, the representatives of labor to be of labor's own choice."

"We recognize that the security of our citizens demands government aid in the establishment of old age and unemployment reserves."

"We are grateful for valiant and sacrificing service of our men of all wars and pledge ourselves to see that justice is accorded them."

"We believe that the resources of our country and the enterprise and industry of our citizens are such that the existence of an immense and permanent class of dependents is as unnecessary in the future as in the past..."

"We believe it to be our duty to accept the challenge of the defeatism, who would repudiate our country's past, and betray its future, and to appeal to our countrymen to rally to the defense of American institutions."

SUMMER TIME RECREATION STARTS SOON

Business Men Can Ride Donkeys But Lose to Regulars

In a thrilling five inning battle of Donkey baseball, the first of this latest sensation of baseball seen in Arlington Heights, the Red Wings nosed out the business men of Arlington Heights by the close score of 2 to 0. Before a field packed with fans, the business men put on an exhibition of mule riding that is not excelled by the cow boys out on the plains.

Being old hands at the game the business men easily ran off with the trick riding prizes for with riders like Al Carlson, Art Lauterburg, John Ladas, Bill Neumann, Otto Bolte and last, but not least, Mayor Flentie, the Red Wings had little chance to get away with the riding honors. Art Lauterburg and Bill Neumann tied for honors in the tailspin contest, but refused to do any more bareback riding unless furnished with saddles and riding togs.

With too many mule heels flying his way Ladas was knocked out of the box and Al Carlson thinking he was shooting for the ten pin finished the game.

Bolte and Meyer of the Red Wings stealing home scored the only two runs of the game with the business men protesting on the grounds that both players knew the rules.

Following is the lineup of the business men: John Ladas, P. Al Carlson, P. Otto Bolte C. Griffin C. Sadecky 1B, Peters 1B, Sachs 2B, Hasting 2B, Baldwin 3B, Rodewald 3B, Benson LF, Hatske LF, Art Lauterburg CF, Hartman CF Eiver RF, Duenn RF.

American Legion Summer Festival Starts Tuesday

Merle Guild Post is again sponsoring a mid-summer Festival, however, this year instead of running it in our usual place, it will be run on the North Side of town, on Miner street, between State road and Dunton avenue.

The dates are July 2 to 6, inclusive.

There are four rides this year—rides to entertain children of all ages and grown ups will enjoy them too. And then don't forget our booths, skill and corn games. The banner prize at the corn game is a bridge table set, consisting of a steel table which has a fire and alcohol proof top, built and reinforced underneath to hold a weight of 750 lbs., four all-metal chairs with padded seats—now isn't that a prize worth winning. Legionnaires think it is and know that when you see these sets you will think so, too. All of the other prizes are of merchandise consisting of practical articles used daily in homes, of good quality and guaranteed to give service. Yes, at the skill games they will have the novelty prizes and this year you can win your smokes and candy there, too.

There will be a lot of prize drawings each night—these prizes will be given away free and are the compliments of the business men of Arlington Heights. Merle Guild Post wishes to take this opportunity to publicly thank them.

The Grand Prize will be a 1935 Chevrolet Coach. This prize will be drawn on Saturday night, July 6. Some one will be the lucky person and say won't it be a swell feeling to roll home that night in a brand new Chevrolet Coach. Someone will be the lucky one—why not you?

Don't forget the dates—July 2 to 6 inclusive. Legionnaires are planning on seeing you at their Festival, don't disappoint them.

ARLINGTON PK. IS READY FOR NEXT MONDAY

Nature Has Had Big Part In Preparation of the Lawns and Gardens

Arlington Park is ready for its opening next Monday. Mother Nature has wielded the brush that has given to the lawns and gardens a beauty not equalled in years when man had to resort to the sprinkling hose.

The racing plant itself is so complete that there is little need for the artisan this year. A large gang of men have been busy these cleaning the grandstand, the enclosure and the Post and Paddock club.

The only real change in these is the installation of new bars by the Turf Catering Co., which this year has leased all of the concessions at the park. This firm operates nothing except turf concessions and are installing within the enclosure, what they claim is the most elaborate bar at any race track within the U. S. The bar which they installed at Washington Park drew considerable comment in the Chicago press. "This bar is better than any we have heretofore attempted," says Mr. Wm. Wolken, who represents the catering firm.

Mr. Carruthers who has managed Arlington Park several seasons, has already moved to Arlington Heights, but as general manager at Washington Park is rather a busy man. He visits Arlington Park every evening after his return to Arlington Heights inspecting work done that day and giving orders for the next 24 hours.

The installation of over a mile of tile to connect the grandstand with the Arlington Heights sewage system is a big undertaking and represents the outlay of a lot of money. However, it is nearing completion and will be completed by Saturday.

The totalizers used in recording wagers at Arlington Park, are now in use at Washington Park. They will be installed at their regular positions Sunday.

Two eastern racing stables arrived in Arlington this week, but the big influx of stables and horses will be Saturday and Sunday.

Local business men report that "race trackers" are a little slow to arrive this year. Many of these people come here each year and have personal contacts with Arlington Heights business men and citizens and by Saturday, Arlington Heights will be the busiest city of its size in the state.

33 Year Old Moron Meets Swift Justice At Arlington Heights

Joe Schrober, 33, of McHenry learned Sunday that he could not insult Arlington Heights girls without swift punishment. His arrest, prosecution and sentence is due to the bravery of an Arlington Heights young lady, whom he accosted in the waiting room of the railroad station at 9:15 Sunday morning. The girl immediately notified Chief Skoog who caught the man at Euclid and State road. She unhesitatingly testified at trial before Judge Kopplin the next morning. The latter gave Schrober a verbal tanning, inflicted a \$100 fine, the limit allowed by village ordinance and sent him to the county jail, where he will spend the next 200 days. A local physician who examined the prisoner declared that in his belief he was a sex moron.

Arlington State Bank Dividend Next Saturday

Depositors of the Arlington Heights State Bank will receive dividend checks Saturday as basis of five per cent of their claims. This is the second dividend to be paid to the creditors of this bank. The funds were secured in the natural process of litigation.

Carl Behrens Prefers Real Estate to Autos

There are two Carl Behrens in Arlington Heights—a son and a dad. Since the publication of an item in this paper that "Carl Behrens is employed by Purnell & Wilson," Carl, Senior has had the opportunity to sell more autos than he has lots in his subdivision. Still dad prefers real estate to becoming an auto mechanic.

CHICAGO'S LID REPLACED

These officials flop around with the greatest of ease, just like the guy on the flying trapeze.

Chicago's "bookie" lid which was lifted a couple of weeks ago when the "word" went out from some authoritative source that "everything was all right, open up" was suddenly clamped on again last Saturday noon when over the same grapevine came the word "Close up." Oh what a gay life those bookies have. With it being Saturday and pay day and with the American derby to be run at Washington Park and other fine feature races at every track in the country the boys were looking forward to a fine afternoon's business. At twelve o'clock noon, doors were wide open, "lookouts" were wearing their most charming smile of greeting and all that was lacking was a "welcome" sign on the door mats.

Then bingo, at twelve-thirty the doors were locked, lookouts and other employees were standing around with faces a mile long, as if they had lost their last friend.

When an inquiring reporter asked why all the sadness, the answer was "the word" just came to close up tight, the squads will be out this afternoon. To those who didn't close, came the raiding squads—axes and all. Oh it's a gay life—the bookies.

After one week of uninterrupted business with nary a cop in sight, bang out comes "the word" and the lid goes on again.

The reason? It seems somehow or other some officials found out that the lid was off. Police Commissioner Allman called the captains to a meeting and told them the lid was still on or should be; then the captains must have hustled right out and put it on before the commissioner had a chance to get mad, because it was off and had been for a week.

The next day the self-styled World's Greatest Newspaper came out with stories of raids and a heading "City wide Opening Stopped at Start."

Only maybe the WGN didn't know that the "City wide opening" was a week old and nothing had been said about it for a whole week. The boys of WGN and the other big city dailies must have been just as sound asleep as the cops for that whole week or else maybe they knew the same as the cops did that the word had been sent out to open up and like the cops supposed everything was all right until somehow or other, somebody found out it was all wrong. And just to make it unanimous, Sheriff John Toman sent out word to the county highway police from his hospital bed that the lid was still on in the county or should be, and the highway police rushed out to make sure that it was on and found to their amazement that it wasn't and it hadn't been for a week.

So that's that and an inquisitive citizen still might wonder what the funny business is all about and who gets what and who upset the apple cart.

But anyhow the licensing bill sponsored by Mayor Kelly has passed both houses and becomes a law July 1, if the bill isn't vetoed by the Governor and everyone is wondering what the Governor is going to do about it—sign it, veto it or let it become a law without his signature. What the Governor is going to do he sayeth not.

Our guess is, "nothing."

John Rodewald, Rural Carrier, is on Vacation

Best Books For Vacation Reading

At the suggestion of the P. T. A., Mary Baxter, librarian of the Arlington Heights library has prepared a list of the best books for vacation reading. The list has been classified as to the grades attended by the children. In the interest of good literature and "safe" reading for the young people, the Herald is publishing the lists below.

"These lists will enable interested parents to check the class of books that their children are reading. It is suggested that parents advise their children so that they may get a variety of reading."

1st, 2nd, 3rd Grades
Golden Goose Book—Brook, L. L.
Story of Live Dolls—Gates, J. S.
Charley and His Puppy Bingo—Helen.
Penguin—Horne, R. H.
Folk and Wild Folk—Deming, E. W.
Painted Pig—Morrow, E.
Farmer in the Dell—Hader, Berta & E.
Iron Horse—Nathan, A. G.
Hey Diddle Diddle Picture Book—Cladeco.
Ping—Flack and Wiese.
Polly Patch Work—Field, Rachel.
Rumpty Dudgets Tower—Hawthorne, Julian.
Holiday Meadow—Patch, Edith M.
Windmills and Wooden Shoes—Grant, Maud, M.
Bad Little Rabbit—Bingham, Madget.
Six Little Ducklings—Pyle, Katherine.

4th, 5th, 6th Grades
No School Tomorrow—Ashmin, M. E.
Lupé Goes to School—Brame, Esther.
Sugar and Spice and All That's Nice—Tilston.
Lance of Kanana—French, H. W.
Hitty—Field, Rachel.
Magis Forest—White, S. E.
Two Little Confederates—Page, Thomas N.
Downright Dancy—Snedeker, C. D.
Wondersmith and His Sons—Young, Ella.
With Tara and Hana in Japan—Sugimoto, Austin.
Abdul—Palmer, Ethel C.
Michael of Ireland—Cassery, Anne.
Tales of a Basque Grandmother—Carpenter.
In the Day of Giants—Brown, Abbie F.
Little Tonino—Hill & Maxwell.
Knee-High to a Grasshopper—Parrish, A.
Hound of Culain—Page, Eileen.
Susie Sugarbeet—Ashmun, Margaret.
Little Friend Lydia—Phillips, E. C.
Lisbeth Longfrock—Poulsen.
Tony—White, Eliza O.
Joan of Arc—Holmes, Mabel D.
Old Indian Legends—Zitkala.
Firelight Fairy Book—Beston, Henry.

7th, 8th, 9th Grades
Thomas Jefferson, Lisitzky, G.
Marbacka—Lagerlof, S.
Apprentice of Florence—Kyle, A. D.
Lion—Johnson, M.
American by Adoption—Husband, J.
More Than Conquers—Gilbert, A. B.

PONTIAC CARS STAND FOR ACCURACY

"Accuracy, precision. These are by-words of the automobile engineer," says B. H. Anibal, vice president in charge of engineering of the Pontiac Motor Co.

"If it were not for such a high degree of accuracy, motor cars would not stand up or continue to give the service they do at high rates of speed over thousands and thousands of miles."

"As an example, there are many parts of a Pontiac car that are manufactured to limits that hold within one thousandth of an inch. In the case of wrist pins which fasten the connecting rods to the pistons, there is more pounding than in almost any other part of an engine. Here Pontiac insists on accuracy not to exceed one ten-thousandths of an inch."

"Gauges and inspection instruments in the wrist pin department that measure every one of the 6,000 to 6,300 pins that are built daily, are calibrated to a twenty-millionth of an inch of accuracy. These gauges and inspection instruments are set from master wrist pins that are checked and re-checked in Pontiac's tool and inspection department by a special instrument known as a Zeiss optometer. The Zeiss optometer records measurements accurately to a twenty-millionth of an inch, that is, it will divide an inch into 50 thousand parts. "The most highly specialized machinery is required to make an article even so small as a wrist pin so that there is no variance of more than a ten-thousandths of an inch. These manufacturing operations are performed on rotary grinding and lapping machines which incorporate a series of rotating rollers of abrasive material

FLYNN AND GABLE - Florists -

Distinctive Flower Service for WEDDING DECORATIONS. PARTY DECORATIONS. CORSAGES. FLORAL DESIGNS. PLANTS. 611 E. Euclid St. Phone 34 Arlington Heights, Ill.

that vary in fineness according to the operation.

"The finish lapping rollers, which consist of a series of wheels held closely together, are the finest of all. In the final lapping operation only one-half of one ten-thousandth of an inch is removed from the pins as they pass along between the revolving rollers. That amount is equal to one tenth of the thickness of a human hair.

"Ten-thousandths and twenty-millionths of an inch are almost infinitesimal figures, but a high degree of accuracy such as that makes certain the satisfactory performance of the finishing Pontiac engine."

ANOTHER HONOR STUDENT

Mr. and Mrs. William Mueller's son, Robert, has completed another year's work at Kenyon college, Ohio.

Through his scholarships and outside activities, Robert has been able to carry on his college course. He has been an honor student for three years, and recently was elected junior member of the senior honorary society. He has been appointed editor of the college newspaper and as president of his fraternity, will represent his group at the Beta Theta Pi convention at Quebec in August.

and light your basement WATER HEATER

Simple, convenient control permits either manual or automatic operation.

● An Electro-Gas Control, connected to your present water heater, can be installed in kitchen, bath, or both. It enables you to light your water heater quickly and conveniently, by merely snapping a switch. It ends tire-some standing up and down stairs. The switch can be regulated to turn off your heater in a few minutes or to light it at any certain time. It eliminates the danger of forgetfulness because it automatically shuts off the heater when water reaches the desired temperature.

OBSERVER'S NOTES

There may be some folks in our town who scorn to read notes here set down; Who think they're wondrous wise, Though often faulty these notes be, They hold life's true philosophy; That none can criticize, They may prefer headlines that shout, Of crime and unclean things about; That haunt our lives with fear and dread, And snuff hopes taper out, God help us here with head and heart, Life's highest ideals to impart; And helpful truths to spread.

It may be an evidence of weakness when one can work better and more joyfully when a word of commendation is given them. It encourages one to reach to higher, nobler expression. O yes, it may be an evidence of weakness when I own up to such weakness.

"The love of praise, how'er concealed by art, Rules more or less and dwells in every heart." The orator is stirred to higher and nobler effort by rounds of ringing applause. The bird will trill his notes more clear when conscious of a listening ear. Appreciation incites to higher effort.

The calendar tells us summer begins today (June 21), however we seem to have been forged ahead into summer last week, and calendars like humans, make mistakes. No summer times advent was ever greeted with greater masses of flowers and tree foliage, lilacs, iris, peonies and now the roses—a marvel of beauty and bloom.

Most like there is also an unusual proportion of June brides, parents and the parties most concerned will have to keep account of all that. Not that I am indifferent, but helpless to let or hinder, can but feel sorry even at that to see children of immature minds taking on themselves the joys of marriage. Parents are responsible.

Poor children! Glad are we to know there are wise parents who do not deprive their children of the joy of their young lives, yet have the wisdom to select their associates and in a measure sponsor their parties and happy entertainments. Parents of the Juniors and of the Woman's club are of this number.

Do you recall what Dowie said? That "So many people enjoy poor health." Isn't it true and they will speak in an awed tone of "running temperature" and high blood pressure, and all manner of mysterious professional phrases. Too bad, isn't it, when really all they need is to forget about their symptoms?

There is sickness enough and suffering enough caused by painful ailments. This we know, yet we also know many too often feel their pulse, note their temperature or study symptoms. What they need more than anything else is to forget about it.

We have in our town a brave young woman who rather than think on her so-called "incurable" ailments with a brave resolution set about to overcome her helpless condition by an unprecedented will power rightly used she is far on the way to regaining the use of her body.

You all know Mrs. Ella Traub Boeger, who, like the woman we read of in the Bible, "Suffered many things at the hands of many physicians and by force of will and good common sense has in an amazingly way regained her use of once helpless limbs. She is a brave, cheerful example to those who are too easy to give up their part in using will power and courage.

There is one thing to me seems sure, 'Tis not best to note your temperature; Blood pressure too, don't measure it. What you don't know hurts not a bit.

There's housemaids knee and bangs disease, And hardening of the arteries; Infections, tumors, many a score Ailments with foreign names galore.

You come, your pulse, look at your tongue, And hear your tolling death bell rung; You study symptoms, sigh with dread, Of fates that hang over your head.

Cheer up, though deaf and losing sight, Your inner self lives in the light; Still trust in God, on eagles wings, Mount the heights where joy bells ring.

Weakness of body cannot dim That one who puts his trust in Him; In His strength you shall mount and run, 'Till the race ends and victory's won.

Our lesson this morning in the Christian Herald held such a pretty illustration I want to place it here. The writer was at a southern resort fishing, when a little girl of ten years whose name was, as she told him, Helen. Her manner and actions were so perfect, as he drew her out he said he pictured just what sort of parents she had. Soon they came in a car for their little daughter, and they proved to be just the gentle, courteous people he had pictured them to be.

illustration, that those who profess to be God's children, may be known by their Christ-like conduct. To me it seemed so true, how often do we know parents by the conduct of their children? No matter what parents claim to be.

So Mrs. Joseph Horcher arrived at her 30th milestone June 24. 30 years young and those who see her often tell me she certainly lives up to the "young" part of it. With her husband, Mr. Joseph Horcher, who was an adept at his trade as harness maker and a lover of nature. They did much for the town. Their daughter, Miss Kunie Horcher, was one of the best loved and most efficient of our public school teachers.

Most of our citizens were in her grade in their early years. Mrs. Horcher has with her in her home her son, Joseph Horcher, his wife and children. A happy family of useful citizens. Since the passing of her daughter, Mrs. Horcher has not given way to her many losses, but has taken her added years cheerfully and helpfully. May she live many more just such busy, cheerful years and show complain-ers how to grow old cheerfully.

Too many of us get an old age complex when really young in years. In this we make ourselves miserable and life unhappy for all who are doomed to be within our circle of influence. Cheer up! Life begins at 70.

We worry over foreign things, Of wars, Lords, Emperors and Kings; In a world upside down mix, In our own land dictators fret, Us with befuddled alphabet; And fool code dazled trick; We worry over men at ease, On our tax paid, bill salaries; That put us in a fix. While here at home nobody sees If school and council quite agrees; Or if they manage as they please, Now "Ain't it so?"

A recent accident that might have resulted in tragedy, was caused by, A maybe excuse it by lack of a bright mind, rather say by a brain muddled by the baleful cigarette or that poisonous drink men swallow to take their brains away. Are we a thinking, intelligent people when we shut our eyes to these things?

Don't blame it to politicians; don't blame it to churches, press or clergy, it is you and I who are to blame. Do we know what our children, our undeveloped youth is imbibing? Do we blush for shame over tales of press and radio? "Wake up America!"

Such a world of beauty and fragrance spread for us who live in Arlington Heights. We hear that the Charles Klehm's peonies have been magnificent and in masses, and also that Mrs. Redeker and Miss Eleanor have had a splendid and wonderful display. In addition to the marvelous beauty of these flowers and their blossom time furnishes employment to those glad to work.

While we read and hear of storms, floods and destruction in other parts of our country, our hearts are sad for those whose homes are destroyed, who are homeless and in distress, we are full of thanks to the God of all who has protected us from storm and flood, and led us through pleasant places, where we would join all nature looking up to nature's God in Thanksgiving "saying it with flowers" for never have we been so overwhelmed with such masses of blossom beauty and fragrance.

First came Iris and Lilacs, then the peonies, all too wonderful to bear description and now the roses. The dark velvet red shastas deepening to the center, great drifts of golden yellow, the pure white June beauty and the golden yellow mining gold coins all over the place, the deep pink hundred leaved rose and the pretty thorn protected moss rose, too pretty to describe and the old favorite blush. True, both in name and beauty, all our friends have "said it with flowers," Who can assimilate such masses of beauty?

Once we stood on the bank of the Kankakee river in the month of June, with us a group of sisters from the Sacred Heart Convent at Joliet, out for their one week of retreat. Sister Clemantine spread her arms in a sweeping gesture toward the woodland and clear flowing river with the blue sky and far horizon as she exclaimed if God has made Heaven more beautiful than this, His world, how can we be able to appreciate it?

Of that scene and of Sister Clemantine's enthusiastic appreciation I often think. She was returning to the mother house at Toronto with no more outings and retreats. Do we, as the Master lived while here "go about doing good" how

shall we live our gratitude and appreciation for all this world of beauty about us? It is to do good to all humanity, however not always as we wish humanity to be not be good in a passive way, but do good. Oh, the roses not their form, color or size, but real heart of the rose radiates in fragrance.

What is it charms us in the rose, Is it the form, do you suppose, Or name by which we list it?

What is it makes its beauty glow That does enthrall and charm us so We never can resist it?

Whether its bloom be pink or white, Or shades of red in dark or light, Who would have missed it?

What is it makes a friend seem fair, Is it her color or her hair, Or way she bobs or twists it?

Is it the color on her cheeks, The gentle tone in which she speaks That prove appealing?

Or the expression of her eyes, The merry twinkle or the wise Glance kindly thoughts revealing?

Is it her grace, her buoyant swing, Her acts of love, her songs that ring That most impress you?

Her voice, her touch, her gentle word, Her eyes, that so your soul have stirred, Or her own self that blest you?

Now, truly, what do you suppose Gives beauty to a friend or rose; That wins so free and surely?

Is it the spirit that ascends From the rose heart and from the friends That holds us so securely? The outward form does not

express The spirits inner loveliness; In either friend or flower. The Spirit breathing on the air That blesses mortals everywhere, Is their true power. Elinor Crisler Haynes.

Local Schools Snare Books with Others In Red Cross Project

The Junior Red Cross of the Chicago Chapter has instituted a book project in its school auxiliaries which is attracting much attention over the three counties of the Chapter territory. The schools have been asked to set aside a "Share-A-Book-Shelf" where all year round books may be assembled to be passed along to someone else. Arlington Heights schools have contributed toward these initial shipments. Some of these books will be used locally but most of them will be sent away to schools in remote and isolated parts of the country. At the present time several

thousand books which have been collected during the past two months are being shipped from the Chapter Office to the County Superintendent of Schools in remote Montana and New Mexico counties so that school may open in the fall with the friendly greetings of Chicago Juniors. From time to time during the school year, additional lots will be sent to these same schools and new ones added to the list.

Fin de Siecle French Fin de siecle is a French phrase and is defined: "Literally, end of the century; up to date; an expression used during the closing years of the Nineteenth century for that which was most progressive, novel in fashion, or advanced in ideas." The phrase is pronounced fan da sye'ki—first a as in fat, n as in French word bon, second a as in final, e as in pray.—Literary Digest.

ARLINGTON HEIGHTS

What is the news? Here sure enough, There's precious little real news stuff. Firemen were early called one day. A good old neighbor passed away. Races now stage their yearly boom. And strangers seek in homes a room. Fools and their money are soon parted. Teach this truth to the simple-hearted. "Grass Roots" convene this week, we know. Our garden proves how grass roots grow. Read your home paper, line and letter. And next week help us make it better.

Great growing weather, especially for roots. The weatherman said out of the first 25 days of June, but ten in which rain didn't fall.

Thursday next week, July 4, we trust to our mayor and village officials to see to it that it is observed in a safe and sane manner.

Mr. Lawrence Traub, one of our older citizens of this town, passed away from earth life Sunday, June 23, in his home in this place. The obituary will be found in another column.

Mr. and Mrs. H. C. Cleveland had their son's family, Prof. and Mrs. Wm. Cleveland and two sons from Indiana, two days last week. They were going farther north for their summer vacation.

Mrs. H. Ashton and son, John, of Stonegate, are enjoying a vacation visit with her father and other relatives and friends at Columbus, Ohio.

Dr. H. A. Kossack went to Wilton, Iowa, for the Sunday celebration of the seventy-fifth anniversary of the church in that place, over which he was formerly the minister, leaving there for the Presbyterian church in Arlington Heights, nine years ago. Mrs. Kossack is spending a few days with her mother.

Mrs. G. H. Allison, with her

daughter and son-in-law, Mr. and Mrs. Doberton and Jack, came out Sunday to join in the family celebration of the birthday of Mr. L. G. Helm in the home of his son, Howard Helm. It was not a gay party such as our youngsters stage, just a quiet family gathering to assure Mr. Helm he grew younger each year and since life begins at forty they knew he had past forty, so is just beginning a new route. Mrs. Horcher past her 90th the same date and grows up to the past 40 theory. We join in wishing Mr. Helm just as many more birthdays as he wishes to see.

Mr. Nichols Mayer is at home again from the hospital. He hopes to be able soon to return to his work in Chicago.

Mr. and Mrs. Harry D. Moore came home Wednesday from a trip to Springfield, where they went with Mr. Moore's sisters from Chicago, to attend the funeral of their aunt, Mrs. Ryan. Mr. and Mrs. H. D. Moore are still in the home of her parents, Mr. and Mrs. Joseph Horcker, where they arrived in time to help celebrate the 90th birthday of her grandmother, Mrs. Joseph Horcher, Sunday.

Miss Ellen Wilkie is enjoying a two weeks vacation from her employment in Marshall Fields retail store. She will spend her vacation in her parent's home on West Campbell street and in visiting relatives and friends.

Vera Volkman reached her 12th birthday Wednesday, June 19. Her mother invited her playmates to help Vera have a jolly good time in her home on South State road. All the games and choice things to eat little folks enjoyed. It was in fact a delightful party and Vera's friends wished her many happy returns.

Mrs. Kossack and daughter, Miss Alice, came home Tuesday this week after spending a few days with her mother in her home at German Valley.

Invitations are out for the marriage Sunday, June 30, of Mr. George Prasinos, who will be joined in the bonds of wedlock with Miss Anastasia P. Baker of Detroit. The ceremony will be solemnized in the Orthodox Greek church in Chicago. The reception will be held in the home of Mr. Prasinos, the scene of so many big events and noted entertainments. A large company are on the place this week and great preparations are going forward. One unforgettable event was when Mr. Prasinos, as chairman of the Democratic party of Cook county, staged an entertainment for 2,000 guests at which Mayor Kelly was an honored guest. We hope the day, last of June, may be perfect.

Mrs. Conklin is now closing out the interests of her sister, Mrs. Otto Herman, preparing to go to her own home and children in Ohio. She did all possible to help her sister, while she lived, now her own duty calls to her own.

Your nice summer clothes will do for folks going south, dispose of them at the autumn rummage sale by the Woman's club in the fall.

Mrs. Flodine and Mrs. Hickey gave an afternoon luncheon to one or two ladies here to meet a friend from Chicago the 24th.

Are we patriotic when we break the home town law by firing explosives, even a week in advance of the Fourth? Remember "Liberty does not mean license."

The Presbyterian aid will give lunches every Wednesday in July from 11:30 a. m. to 1:30 p. m. in the dining room of the parish house beginning July 3. Price 35 cents.

A friend here received a card from Miss Lucile Paddock this week telling of her much enjoyed visits to the Cootan Art Gallery in Washington while visiting her sister, Mrs. Roy Nichols.

Mrs. E. H. Savage entertained a few ladies in a bridge party in her home on East Euclid one afternoon last week.

Mr. and Mrs. Joseph Melzer of Des Plaines were Sunday guests of their son, Mr. and Mrs. Joseph Melzer, Jr. They were en route for a visit with their children and relatives in Iowa.

Charles Hewitt from California, was in the Heights calling on some of his old friends over two weeks ago. Mrs. Hewitt came with him to Chicago, but did not come out here as their time was limited.

Mr. and Mrs. Hamberg and children from Chicago, are staying in the home of Mr. and Mrs. Arthur Schmitt and family, while they are in the east visiting their daughter.

Mr. and Mrs. John Grose attend-

ed the wedding of Miss Eleanor Schulz, to Mr. Ernest Sauer of Northwestern University last Tuesday evening, June 18. The wedding ceremony took place at the Sovereign hotel in Chicago. It will be remembered that Miss Schulz was one of Mrs. Grose bridesmaids.

Mr. and Mrs. Robert Palmer have gone to New York for a three weeks motor trip and vacation visit with relatives and friends. They left home here Thursday last week.

Mr. and Mrs. W. H. Freise of West Campbell street drove up to Loganville, Wis. They visited her sister, Weineke, who was formerly known here as Huldah Schulenburg. Mrs. Arthur McElhose accompanied them as far as the home of her parents, Rev. and Mrs. H. Reimer; also her brothers and sisters. Had the joy of picking strawberries nearly as big as hens eggs (maybe hen robins), that are plentiful crop, but no cherries nor apples. The group arrived home Tuesday after a happy trip.

Mrs. William Schlomann entertains the Social Five Hundred club in her home Thursday this week, where a social afternoon is anticipated by this genial group.

Mr. and Mrs. Wm. Niemeyer have rented their apartment in the Hendrick building for the Park season and will stay with the Joseph Horcher family during the season.

Mrs. Beulah Burkitt and little daughter, are now at home after spending a week at Mason City, Iowa, where they were visiting Mrs. Edson Perry.

Mr. and Mrs. William Wilke motored about fourteen hundred miles through five states, enjoyed splendid weather and fine roads all the way. Wheat fields with a wonderful promise of a good harvest, as they went farther south an abundant crop of peaches, yet in southern Illinois not a prospect of abundant yield. The wild flowers were a riotous spread of beauty and variety in Kentucky, though they were a bit disappointed in Louisville. Altogether their vacation trip was a delightful one.

The Aid Society of the Presbyterian church plan to serve lunches Wednesdays from 11:30 to 1:30 during the month of July in the church dining hall, price 35 cents. (35 cents per luncheon.)

We are glad to hear that Mrs. C. L. Kern is steadily recuperating at her home, 122 S. Highland avenue. Much credit is due Dr. C. Starck of Talating, who, by his watchful care, brought her through her severe illness.

Don't forget the Woman's club rummage sale to be held this fall. Put in for it some piece of bric-a-brac you are tired of and see how quickly some one who envied your possession will grab it at a price.

Mr. and Mrs. J. H. Bruhnke drove up into Michigan and last week visited her father. They enjoyed a most delightful time. The scenery and the plenty of fruit and growing harvests, everything that goes to provide a plentiful outlook for farm, orchard and home. All refreshing and restful to Mr. and Mrs. Bruhnke.

Mrs. Olive Allison and Mr. and Mrs. Doberton and their son, Jack, were dinner guests of Mr. Howard Helm's family Wednesday. From here they drove over to Elgin to visit Mrs. Allison's daughter-in-

grandson, Lawrence Allison. Mr. Doberton and his son are returning to their Michigan home, while Mrs. Doberton will spend some time with her mother in her summer home.

Mr. and Mrs. Hy. Busse had as their recent dinner guests, Mr. and Mrs. Andrew Dougall, Chicago.

Mr. and Mrs. Henry Busse entertained her parents, Mr. and Mrs. John Vales, Fox River Grove, and her sister, Mrs. Jos. Jelek and children, Janice and Richard, Norwood Park, Monday and Tuesday of this week.

There was nearly as much excitement at the fire drill Tuesday night

near the high school as at a regular fire. The handling of a fire nozzle with a hundred pounds or more pressure behind it, is no easy task and one of the old time firemen is being kidded for the "knock out" blow that he received which sent him across the field with his nose to the ground.

MRS. MULSO DIES ON LAST WEDNESDAY

Wife of Chief of Police
Passes Away Following
Long Illness

Mrs. Bertha Mulso, wife of Chief of Police William Mulso, and daughter of Mr. William Niebuhr of Chicago, Illinois, passed away at her home at 306 S. Emmerson street at 5:40 o'clock last Wednesday evening following a long illness. She would have been fifty-two years old on July 3. About three years ago she submitted to a serious operation to halt the ravages of the disease which held her in thrall. For a while it was thought that she was gaining strength, but she began to decline, and soon was fighting bravely and cheerfully a losing fight.

Mrs. Mulso was born in Chicago, Illinois, on July 3, 1883, where she was baptized. She was confirmed by the Rev. Porich in the Lutheran church at St. James, Minnesota. On Mar. 5, 1900 she was united in marriage to William Mulso at St. James, by the Rev. Pankow, and for the following twenty years she and Mr. Mulso made their home in and around St. James.

They came to Illinois in 1920 and lived in the Northfield for three years. For the past twelve and a half years they have lived in Mount Prospect, where they have made many friends.

She leaves to mourn her departure her loving husband, Mr. William Mulso and four living children, one child having died as an infant. Her four children are Mrs. Clara Metz, Mr. Walter Mulso, Mr. Arnold Mulso, and Miss Leona Mulso, all of Mt. Prospect. Other close relatives are a daughter-in-law, a son-in-law, two grandchildren, her father, two sisters, two brothers, eight sisters-in-law, and nine brothers-in-law.

Mrs. Roger Bailey To Head Legion Auxiliary

Election of officers was held by the American Legion Auxiliary at their last meeting at the home of Mrs. Geo. Price. The officers for the ensuing year are Mrs. R. Bailey, president; Mrs. A. Pierce, 1st vice-pres.; Mrs. Chas. Verrett, 2nd vice-pres.; Mrs. E. Wolf, treasurer; Mrs. Geo. Price, chaplain; Mrs. H. W. Carlson, historian; Mrs. P. H. Olson, secretary; and Mrs. Inge Besander, color bearer. Mrs. Bailey will appoint chairman for the various committees.

Mrs. Nan Cochran of Wilmette was guest speaker and her subject was "Belgium." Fidae is an organization of allied veterans, and takes its name from the Federation Interalliee des Anciens Combattants. The American Legion and its auxiliary are members of this organization, whose total membership is nine million at this time. One of the purposes of the Fidae is to continue the friendship of Allied veterans in peace as in war, and toward this a marvelous work is done. The Fidae Congress will be held in Belgium in September, and the desire to become more familiar with the people of the various countries belonging to Fidae, the Auxiliary each year studies the country in which the Congress is to convene.

Mrs. E. Luckner reported on the last 9th District meeting. Several Auxiliary Juniors of Mt. Prospect attended the model meeting held in Chicago last week. Irene Verrett filled the chair of vice president. After adjournment a social hour followed during which the hostess served refreshments.

Automobile Accident At Emmerson Street Last Friday Evening

A car driven by Harold Willson of 313 S. Wa Pella was struck last Friday evening about 7:30 on the Northwest highway at Emmerson street by a car driven by E. W. Dorine of Maywood. Mr. Willson was going east on the highway and turned to the left at the spotlight on Emmerson street when Mr. Dorine, coming at too high speed to control his car, struck him. Neither of the drivers were injured, and the cars suffered minor damage.

DONKEY SOFT BALL GAME AT MT. PROSPECT

Lions Club Will Play American Legion Team Sunday

A riotous, roaring, side-bursting good time is promised to all who attend the donkey soft ball game which is to be played on the large baseball diamond next Sunday afternoon at 2:30 when the American Legion will match a select group of softball players—and mule riders against a like group of courageous players from the Lions club at 2:30 o'clock. This became a certainty on Tuesday when final arrangements were made by the two organizations with the owner of the donkeys.

Several towns have had the donkey ball game as a feature of entertainment recently. A number of people in the Village saw them perform in Arlington Heights last Sunday and say that the tricks of the donkeys are quite marvelous. The marvelous thing being that such animals, usually called stupid can be trained to perform as these donkeys do. Each donkey has his position which he plays in his own peculiar fashion, it is said.

The rule of the donkey game are quite definite. All players are mounted except the pitcher and catcher. There are nine on each side, as in a regular game with the softball. The game lasts five innings, or not over an hour and a half. And that it takes at least an hour and a half to play the game is not an indication that it is at all slow. There is something happening every minute. The batter is on the ground until he hits the ball; then he mounts a base-running donkey and rides to first base, if he can. No whips or sticks are allowed on donkeys, for each donkey is thoroughly trained for his place. No one coming to bat is allowed to strike out. He must ride the donkey. When fielding the ball, the player cannot take over one step from the donkey. He must ride up to the batted ball, then he is allowed to dismount and throw the ball to any teammate. Of course it is best to throw the ball to the pitcher since he is on the ground. No base player is allowed off his donkey when fielding the ball. And base playing donkeys must be kept on base.

The proceeds of the game will be used by the American Legion post for the Boy Scout troop, and the Lions will use their share for some worthy civic cause. The game will be worth seeing, and the money spent by those attending will be used in worthy causes for the good of the community. Advertisement in this issue gives details of admission price.

A further attraction for the afternoon will be a soft ball game played in regular fashion for contrast between select players of the Lions and the Legion post, following the donkey ball game.

Mount Prospect

The beautiful cocker spaniel owned by Mr. and Mrs. Kasey of the Blackwood Inn, was struck by a hit and run driver on the Northwest highway last week and killed.

Mr. and Mrs. Burda celebrated their 20th wedding anniversary last Sunday.

Mr. W. H. Krause and son, Robert, of Norwood Park, have purchased the Phillips filling station from Jack Naggats. They will continue to call it Jack's Phillips Station.

The local police are promising a drive on all vehicles without tags on windshields. Having purchased a village tag is not enough. It must be displayed properly. No excuses will be acceptable.

Several local men have been away from the Village on short fishing trips lately. Fred Busse went to Twin Lakes, Wisconsin, and returned with tales of seventy fish caught by four fishermen. Fred Meeske came back from a one day trip Monday with a good case of sunburn.

Jackie Schreiner, daughter of Mr. and Mrs. H. W. Schreiner of 317 Hi-Lusi, celebrated her fifth birthday on Monday with a lawn party and luncheon for a number of her playmates.

Those attending the Ninth District American Legion Auxiliary meeting at River Grove from Mt. Prospect, on Thursday evening, were Mrs. J. Bernhard, Mrs. S. Kent, Mrs. E. M. Luckner, Mrs. Chas. Verret, Mrs. G. C. Cunningham, Mrs. E. Dutton, and Mrs. E. Hauptly.

Mrs. P. H. Frey, Miss M. Frey and Mrs. E. M. Luckner and son, Robert, were luncheon guests of Mrs. H. E. Frey on Friday in Chicago.

Mrs. A. Roderick entertained the Eastern Star club on Tuesday afternoon.

Mrs. T. Thorson and son have gone on a motor trip with her parents and sister.

The Auxiliary cordially invites the members of this community to attend a card party to be held Friday evening, June 28, at 8:15 p. m. at the Community school building. Prizes for each table, and refreshments will be served. A small donation charge will cover both.

Come one—come all—and have a good time.

Bank Money Orders Now Available at Local Bank

The Mount Prospect State Bank is inaugurating a new service to its many patrons in the adoption of bank money orders. This new way of handling money is originated to keep peace with new ideas in financial affairs and provides a new manner of making remittances by mail. Of course the post office and the express companies have been doing this for a long time, but the local bank in establishing this service make it available to patrons at a much lower rate with the same safeguards that these other agencies have long enjoyed.

It is not necessary, even, for one to have an account with the local bank to take advantage of this service. Any one can use such money orders at a minimum expense, as shown by the advertisement in this issue.

The local bank is continually on the look out for ways to serve the community fully and this is one of the most recent of the advantages brought to the people of Mt. Prospect and the surrounding territory.

Wed., Thurs., Fri.

July 3, 4, 5

JACKIE COOPER IN

"DINKY"

SHIRLEY TEMPLE AT THE CATLOW

Shirley Temple in "Our Little Girl," playing at the Catlow theatre, Barrington, Friday and Saturday of this week, carries thru the difficult role of registering smiles when her heart is sad. The story of "Our Little Girl" could happen to any child in any home. While those she loves are groping in the shadows of misunderstanding she meets the crisis in a way to win your heart completely. Joel McCrea, Rosemary Ames, Lyle Talbot and Erin O'Brien-Moore are featured with little Shirley. An "Our Gang" comedy, Cartoon, Sportslant and Pathe News complete the bill.

Victor Herbert's "Naughty Marietta" with Jeanette MacDonald, Nelson Eddy and Frank Morgan, has the feature spot of the Sunday-Monday program. Beautiful music and costumes, sparkling wit, makes this the biggest thrill since music came to the screen.

Tuesday, bargain night, brings "The Casino Murder Case," with Paul Lukas and Allison Skipworth in leading roles.

Special Independence program for Wednesday, Thursday and Friday of next week includes Jackie Cooper in "Dinky," a color cartoon and color scenic and "kid" comedy. "Dinky" is a story with a military school background in which Jackie as "Dinky" battles against odds in the classroom and on the football field and finally wins out with flying colors.

St. Paul's Lutheran Church

Divine services Sunday, June 30: English, 9:15 a. m.

German, 10:30 a. m.

The quarterly voter's meeting will be convened Monday evening, July 1, at 8 o'clock at the school.

The church council meets Friday evening, June 28, at 8.

Lions Notes

On Thursday night, June 27, the Lions Club of Mount Prospect are going to out-do themselves. All members and their wives are expected to be present at a dinner gathering in the Lutheran school.

An interesting speaker, Mr. A. W. Carlson of Maywood, will talk on "Philosophy of Life." New members will be given a chance to ride the goat in the initiation ceremonies. The officers elected for the next year will be formally installed. Music by professionals will also be a feature of the meeting.

As on all dinner gatherings the time of starting is 6:30. And, above all, please notify the secretary if you will be there. This is highly necessary for all places reserved must be paid for.

Widow Never Remarries

Widows in Korea do not remarry, no matter how young they may be. Even though they have been married only a month, they may not take a second husband.

Spectacular "Scandals" Delights All

Slip us a ton of dynamite adjectives! Then maybe we can do justice to the scintillant gayety, "George White's 1935 Scandals," showing Sunday and Monday at the Des Plaines Theatre.

Here's the last triumphant word in screen entertainment, a splendid sunburst of comedy and music that sustains the reputation of George White as prince of showmen.

It more than surpasses expectations, and is just about 365 times more brilliant than its "Scandals" sister of last year.

The second annual edition, sponsored by Fox Films, has everything. Here are ten top-rung stars: Alice Faye, James Dunn, Ned Sparks, Lydia Roberts, Cliff Edwards, Arline Judge, Eleanor Powell, Emma Dunn, Benny Rubin and George White, who conceived, produced, and directed the entire show.

Brilliantly kaleidoscopic in their 1,000 eye-teasing costumes designed by Charles LeMaire (he designs for Paris, besides for Broadway's shows) are the 200 glamorous dancing beauties.

The story, strong enough to stand alone, concerns a producer who stumbles on home-grown talent in a tank town, whisks them off to Broadway and Hollywood stardom, and when the bright lights get too strong for simple romance, whisks back home a pair of lovers.

Among the 200 beauties are 30 girls who won beauty contests. One and all were picked, groomed, and trained by White, whose reputation for selecting beauties and skyrocketing them to stardom needs no mention here.

CUT YOUR THISTLES

(Official Notice)

According to "An Act Concerning Noxious Weeds," all property owners are required by law to destroy noxious weeds growing on their premises, before they reach the seed bearing stage. Full cooperation by every property owner and municipality with the local Thistle Commissioner, will be greatly appreciated.

As a land owner you are hereby notified that you are under a legal duty to destroy all such noxious weeds on the above described premises before seed bearing stage, in accordance with the provisions of Section 3 of the above mentioned act. The methods of treating and eradicating noxious weeds as recommended by the Department of Agriculture can be obtained from the undersigned.

Yours truly,
Louis Clark,
Thistle Commissioner
Wheeling Township.

(6-28)

Wheeling Volunteer Detectives Snoop At Wedding

Earl Johnson, auto mechanic and member of the volunteer fire department of Wheeling, wanted to keep his marriage date a secret. No fuss and big ceremony with its attending details such as flowers, rice, kissing the bride, gaping crowds and wise-cracking, for Earl.

He said to himself he would fool his friends by telling them he would be married July 6 and then quietly slip out-of-town with his bride-to-be, Miss Marguerite Ladendorff, and be married two weeks previous. The horse laugh would be on his fellow townsmen and a certain few tormentors who everlastingly asked, "When are you going to be married, Earl?"

Mr. Johnson, being methodical, secured his marriage license in the county court house at Chicago and then arranged with the Rev. J. E. A. Mueller, pastor of the German Lutheran church at Mt. Prospect, to perform the ceremony at 2 p. m., Saturday, June 22, in the parsonage at 17 S. Elm street without the aid of rice, gaping crowds or wise-cracking.

So far so good, but the Wheeling Fire Department not wishing to have it said that it ever slighted a friend, delegated two of its trusted members to check on Earl's marriage plans and report. Herb Leach, chief of police and town Sherlock Holmes, and Art Miller, proprietor of a popular emporium, were selected to do the detective work.

Learning of Mr. Johnson's well laid plans they appointed themselves a congratulatory committee and called at Rev. Mueller's home a half hour in advance of the ceremony where they blissfully awaited the arrival of the bride and groom so they could give a few words of encouragement to Earl and a few words of caution to Marguerite.

To make a long story short, when Earl saw his fellow townsmen he went into a semi-collapse and made a few remarks that would sting anybody's ears. And now Earl is all hot and bothered as to how his secret leaked out.

Meanwhile the Fire Department of Wheeling, together with the Commercial club headed by the Honorable Mayor Hans Schmidt, are planning a shower for Earl. Showers are generally for brides previous to their weddings, but

WHEELING

The W. J. Bank family are new tenants in the Wessling residence on Dundee road.

Miss LaVerne Garratt visited at the Carpenter home last week.

Mr. and Mrs. W. Ackerman motored to Sodus, Michigan, for several days last week.

Mr. and Mrs. Fred Knoll are the proud parents of a baby boy born at the Wheeling hospital Friday, June 21.

Mr. Earl Johnson of Wheeling and Miss Margaret Ladendorff of Des Plaines, were married by the pastor of St. Paul's Lutheran church, Mt. Prospect, Saturday evening, June 22. They will make their home in the Johnson residence here, which has lately been remodeled into two flats.

Summer has come and with it the migration of gypsies. A party of them passing through town this week picked the pocket of one of our business men, so keep your hand on your pocketbook should some of the wanderers call on you.

EAST MAINE

Donald Koch, son of Mr. and Mrs. Emil Koch, who had been spending part of his summer vacation visiting the W. C. Koch family, returned to his home June 20, to be host to several of his little friends at a celebration in honor of his sixteenth birthday anniversary.

Mr. and Mrs. Emil Goettsche, who recently moved from East Maine to a farm on Hintz road, are proud parents of a nine pound son born June 23, at the Palatine hospital.

Measles are still in our midst. Mrs. Otto Jaacks is convalescing from an attack and La Verne Nielsen is the latest juvenile victim to be reported on the measles sick list.

The members of St. Matthew's choir enjoyed their annual outing to Gages Lake, Thursday, June 20, and report a most delightful time as usual at these affairs.

The date for the annual picnic of St. Matthew's congregation, has been selected for Sunday, July 14. The picnic will be held on the church grounds as usual. More details later.

WHEELING

Earl's Wheeling friends are reversing the procedure. Mayor Schmidt says that anything can happen in a shower.

Mr. Oren Jaacks, who, with her sister, and sister-in-law, motored to Indianapolis, June 17, to visit relatives there, returned home the latter part of last week accompanied by her two nephews, Paul and Gene Bowling, who will spend part of their summer vacation at the Jaacks home.

Elmer J. Steil was a member of the graduating class of the American Savings Building and Loan Institute who received their diplomas at the exercises held at the North Side Swedish Club in Chicago, June 21. He was awarded a diploma for his successful completion of the three-year course offered by the institute.

HENRY AHRENS

Mr. Henry Ahrens passed away suddenly at the Lutheran Deaconess hospital in Chicago June 29, where he had been taken for X-rays to determine the true cause of illness which had confined him to his bed a week previous. He had been ailing a long time with gall and liver trouble but never complained until his condition took a turn for the worse. A heart attack brought on his sudden end.

Mr. Ahrens was born in Mecklenburg, Germany, March 25, 1873, and came to America with his parents when he was ten years old. They settled in Des Plaines. November 5, 1887, he took as his bride Miss Minnie Dutsund and they set up housekeeping in Glenview, later moving to a farm on Potter road, which ground has since become property of the Maine township high school. About ten years ago Mr. and Mrs. Ahrens retired from active farm duties when they moved to a new home at Ballard and Potter roads where they have resided since.

Funeral services were held Sunday, June 23, at the late home and in St. Matthews Lutheran church with Reverend J. Toepel officiating, delivered a comforting sermon in both English and German languages. Serving as pall bearers who two short months ago had performed that last act for Mrs. Albert Ahrens, a daughter-in-law of the deceased; Wm. R. Tagtmeier, Martin Gewecke, Fred and August Bestmann, Leo and Otto Jaacks. Interment at Town of Maine cemetery.

Mr. Ahrens is survived by his bereaved widow, one brother John, one daughter, Anna Babcock, four sons, Albert, John, Edward and George, four grandchildren and other relatives and scores of friends.

"Extra" Milk During May Was 17,500 lbs., Reports Milk Assn.

Almost 17½ million extra pounds of milk over the previous month was delivered by Pure Milk Association members in May, according to figures released today by the Association Marketing Department. This additional seasonal milk swelled the May milk delivery total to 128,221,044 as compared with 110,781,198 pounds delivered by Association members in April. The peak seems to have been reached. With shorter pasture and flies, production will undoubtedly drop.

With the price of 92 score Chicago butter dropping about 7 cents from 32.81 cents in April to 25.91 cents in May, the rainy cold weather dropping sales in Class I and the excessive amount of seasonal milk being delivered, Class II and Class III prices paid for milk delivered naturally dropped.

Snakes Are Egg Eaters
 Several kinds of snakes are known to be great egg eaters, and one or two can make short shrift of the supply of the average small flock of poultry if the nests are accessible. It is also said that once that domestic pet, the dog, acquires a taste for hen fruit he can seldom be gotten of the habit of robbing nests. Ants and spiders apparently find nothing more delicious than eggs of butterflies while fishes gulp the eggs of other fishes borne on water currents. Often the Peruvians find the gulls, vultures and condors have beaten them to the rookeries on the bird islands and find nothing but the broken shells of the greenish cormorant eggs.—Pathfinder Magazine.

EXECUTOR'S SALE OF REAL ESTATE

Notice is hereby given that on Tuesday, the 16th day of July, at 11:00 o'clock A. M., Daylight Savings Time, in the Board Room of the Board of Appeals of Cook County, Room 337, Cook County Court House, Chicago, Illinois, the undersigned will offer for sale at public vendue to the highest and best bidder, for cash, to pay the debts of the Estate of Christof Wilke, the following real estate, to-wit:

Lot One (1) (except the South 16 feet thereof) of Block One (1) of a subdivision of Lots Twenty-three (23) to Twenty-five (25) of Assessor's Division in Section Thirty (30), Township Forty-two (42) North, Range Eleven (11), East of the Third Principal Meridian, in the Village of Arlington Heights, Illinois, known as No. 315 West Campbell Street, Arlington Heights, Illinois.

Said premises will be sold subject to an encumbrance of \$1000, now against said premises. No deed or deeds will be delivered until such sale has been approved by the Probate Court of Cook County.

Dated, Arlington Heights, Illinois, June 24, 1935.

HERMAN W. FRIESE,
 Executor of the last Will and Testament of Christof Wilke, Deceased.

Democratic Women To Stage Big Picnic

With attendance of more than 50,000 persons expected, the Illinois Democratic Women's Club has completed plans for a monster picnic and outing on Sunday, June 30, at Ryan's Woods, Eighty-seventh street and Western avenue. Serving as a final round-up for the judicial coalition ticket which will be submitted to the people July 1, the picnic will be the most pretentious affair ever undertaken by a women's political organization in the State.

Among the speakers will be Governor Horner, Mayor Kelly, National Committeeman Nash, United States Attorney Igoe, State's Attorney Courtney, Bailiff Horan, Municipal Clerk Gill, Sheriff Toman and President Smith, of the County Board.

Average Height of Humans

The average adult American man is about 5 feet 8 inches tall, and the average adult woman about 5 feet 4 inches. Records show that only one man out of 200 is six feet or more tall. May Walsh, who died in Chicago in 1922, was 7 feet 6 inches in height and was regarded as the tallest woman in the world at the time of her death.

"Flat Sour" in Food
"Flat sour" in connection with food spoilage is a condition of canned vegetables in which the outside appearance is usually sound and firm. Although the product is often soft and mushy and has a sour taste and odor, it is not accompanied by gas.

St. Peter's Church Hold Special Services

The place and value of the Christian Day school in its program of Christian education will be recognized by St. Peter's Lutheran church in two special services Sunday morning.

Prof. Paul Bretscher, instructor at the Lutheran Normal College of River Forest, will fill the pulpit in the German service at 9:30 and the English service at 11:00 a. m. He is a noted educator of the Lutheran church and at present holds the chair of religious education. His experience and knowledge of the field qualifies him to speak with authority on the subject of Christian child training.

A large children's chorus, under the direction of Mr. O. Kolb, will render an appropriate anthem in both services. At the conclusion of the worship patrons and friends of the school will be invited to view the school exhibit staged in the school auditorium. A great amount of planning and workmanship has gone into this exhibit and the finished product will delight the visitors.

All friends of Christian education are invited to attend the services and also to view this interesting exhibition of Lutheran school work.

Grass-Roots or Vote for "T"

By CALVIN MITCHELL

Do you think! What is good for one is good for all! What is good for the creditor is good for the debtor? What is good for fixed income people is good for others? What is good for producers is good for consumers? Do you realize that there are two sides to all these questions?

Must not benefits to one class be paid by others and high prices? Producers be paid by consumers? No law can be passed that will not benefit some and injure others. All advances in machinery, or government must be detrimental to the beneficiaries of the old system, but can any one deny that the advance to a better system benefits the great majority of mankind? Then should not the greatest benefit to the struggling mass of laborers and debtors be the object of a just and progressive government?

When money becomes scarce and increases in its purchasing power and debtors are unable to sell any property to meet their obligations they lose to the creditor class. This brings hard times; but when money is plenty and it decreases in its purchasing power, debtors are able to sell, pay their debts and save themselves from financial ruin. This brings good times.

Why not give the "Have-nots" a chance to save what little they may have left? The "Have-alls" will still have plenty for the strong and cunning will always out-smart the weak and poor to get the best of the bargain.

As I remember history the greatest advance of mankind from serfdom and dependence was from 1600 A. D. to 1700 A. D., during which time so great an amount of gold was found and thrown into world circulation, that in 1700 it took five (5) times as much gold to buy the same property as it did in 1600 A. D.

People were gradually relieved of their debts and encouraged to fight for their rights with no perceptible effect on the creditors in their gradual losses. Now, why take about \$10,000,000,000.00 in gold and silver out of circulation without supplying at least the same amount of legal tender U. S. notes to take its place—yes, even to any amount that may be needed to relieve financial distress whenever there is good security?

It is time for every voter to vote for "T" i. e., for his or her own interests, and it is a sure thing that at least 90 per cent of us are among the debtors and "have-nots" and cannot expect relief from either of the two dominant parties that are equally to blame for our predicament. We are strong enough to vote both of these old "Shams" out of existence and we should do it.

Without doubt the quantitative theory of money is correct and that prices are regulated by the quantity of money in circulation. The greater the amount of real money in use, the higher the prices will be for labor and property. So, if prices are down and labor unemployed, issue more money, and not take it out of use as seems to be the dictum of the two dominant political parties.

Senator Borah calls the Bureau-creatic agents "ascariads." He should have included nearly all of the politicians and ward heeler and proposed an amendment to the constitution that would bring about a drastic control of all species of the so-called "Ascariads" that have clutter this country with empty stomachs.

LaGrange announces a new idea in house numbering. The board of trustees recently approved a plan to paint the house numbers on all curbsing throughout the village. The numbers are to be two and a half inches high, black on a white background. The plan also includes the painting of the names of the streets on the corners in the same manner.

The plan was submitted by two local college students who will get the job.

Whealan Pool Opens Next Saturday

The swimming season in the Whealan pool at Milwaukee and Devon avenue, officially opens June 29, Clayton F. Smith, president of the Board of Forest Preserve Commissioners announced today.

They will be open daily from 10 a. m. to 10 p. m. Children under 14 years of age will be admitted free on Monday, Wednesday and Friday mornings.

The pools are kept in perfect condition by thorough cleaning nightly. Workers attired in helmet and matted with an under water vacuum cleaner go over every inch of the pools. Filtered water, chemically treated, fills the basins, and the water is kept constantly changing, the entire volume making a complete change every eight hours.

Applicants are required to take a soap and water shower bath before entering the pools, and must submit to a physical examination. Persons with skin blemishes are not permitted into the water. Samples of water are sent for examination daily to the Chicago Health Department. Life guards are on hand at all times, and a nurse is in constant attendance to give first aid.

"We want the citizens of Cook county to feel confident in the clarity of the water in forest preserve pools, and the minimum of danger," President Smith asserts.

Walther League to Hold Field Day Sunday

The Northwest Suburban zone of the Walther League will hold its annual Field Day, Sunday, June 30, at the athletic field of Maine Township High School at Des Plaines. Besides track and field events for both men and women, a horseshoe tournament will be conducted. The medley relay and 44 yard dash have been added to this year's program.

Early returns indicate a good field, numbering several stars of the Northwest Conference as well as several from Maine high school. Rohlwing, winner of state half-mile and also winner of

Northwest Conference 440 yard dash and half-mile run, will be the favorite to win both events, holding the half-mile record.

The first and second place winners will qualify for the Northern Illinois District meet to be held Sunday, July 7, at Earle Play-

ground, Des Plaines. The District meet will draw entries from Glenbard high school, champions of the West Suburban League.

URGE PEACE TIME ARMY TO PROTECT U. S.

Echoes of Grass Root Convention Heard at Ar- lington Heights

Echoes of the recent Grass Root convention were heard Wednesday evening by a large crowd of men and women who had gathered at the Arlington Heights high school auditorium to hear Jacob D. Allen, prominent Republican, tell the occasion and outcome of that conference.

Mr. Allen's ability as a speaker attracted many in that audience to travel long distances. The speaker did not attempt any fireworks utterances, but brought to the hearers the gist of "why" the conventions and its result.

"A group of fifty citizens from the ten participating states, properly selected through official Republican Party authority, are now organizing a program to enlist, prepare and direct a veritable peace-time army in civil government," stated Mr. Allen, "to resist the attempts of Roosevelt and his followers in their all too apparent effort to overthrow our form of government."

"Each of you will be invited to become prepared, vigilant, aggressive defenders of our liberties as once our Fathers were. When the call reaches you, I know it will find you ready to answer to the roll call for America."

Opening his talk Mr. Allen said: "The gathering of American citizens of the ten prairie states, was born as much in the hearts as in the minds of the men, who nearly a year ago began quietly to discuss the matter with their friends and neighbors."

"As it grew it seemed a strange thing to many, familiar with the forces of high pressure political programs so current in this age, that so great a mass movement of people could have developed without ulterior motive or anticipatory design."

"It seemed strange to a generation accustomed to propaganda mills and efficiency planning in every department of life that men could dream of a citizen-soldier, a party caucus or discussion of public affairs builded after the fashion of the old New England town meeting."

"Yet, wonder of wonders, it did occur, and more than eight thousand of your middle western countrymen and women were a part of it."

"More delegates met at Springfield, represented more people and wider-flung commercial, social and territorial horizons, than met in the Continental Congress at Philadelphia when America was born of 13 colonies of the crown of England."

"These delegates represented almost seven hundred thousand square miles of our mid-continent America and thirty millions of our people."

"But, of most concern is—what were their conclusions?"

"The first section of the resolutions, as adopted in final form, make an examination of the record of the Roosevelt administration and set forth a declaration of grievances of the common man as felt by the 8,000 participating middle westerners."

"The language of this charge and its content awakens echoes of the rumblings that shook this continent into the Revolutionary War that, in the founding of the Republic, gave first to America 'a new birth of freedom.'"

"Following this, the most drastic declaration of grievances, by any responsible congress of citizens, against any sovereign or head of the government of a civilized state since the comparable denunciation of King George by his American colonies in Congress assembled in 1776, the Midwest Conference proposed to responsible leaders of the party in opposition to Roosevelt 'New Dealism,' the American citizenship and Republican Party creed."

Mr. Allen gave the full text of the creed, adopted at the convention, parts of which are as follows: "We believe in the constitution of the United States."

"We believe that the constitutional separation of the powers of government into legislative, executive and judicial should be maintained."

"We believe that the maintenance of the independent sovereignty of the federal government and the several states..."

"We believe in the maintenance of our American political and economic system..."

"We believe that they are sufficiently flexible to meet all of the needs of a complex civilization..."

"We believe that our present troubles are not due to any inherent defects in our American system..."

"We believe that a free press, open discussion and honest criticism are essential to the preservation of free institutions."

"We believe in individualism and in individual enterprise, as opposed to communism, socialism, fascism, or any other form of collectivism."

"We believe in our American system of free enterprise..."

"We believe that the successful

All Nations Clowns Play Here Sunday

The Red Wing management was very fortunate to book the All Nations Clowns, a team composed of players from all nations. This ball club is very popular and has scheduled only 3 games in Chicago, before traveling through the west. The Clowns will put on several acts of comedy, dressed in clown suits before game is called and then will take off the clown suits which they wear over their baseball uniforms.

Our Red Wing club is at all times trying to get only the best of competition out for our fans. We have the following teams scheduled:

June 30, All Nation Clowns.

July 4, Elgin Trade Council (at Elgin).

July 14, Peter's Union Giants.

July 21, Guy Bush Gassers.

There will be only 2 games played away from our home field this season. Last Sunday the Red Wing defeated the Hale Travelers.

OUR POLICE DEPARTMENT

The policeman's job in any municipality should be something aside from wearing a uniform, and acting as a collector of delinquent licenses. He is given his authority by law for the purpose of "policing" the village, preventing the commission of crime and enforcing existing laws.

An officer may be a good fellow, but the general public will have far more respect for him if he makes an honest effort to enforce existing laws.

The accident at Stonegate took two lives last Friday. Probably one and perhaps both drivers are to blame. No attempt has been made in Arlington Heights for many months to curb speeding. Autoists who regularly make a speedway of the Northwest highway turn Arlington Heights and make a joke out of our traffic lights are endangering their own lives and those of our citizens.

Arlington Heights does not want to operate a speed trap but this paper believes that the local department is leaning over backwards when it continues to disregard speeding.

The people of Arlington Heights are not accident prevention conscientists. If the death of two people last Saturday is not enough to make them drive more carefully, the police department should slam down the weighty hand of the law.

In these modern times, parents may have forgotten how to effectively use the hair brush upon their children, but that is all the more reason why the police should use corrective measures invested in them by law to make both parents and children obey safety rules.

The Herald understands that Alderman Schmeberger has invited the Chicago Motor Club to send a safety man to Arlington Heights to make recommendations relative to a fair policing of the Northwest highway.

That is the first step in the right direction.

The Herald believes that Arlington Heights police department should at once institute an intensive and effective drive against speeders.

The erection of a white cross at Stonegate, bearing the inscription "Two killed here June 21" would be an indisputable answer to any autoist who might object to the activity of the police.

The Herald knows nothing about the technical operation of a police department, but what is the use of having one unless it is used for police purposes? If our present police department has become merely messenger boys, why not give them a western union bike to ride and put the new motorcycle and auto in storage?

functioning of the American system demands that the competitive system be maintained and fostered and that individual initiative be encouraged.

"We believe that, once economic freedom is destroyed, political liberty must suffer the same fate and that, aside from its contribution to material progress, there is a moral value to liberty which justifies any sacrifice to preserve it."

"We recognize and approve the principle of collective bargaining, the representatives of labor to be of labor's own choice..."

"We recognize that the security of our citizens demands government aid in the establishment of old age and unemployment reserves."

"We are grateful for valiant and sacrificing service of our men of all ages and pledge ourselves to see that justice is accorded them."

"We believe that the resources of our country and the enterprise and industry of our citizens are such that the existence of an immense and permanent class of dependents is as unnecessary in the future as in the past..."

"We believe it to be our duty to accept the challenge of the defeatist, who would repudiate our country's past, and betray its future, and to appeal to our countrymen to rally to the defense of American institutions."

"We believe that the successful

SUMMER TIME RECREATION STARTS SOON

Trained Workers to Have Charge of Activities; Make Plans Tonight

Summer time recreation in Arlington Heights for the young people and their older brothers and sisters becomes a reality Monday. Two trained workers in physical education and recreation have been selected from among a number of applicants. Both are local people.

Ed. C. Wahl, who will direct the activities of the boys is a graduate of Illinois university. He has had special training in that line of work and is one who naturally is a friend of boys and young people.

Miss Bernice Diederich, the woman director, graduated from the College of Physical Education in Chicago and has had special training in playground work, physical culture and handiwork. She also is an experienced instructor in tap and rhythm dancing.

The activities will be held at the north side school ground and at one of the parks adjoining the south-side school property. A meeting of the Arlington Heights Recreation association will be held tonight to give final approval to the tentative plans that have been made by the various sub-committees.

It is impossible to make any definite announcements in this week's Herald, but all children who are interested are urged to be at the school grounds next Monday morning at nine o'clock.

The idea of summertime recreation in Arlington Heights, when proposed a short month ago, met with instant favor. In order to start the work in July, it was necessary to hasten the plans and complete some of them before a permanent organization could be perfected.

Camp Fire Groups To Be Organized In Arlington Hts.

Arlington Heights girls who like to do things together, who like to go on hikes, have bonfire parties give "shows", make things and to camp will have a chance to do all these things now. For the Camp Fire Girls are to be organized again in Arlington Heights under the auspices of the Parent Teacher association.

Any grade school girl ten years old or over may become a member. The fees are small and no one need worry about the expenses for the groups will join together to earn money for them. All that is necessary for any girl who is interested is just to hand her name to some member of the board.

She will be notified of the time and place of the first meeting. Several very capable and charming young women are preparing themselves to act as guardians so that the girls will have the best of help in carrying out their plans.

The board members who will accept applications for membership are as follows: Mrs. A. H. Fessler, Miss Martha Jackson, Mrs. James W. Coughlin, Mrs. Raymond Atkinson, Miss Delilah Kost, Mrs. Guy R. Baxter, Miss Dorothy Helm, Miss Lois Bolte, Miss Rose Laufer, Mrs. B. H. Jarvis.

Applications should be in by Monday, July second, as meetings will begin at once.

John Rodewald, Rural Carrier, is on Vacation

John Rodewald, rural mail carrier at Arlington Heights, returned Sunday from a short vacation spent at Big Rapids, Michigan, which is "way up north." He enjoyed some fishing, but was glad to get back home. He returns to his carrier duties July 1, his place being taken during his absence by Mr. Hall.

Arlington 'Classic Ball' Renewal

The "Classic Ball" which was in the 1934 social calendar, will be renewed the Wednesday following the running of the Arlington Classic.

July 24, 1935, is the date set aside for this dance, which tops the racing season and will be sponsored by the Holy Name Society in St. James hall, N. State Road, Arlington Heights. This is the same location as last year. Earl Frederick's orchestra has been engaged to supply the rhythm and syncopation.

New and special decorations will be used to dress up the hall. Several numbers of entertainment will also be featured. Dancing will be from 9:00 p. m. until 1:00 a. m. Admission will be fifty cents per person.

ANNUAL HOME COMING

Picnic and chicken dinner July 4, for the benefit of St. Mary's church of Buffalo Grove, Ill.

American Legion Summer Festival Starts Tuesday

Merle Guild Post is again sponsoring a mid-summer Festival, however, this year instead of running it in our usual place, it will be run on the North Side of town, on Miner street, between State road and Dunton avenue.

The dates are July 2 to 6, inclusive.

There are four rides this year—rides to entertain children of all ages and grown ups will enjoy them too. And then don't forget our booths, skill and corn games.

The banner prize at the corn game is a bridge table set, consisting of a steel table which has a fire and alcohol proof top, built and re-enforced underneath to hold a weight of 750 lbs., four all-metal chairs with padded seats—new isn't it? a prize worth winning.

Legionnaires tell us it is and know that when you see these sets you will think, so, too. All of the other prizes are of merchandise consisting of practical articles used daily in homes, of good quality and guaranteed to give service. Yes, at the skill games they will have the novelty prizes and this year you can win your smokes and candy there, too.

There will be a lot of prize drawings each night—these prizes will be given away free and are the compliments of the business men of Arlington Heights. Merle Guild Post wishes to take this opportunity to publicly thank them.

The Grand Prize will be a 1935 Chevrolet Coach. This prize will be drawn on Saturday night, July 6. Some one will be the lucky person and say won't it be a swell feeling to roll home that night in a brand new Chevrolet Coach. Someone will be the lucky one—why not you?

Don't forget the dates—July 2 to 6 inclusive. Legionnaires are planning on seeing you at their Festival, don't disappoint them.

Business Men Can Ride Donkeys But Lose to Regulars

In a thrilling five inning battle of Donkey baseball, the first of its latest sensation of baseball seen in Arlington Heights, the Red Wings nosed out the business men of Arlington Heights by the close score of 2 to 0. Before a field packed with fans, the business men put on an exhibition of mule riding that is not excelled by the cow boys out on the plains.

Being old hands at the game the business men easily ran off with the trick riding prizes for with riders like Al Carlson, Art Lauterburg, John Ladas, Bill Neumann, Otto Bolte and last, but not least, Mayor Flentje, the Red Wings had little chance to get away with the riding honors.

Art Lauterburg and Bill Neumann tied for honors in the tailspin contest, but refused to make any more bareback riding unless furnished with saddles and riding togs.

With too many mule heels flying his way Ladas was knocked out of the box and Al Carlson thinking he was shooting for the ten pin finished the game. Bolte and Meyer of the Red Wings stealing home scored the only two runs of the game with the business men protesting on the grounds that both players knew the rules.

Following is the lineup of the business men—John Ladas, P. Al Carlson, P. Otto Bolte C. Griffin C. Sadecky 1B, Peters 1B, Sachs 2B, Hastings 2B, Baldwin 3B, Rodewald 3B, Benson LF, Hatske LF, Art Lauterburg CF, Hartman CF Eiver RF, Duenn RF.

FIRE INSUR. IN PALATINE IS LOWERED

First Refunds Received by Business Men as Class Five is Approved

The village of Palatine has secured a class five rating by the Chicago Board of Underwriters. Refunds on account of the lowered rate have been received by local business men who have applied for same thru their insurance brokers.

Approval of a class five rating for Palatine was given after a thorough checkup of the fire fighting equipment of that municipality. Superior equipment can probably be credited for the new classification. The Palatine village board at its meeting Monday night will pass the necessary ordinance that authorizes the local fire department to make regular fire prevention inspection of business and public buildings. It is reported that the premium reduction for the high school alone will be nearly \$75.

To Celebrate Event

There is going to be the recognition of the strides made by the Palatine fire department July 8 in the high school auditorium at the regular meeting of the Cook County Firemen's association. It will be the first meeting that its new president, W. R. Comfort, Palatine fire chief, will preside. The state fire marshal's office will be represented. Altogether it will be a sort of jollification meeting over the new position that Palatine occupies in the annuals of fire protection.

There will be a number of speakers and the Lake and McHenry counties firemen's association will be represented.

E. F. Laurin Will Audit Arlington Heights Books

E. F. Laurin, who has been auditing the treasurer's books of the village of Arlington Heights, a number of years, was again awarded the contract last Thursday evening at a special meeting of the village board. Mr. Laurin will bring down his audit of last fall to the end of the fiscal year for a fee of \$350. He will also direct the preparation of an annual statement of the treasurer for publication.

ARLINGTON PK. IS READY FOR NEXT MONDAY

Nature Has Had Big Part In Preparation of the Lawns and Gardens

Arlington Park is ready for its opening next Monday. Mother Nature has wielded the brush that has given to the lawns and gardens a beauty not equalled in years when man had to resort to the sprinkling hose.

The racing plant itself is so complete that there is little need for the artisan this year. A large gang of men have been busy housecleaning the grandstand, the enclosure and the Post and Paddock club.

The only real change in these is the installation of new bars by the Turf Catering Co., which this year has leased all of the concessions at the park. This firm operates nothing except turf concessions and are installing within the enclosure, what they claim is the most elaborate bar at any race track within the U. S. The bar which they installed at Washington Park drew considerable comment in the Chicago press. "This bar is better than any we have heretofore attempted," says Mr. Wm. Wolken, who represents the catering firm.

Mr. Carruthers who has managed Arlington Park several seasons, has already moved to Arlington Heights, but as general manager at Washington Park is rather a busy man. He visits Arlington Park every evening after his return to Arlington Heights inspecting work done that day and giving orders for the next 24 hours.

The installation of over a mile of tile to connect the grandstand with the Arlington Heights sewage system is a big undertaking and represents the outlay of a lot of money. However, it is nearing completion and will be completed by Saturday.

The totalizers used in recording wagers at Arlington Park, are now in use at Washington Park. They will be installed at their regular positions Sunday.

Eastern Stables Arrive Two eastern racing stables arrived in Arlington this week, but the big influx of stables and horses will be Saturday and Sunday.

Local business men report that "race trackers" are a little slow to arrive this year. Many of these people come here each year and have personal contacts with Arlington Heights business men and citizens and by Saturday, Arlington Heights will be the busiest city of its size in the state.

33 Year Old Moron Meets Swift Justice At Arlington Heights

Joe Schroder, 33, of McHenry learned Sunday that he could not insult Arlington Heights girls without swift punishment. His arrest, prosecution and sentence is due to the bravery of an Arlington Heights young lady, whom he accosted in the waiting room of the railroad station at 9:15 Sunday morning.

The girl immediately notified Chief Skog, who caught the man at Euclid and State road. She unhesitatingly testified at the trial before Judge Kopplin the next morning. The latter gave Schroder a verbal tanning, inflicted a \$100 fine, the limit allowed by village ordinance and sent him to the county jail, where he will spend the next 200 days. A local physician who examined the prisoner declared that in his belief he was a sex moron.

St. John's Church Holds Children's Day

A children's day service will be held at St. John's Evangelical church, Sunday, June 30. The public is invited. The following will appear on the program:

Leland Sime, Betty Linneman, LaVerne Giesse, Shirley Helfers, Donald Scamhorn, Dorothy Ruhl, Elmer Blohm, Wesley Kurtz, Pernel Pingel, Glen Fredericks, Eugene Busse, Lois Federicks, Irene Blume, Ralph Becker, Irene Bleile, Leonard Garms, Donald Vogel, Irene Scharringhausen, Lois Scharringhausen, Jean Scharringhausen, Audrey Sauer, Preston Pingel, and Mrs. W. Landmeier, teacher.

Also Margaret Hahnfeldt, Marion Mueller, Dorothy Becker, Marion Blume, Geo. Scharringhausen, Jr., James Heuer, Marian Helfers, Lorraine Jettmann, and Miss Florence Schad, teacher; Betty Scamhorn, Robert Zeimet, Willis Tatge, Richard Jahn, Jr., Geo. Gaare, Jr., Vernon Sauer, Marjorie Scharringhausen, Perene Pingel, Shirley Zoellner, Evelyn Bencie, Robert Guenther, Mrs. B. Helfers and teacher and accompanist.

NEW POSTMASTER EXAMINATION

At the request of the Postmaster General, the United States Civil Service Commission announces an open competitive examination, from which it is expected to fill a vacancy in the position of postmaster at Arlington Heights at a salary of \$2500. Applications must be filed with the Commission on or before July 9, 1935.

Arlington State Bank Dividend Next Saturday

Depositors of the Arlington Heights State Bank will receive dividend checks Saturday on a basis of five per cent of their claims. This is the second dividend to be paid to the creditors of this bank. The funds used were secured in the natural process of litigation.

Carl Behrens Prefers Real Estate to Autos

There are two Carl Behrens in Arlington Heights—a son and a dad. Since the publication of an item in this paper that "Carl Behrens is employed by Purnell & Wilson," Carl, Senior has had the opportunity to sell more autos than he has lots in his subdivision. Still dad prefers real estate to becoming an auto mechanic.

CHICAGO'S LID REPLACED

These officials flop around with the greatest of ease, just like the guy on the flying trapeze.

Chicago's "bookie" lid which was lifted a couple of weeks ago when the "word" went out from some authoritative source that "everything was all right, open up" was as suddenly clamped on again last Saturday noon when over the same grapevine came the word "Close up." Oh what a gay life those bookies have. With it being Saturday and pay day and with the American derby to be run at Washington Park and other fine feature races at every track in the country the boys were looking forward to a fine afternoon's business. At twelve o'clock noon, doors were wide open, "lookouts" were wearing their most charming smile of greeting and all that was lacking was a "welcome" sign on the door mats.

Then bingo, at twelve-thirty the doors were locked, lookouts and other employees were standing around with faces a mile long, as if they had lost their last friend.

When an inquiring reporter asked why all the sadness, the answer was "the word" just came to close up tight, the squads will be out this afternoon. To those who didn't close and call the raiding squads—axes and all. Oh it's a gay life for the bookies.

After one week of uninterrupted business with nary a cop in sight, bang out comes "the word" and the lid goes on again.

The reason? It seems somehow or other some officials found out that the lid was off. Police Commissioner Allman called the captains to a meeting and told them the lid was still on or should be. Then the captains must have hustled right out and put it on before the commissioner had a chance to get mad, because it was off and had been for a week.

The next day the self-styled World's Greatest Newspaper came out with stories of raids and a heading "City wide Opening Stopped at Start."

Only maybe the WGN didn't know that the "City wide opening" was a week old and nothing had been said about it or a whole week. The boys of WGN and the other big city dailies must have been just as sound asleep as the cops did that whole week or else maybe they knew the same as the cops did that the word had been sent out to open up and like the cops supposed everything was all right until somehow or other, somebody found out it was all wrong. And just to make it unanimous, Sheriff John Toman sent word to the county highway police from his hospital bed that the lid was still on in the county or should be, and the highway police rushed out to make sure that it was on and found to their amazement that it wasn't and it hadn't been for a week.

So that's that and an inquisitive citizen still might wonder what the funny business is all about and who gets what and who upset the apple cart. But anyhow the licensing bill sponsored by Mayor Kelly has passed both houses and becomes a law July 1, if the bill isn't vetoed by the Governor and everyone is wondering what the Governor is going to do about it—sign it, veto it or let it become a law without his signature. What the Governor is going to do he sayeth not.

Our guess is, "nothing."

TWO DIE BY ACCIDENT, SAYS JURY VERDICT

Cars Collide on Highway, Friday; Deputy Coroner Investigates

A coroner's jury returned a verdict of accidental death in the collision at Arlington Heights of a Ford V-8 with a local taxicab last Friday morning, which resulted in the deaths of Rudolph Mans, 67 years old, and his daughter, Louise Ida, 43 years old, both of McKeesport, Pa. Continued from Saturday in order to allow the patients time to recover, an inquest was held in the Village Hall Wednesday morning.

The accident occurred at the intersection of the Northwest Highway and Mayfair Road about 7:30 a. m., Friday, June 21. The Mans family were on their way to Wisconsin for a vacation, and struck the taxicab driven by Alfred Haemker as it was turning into Stonegate. Rudolph Mans and his daughter were taken to the Mt. Prospect hospital and died there. The driver, Walter Mans, son of the dead man, his wife, Helen, and their son, Walter, Jr., were taken to the Palatine hospital.

Deputy coroner Edelstein took charge of the investigation at the inquest. The local men picked for the jury were Levi Heap, chairman, Anthony Callahan, William E. Meier, Art Burke, Herbert Helfers, and Walter Kroeber.

As first witness to testify Wednesday morning, W. Niebuhr claimed that he judged the Ford V-8 to be approaching the intersection at a rate of about 70 miles an hour. Niebuhr was driving east on the Northwest Highway at the time of the accident, following the cab by about 500 feet. Harvey Kapphahn, who was waiting to drive out of a gas station at the scene of the accident, contended that he observed the Ford to be driving between 45 and 50 miles an hour.

Starting out from Des Plaines where they had roomed over night, the Mans family were expecting to stop in Arlington Heights for breakfast. Suddenly the cab appeared in front of him. He applied the brakes but to no avail, says Mr. Mans. Alfred Haemker testified that he had seen the Ford at a distance of a block and a half, had sounded his horn to warn a cab driving out of the gasoline station, had made the turn, when he was struck by the fast coming automobile off the Northwest Highway.

At the impact of the cars, the cab was turned over on its side, and the Ford was turned completely around. Mr. and Mrs. Mans and Walter, Jr., were thrown clear of the car. The disappearance of \$35 from the pocket book of Helen Mans after the accident was left unexplained.

Aged Resident of Arlington Heights Dies

Mr. Lorenz Traub was born in Heights, passed away Sunday afternoon, June 23, 1935, at the home of his daughter, Mrs. Ella Boeger, at the age of 80 years and 9 days. Funeral services were held Wednesday afternoon, June 26, at 2:30 p. m. at the home of his daughter at 215 N. Dunton street, with Rev. Kossack officiating. Interment was in the Arlington Heights cemetery.

Mr. Lorenz Traub was born June 14, 1855 in Ann Arbor, Mich. He was married to Miss Sophie Haag, May 26, 1876 at Detroit, Mich., where they made their home the following seven years. After residing in Chicago for about 1½ years, they came to Arlington Heights, Ill., where he has made his home for the past 49 years.

He leaves to mourn his departure five living children, Miss Florence Traub of Arlington Heights, Mr. Fred Traub of Chicago; Mr. Charles Traub of Des Plaines; Mr. Bert Traub of Pittsburgh, Pa.; Mrs. Ella Boeger of Arlington Heights; 3 daughters-in-law, 8 grandchildren, 2 brothers, Mr. William Traub of Chicago, Mr. Martin Traub of Manchester, Mich., and 2 sisters-in-law.

Mr. Traub was a member of the Arlington Heights Order of Masons A. F. & A. M., and a life member of the Modern Woodmen.

- EYES
- EARS
- NOSE
- THROAT
- HEART
- LUNGS
- LIVER
- STOMACH
- SPLEEN
- PANCREAS
- BLADDER
- RECTUM
- SMALL BOWEL
- GENITAL ORGANS
- THIGHS AND LEGS

Chiropractic Adjustments
 Will Remove the Cause of DISEASE

Free Chiropractic Spinal examinations will be given every Thursday from 9 a. m. to 9 p. m. during July and August, to all children under the age of 16 years, brought to this office by their parents.

Learn about the importance of the spinal column for normal growth and health; and also the cause and sad results of spinal curvatures, which have their beginnings, as a rule, in childhood, and can and should be corrected in early age by chiropractic spinal adjustments.

Examinations and instructions will be illustrated with the aid of X-ray pictures of the spinal column.

A friendly service awaits you. No obligations whatever.

South Side Breezes

Mr. and Mrs. Louis Pederson are enjoying a vacation at their summer home in northern Wisconsin.

Alfred Pederson, a recent graduate of Northwestern University, has signed a contract with the Toledo baseball team of the American Association league. No doubt we will be hearing more about this young man.

Dr. and Mrs. George A. Youal of Huron, South Dakota, are spending the week with their daughter, Mrs. Donald Costain. Their daughter, Miss Dorothy Youal, who came with them, went on to Niagara Falls for a few days.

Sunday Mrs. Ackerman and son of Chicago, visited her daughter, Mrs. John B. Nelson in Scarsdale. Mr. and Mrs. Corridan of Logansport, an aunt and uncle of Mrs. Nelson, were also visitors.

The picnic season is with us. Although nearly everyone feels he is taking a chance with the weather, still the groups do gather. The Scarsdale people picnicked Sunday at Lake Delavan.

Newcomers in Scarsdale are Mr. and Mrs. Palmer Gilbertson of Chicago.

When Mrs. John B. Nelson attended her club in Chicago last Tuesday evening, she found she was the honor guest, or, perhaps we should say, the honored one was her baby, for the little one was presented with dainty gifts. The evening was of double importance for Mrs. Nelson's sister, Gertrude Ackerman's approaching marriage was announced during the evening.

Mrs. Emmett McKaig was godmother at the christening of baby Duane Edward Thompson, Sunday. The parents are Mr. and Mrs. Elroy Thompson.

The Des Plaines club met at the home of Mrs. Wm. Koppin last Friday.

Miss Dorothy Mills, a student at Northwestern, is spending her vacation by helping two days a week at Hull House.

Mr. and Mrs. J. B. Harkin, who have been in Toronto, Canada for several months, are now with their daughter, Mrs. W. G. Franke, for a short time.

Mrs. Roy Lawbaugh and daughter, Laurel, returned Sunday from Sheffield, Iowa, where they have been visiting for the past three weeks.

The George Palmer family and Mrs. Palmer's brother, Vernon Hammond and family, all spent the week-end in Harvard with other relatives making it a sort of family reunion.

Miss Marguerite M. Zimmer, a graduate of the Arlington Heights township high school class of 1931, has enrolled at the University of Chicago for the summer term.

Malzahn & Goedke do sewerage, plumbing, heating, and sheet metal work; phone 478-479.—Adv.

So Big the Ocean?
 The Atlantic is 41,000,000 square miles, yet only 5,000 miles across at its greatest width. The narrowest part, between Brazil and Africa, is 1,600 miles across.

Burning Cigarette Lights Bed Clothes While Man Sleeps

Dozing off while smoking a cigarette put Reinhard Nichols of 411 Haddon avenue of Arlington Heights in a serious plight early Monday morning. The bed clothing caught fire and the fumes nearly suffocated the sleeper. A neighbor fortunately saw the smoke, called the fire department, and rescued the man. Resuscitation by a local doctor was enough to revive the victim.

MERLE GUILD POST No. 208 AMERICAN LEGION

Naturally the big thing that is before our minds now is our Midsummer festival to be run from July 2 to July 6 inclusive. Phil Engkeling, Les Griffith, Vic Peechia and a lot of others have given a lot of time, thought and work to this and we will be very much disappointed if you don't come out, to try your luck at our games and also to help us in the booths.

Due to the fact that our festival is running on Friday, July 5, the Junior Legion meeting scheduled for that night will be held over till the following Friday night. If your son hasn't joined as yet, come out with him on Friday, July 12, both you and your son will have a good time.

Here is some good news, our Post Historian, George E. Jorgensen has advised the writer that he has the history of the post written to date for the year and in our meeting of July 9, will read it off. George is a hard worker and we are pleased to know that this year our history is being kept up and in such good shape that George is able to report on it.

For the summer months Vic has planned on short meetings, after which our ping pong, pinocle, bridge tournaments will be run. Thanks to the public spiritedness of our members we are able to offer splendid prizes.

Don't forget the date of the District picnic, Sunday, July 21—look at your copy of the Nipper—there is quite a bit about this picnic in it.

Our next meeting will be July 9—a preliminary report of the Festival will be read off—with your support and co-operation this should be a banner festival.

NINTH DISTRICT AMERICAN LEGION AUXILIARY

The Ninth District held their regular meeting on June 21, at the River Grove public school. River Grove unit was the hostess. Ninth District has a membership of 1716.

Mrs. Helen Klock reported that there would be a dance held at the North Chicago hospital Thursday, June 27, at 7:30 p. m. This is being sponsored by the Cook County Council. Every auxiliary in Ninth district contributed cookies.

Mrs. Detwiler thanked the auxiliaries for their response to the past presidents parley card party. A good sum of money was turned over to the district, to be used for the flag fund. Albany Park Juniors donated \$5.00 toward the flag fund.

Mrs. Hoffman read the history of the work of the year done by Ninth District. It was a very splendid history and we are proud to have her as our historian.

Mrs. Koch of River Grove unit and Fidac chairman, gave her report and then took charge of the program. The Juniors of River Grove sang several selections, after which she introduced the speaker.

CHURCHES

THE LUTHERAN CHURCH

Northwest Highway at Highland Avenue.
 Pastors
 C. M. Noack, 115 W. St. James St., Tel. 108-W; H. C. Fricke, 304 Douglas avenue, Tel. 278-W.

Services
 Sunday school, 9:30 a. m.
 German service, 9:30 a. m.
 English confession, 10:40 a. m.
 English communion, 11:00 a. m.

Pastors
 C. M. Noack, 115 W. St. James St., tel. 108-W.
 H. C. Fricke, 304 Douglas Ave., tel. 278-W.

When ill or in trouble call our pastors. They are at your service.

Notes
 Prof. Paul Bretcher of the River Forest Lutheran Normal College will preach at both services Sunday morning. The services have been set aside in recognition of the Christian Day school. A chorus of school pupils will sing an appropriate anthem. All friends of Christian education are invited to attend.

After the services the worshippers will have an opportunity to view an interesting and instructive exhibit of work done by the pupils in various school subjects. The exhibit will be staged in the school auditorium.

Holy Communion will be celebrated in English Sunday with confession at 10:40 and the communion service at 11 a. m. Registration at the home of Pastor Fricke Friday afternoon and evening.

PRESBYTERIAN CHURCH

Sunday school, 9:45 a. m.
 Morning worship, 11 a. m.
 Holy Communion will be celebrated Sunday morning at 11 o'clock.

A meeting of the church and congregation will be held at the church Monday evening at 8 o'clock.

Mrs. Nan Cochran, Fidac chairman of Cook county council. She gave a very interesting talk on Fidac. She said that there were eight million men members and one million women members. There are 51 organizations, all over the world, but only one in America, and that is the American Legion. The object of Fidac is to maintain and foster the cause of peace.

Mrs. Bernhard then introduced Mr. Hill, ways and means chairman of Ninth District Legion. He spoke on the American Legion picnic, which is to be in July.

The Glee club will meet the second and fourth Wednesdays of every month at the Wilson Park Field House.

The Juniors held their model meeting on June 19, at the Wilson Park Field House, with 115 Juniors present.

Delicious refreshments were served by River Grove unit.

ST. JOHN'S EV. CHURCH

M. L. Straube, Pastor
 Hours of Worship
 Sunday school, 9:30.
 Church, 10:30.

Notes
 A congregational meeting will be held after the service June 30. The choir and league are presenting the two-act musical comedy, "The Gypsy Troubadour" in the church basement on Thursday and Friday evenings, June 27 and 28.

Ladies' Aid meeting July 5.
 Junior Choir rehearsal, July 5.
 Senior league meeting July 5.

FIRST M. E. CHURCH

Bible school assemblies at 10 a. m. Mr. Marvin Prellberg, supt. The postponed meeting of the school board will meet next Monday evening at the home of Mrs. Mabel Reinshagen in Stonegate at 8 o'clock.

Morning service at 11 a. m. Sermon theme: "Wonders in Waste." The regular meeting of the official Board will be held on Friday evening of this week in the parlors at 8 o'clock. The last quarterly conference of the year will be held July 17 at 8 o'clock.

ST. JAMES CATHOLIC CHURCH

Rev. John T. Wagener, Pastor
 North State Road

The Mass at Palatine is at 9 o'clock every Sunday.

Week day masses, 8 a. m. Confessions, afternoons 4 to 5:30, and evenings 7:30 to 9:00 on Saturdays and days preceding Holy Days.

CHRISTIAN SCIENCE SOCIETY

Dunton Ave. at Fremont
 Sunday school, 9:30 a. m.
 Sunday service, 11 a. m.
 Wednesday evening meeting 8:00 p. m.
 Reading room open Wednesdays 2 to 4 p. m.

CHRISTIAN SCIENCE CHURCHES

"Is the Universe, Including Man, Evolved by Atomic Forces?" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, June 23.

The Golden Text was, "Thou art worthy, O Lord, to receive glory and honour and power: for thou hast created all things, and for thy pleasure they are and were created" (Revelation 4:11).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "O Lord, how manifold are thy works! in wisdom hast thou made them all: the earth is full of thy riches. Thou sendest forth thy spirit, they are created: and thou renewest the face of the earth" (Psalms 104:24, 30).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "All things are created spiritually. Mind, not matter, is the creator. Love, the divine Principle, is the Father and Mother of the universe, including man" (p. 256).

Red Wings Defeat Sammy Hale Boosters

With but five scattered hits against him, Geo. Schaefer, pitching for the Red Wings, had things all his own way and another victory added to his list last Sunday afternoon when the Red Wings defeated the Sammy Hales Travelers by the score of 14 to 4. Schaefer was also credited with ten strikeouts.

The Red Wings getting the early jump on the visitors scored one run in the first inning and six more in the third and again pounded in seven more in the sixth. Sammy's gang were unable to put any runs across until the seventh when they scored two runs after two outs and then came back with two more in the ninth.

The Sammy Hales Travelers are rated one of the fastest traveling league teams of Chicago, but with Schaefer's arm in top form and the Red Wings clubs pounding the old apple around for twelve hits spelled defeat for Sammy's gang.

Final score, Red Wings 14, Sammy Hales Travelers 4. Winning pitcher, Schaefer; losing pitcher Eagan. Hits off Schaefer 4, off Eagan 12. Struck out by Schaefer 10, by Eagan 6.

The Rye House Plot

The Rye-house plot was a conspiracy in 1682-83 among the leading Whigs to raise the English nation in arms to assassinate King Charles II of England on his return from Newmarket at a house called the Rye House farm. It was frustrated. For alleged complicity in it Lord William Russell and Algernon Sidney were executed.

IN MEMORIAM

Katherine Grandt — In loving memory of our dear wife and mother who passed away two years ago, July 1.

A precious one from us has gone, A voice we loved is stilled, A place is vacant in our home Which never can be filled.

Best Books For Vacation Reading

At the suggestion of the P. T. A., Mary Baxter, librarian of the Arlington Heights library has prepared a list of the best books for vacation reading. The list has been classified as to the grades attended by the children. In the interest of good literature and "safe" reading for the young people, the Herald is publishing the lists below.

"These lists will enable interested parents to check the class of books that their children are reading. It is suggested that parents advise their children so that they may get a variety of reading."

- 1st, 2nd, 3rd Grades**
- Golden Goose Book—Brook, L. L.
Story of Live Dolls—Gates, J. S.
Clayley and His Puppy Bingo—Helen.
Penguin—Horne, R. H.
Folk and Wild Folk—Deming, E. W.
Painted Pig—Morrow, E.
Farmer in the Dell—Hader, Bertha E.
Iron Horse—Nathan, A. G.
Hey Diddle Diddle Picture Book—Cladco.
Ping—Flack and Wiese.
Polly Patch Work—Field, Rachel.
Rumpty Duggets Tower—Hawthorne, Julian.
Holiday Meadow—Patch, Edith M.
Windmills and Wooden Shoes—Grant, Maud, M.
Bad Little Rabbit—Bingham, Madget.
Six Little Ducklings—Pyle, Katherine.
Cheerful Cats—Francis, J. G.
Pedlars Ware—Baker, Margaret.
Cock Mouse and Little Red Hen—Leverre.
Among the Farmyard People—Pierson, C. D.
Bojaji Tree—Rickert, Edith.
Lonesome Doll—Brown, Farwell.
Johnny Crow's Garden—Brooks, Leslie L.
Little Dog Toby—Field, Rachel.
Fat of the Cat and Other Stories—Untermeyer.
Paddle Wings—Bromson, N. S.
Big Beasts and Little Beasts—Helle, A.
Golden Goat—Hill & Maxwell.
Princess Comes to Our Town—Flyeman, R.
Prince and Rover of Cloverfield Farm—Orton.
Poppy Seed Cakes—Clark, Margery.
Clean Peter—Adelborg.
Angus and the Ducks—Flack.
Millions of Cats—Gag.
Short Stories of Short People—Aspinwall.
Little Wooden Doll—Bianco.
Sandman and His Farm Stories—Hopkins.
About Harriet—Hunt.
Childs Garden of Verses—Stevenson.
When Molly Was Six—White.
- 4th, 5th, 6th Grades**

PONTIAC CARS

STAND FOR ACCURACY

"Accuracy, precision. These are by-words of the automobile engineer," says B. H. Anibal, vice president in charge of engineering of the Pontiac Motor Co.

"If it were not for such a high degree of accuracy, motor cars would not stand up or continue to give the service they do at high rates of speed over thousands and thousands of miles.

"As an example, there are many parts of a Pontiac car that are manufactured to limits that hold within one thousandth of an inch. In the case of wrist pins which fasten the connecting rods to the pistons, there is more pounding than in almost any other part of an engine. Here Pontiac insists on accuracy not to exceed one ten-thousandths of an inch.

"Gauges and inspection instruments in the wrist pin department that measure every one of the 6,000 to 6,300 pins that are built daily, are calibrated to a twenty-millionth of an inch of accuracy. These gauges and instruments are set from master wrist pins that are checked and re-checked in Pontiac's tool and inspection department by a special instrument known as a Zeiss optometer. The Zeiss optometer records measurements accurately to a twenty-millionth of an inch, that is, it will divide an inch into 50 thousand parts.

"The most highly specialized machinery is required to make an article even so small as a wrist pin so that there is no variance of more than a ten-thousandths of an inch. These manufacturing operations are performed on rotary grinding and lapping machines which incorporate a series of rotating rollers of abrasive material

that vary in fineness according to the operation.

"The finish lapping rollers, which consist of a series of wheels held closely together, are the finest of all. In the final lapping operation only one-half of one ten-thousandth of an inch is removed from the pins as they pass along between the revolving rollers. That amount is equal to one tenth of the thickness of a human hair.

"Ten-thousandths and twenty-millionths of an inch are almost infinitesimal figures, but a high degree of accuracy such as that makes certain the satisfactory performance of the finishing Pontiac engine."

ANOTHER HONOR STUDENT

Mr. and Mrs. William Mueller's son, Robert, has completed another year's work at Kenyon college, Ohio.

Through his scholarships and outside activities, Robert has been able to carry on his college course. He has been an honor student for three years, and recently was elected junior member of the senior honorary society. He has been appointed editor of the college newspaper and as president of his fraternity, will represent his group at the Beta Theta Pi convention at Quebec in August.

Turn a switch upstairs...

and light your basement **WATER HEATER**

Simple, convenient control permits either manual or automatic operation.

- An Electro-Gas Control, connected to your present water heater, can be installed in kitchen, bath, or both. It enables you to light your water heater quickly and conveniently, by merely snapping a switch. It ends tedious climbing up and down stairs. The switch can be regulated to turn off your heater in a few minutes or to light it at any certain time. It eliminates the danger of forgetfulness because it automatically shuts off the heater when water reaches the desired temperature.

OBSERVER'S NOTES

There may be some folks in our town who scorn to read notes here set down; Who think they're wondrous wise, Though often faulty these notes be, They hold life's true philosophy; That none can criticize, They may prefer headlines that shout, Of crime and unclean things about; That haunt our lives with fear and dread, And snuff hopes taper out, God help us here with head and heart, Life's highest ideals to impart; And helpful truths to spread.

It may be an evidence of weakness when one can work better and more joyfully when a word of commendation is given them. It encourages one to reach to higher, nobler expression. O yes, it may be an evidence of weakness when I own up to such weakness.

"The love of praise, however concealed by art, Rules more or less and dwells in every heart." The orator is stirred to higher and nobler effort by rounds of ringing applause. The bird trill his notes more clear when conscious of a listening ear. Appreciation incites to higher effort.

The calendar tells us summer begins today (June 21), however we seem to have been forged ahead into summer last week, and calendars like humans, make mistakes. No summer times advent was ever greeted with greater masses of flowers and tree foliage, lilacs, iris, peonies and now the roses—a marvel of beauty and bloom.

Most like there is also an unusual proportion of June brides, parents and the parties most concerned will have to keep account of all that. Not that I am indifferent, but helpless to let or hinder, can but feel sorry even at that to see children of immature minds taking on themselves the joys of marriage. Parents are responsible.

Poor children! Glad are we to know there are wise parents who do not deprive their children of the joy of their young lives, yet have the wisdom to select their associates and in a measure sponsor their parties and happy entertainments. Parents of the Juniors and of the Woman's club are of this number.

Do you recall what Dowie said? That "So many people enjoy poor health." Isn't it true and they will speak in an awed tone of "running temperature" and high blood pressure, and all manner of mysterious professional phrases. Too bad, isn't it, when really all they need is to forget about their symptoms?

There is sickness enough and suffering enough caused by painful ailments. This we know, yet we also know many too often feel their pulse, note their temperature or study symptoms. What they need more than anything else is to forget about it.

We have in our town a brave young woman who rather than think on her so-called "incurable" ailments to overcome her helpless condition by an unprecedented will power rightly used she is far on the way to regaining the use of her body.

You all know Mrs. Ella Traub Boeger, who, like the woman we read of in the Bible, "Suffered many things at the hands of many physicians and by force of will and good common sense has in an amazingly way regained her use of once helpless limbs. She is a brave, cheerful example to those who are too easy to give up their part in using will power and courage. There is one thing to me seems sure, 'Tis not best to note your temperature; Blood pressure too, don't measure it. What you don't know hurts not a bit.

There's housemaids knee and bangs disease, And hardening of the arteries; Infection, tumors, many a score Ailments with foreign names galore. You can't see your pulse, look at your tongue, And hear your tolling death bell rung; You study symptoms, sigh with dread, Of fates that hang over your head. Cheer up, though deaf and losing sight, Your inward lives in the light; Still trust in God, on eagles wings, Mount the heights where joy bells ring.

Weakness of body cannot dim That one who puts his trust in Him; In His strength you shall mount and run, 'Till the race ends and victory's won.

Our lesson this morning in the Christian Herald held such a pretty illustration I want to place it here. The writer was at a southern resort fishing, when a little girl of ten years whose name was, as she told him, Helen. Her manner and actions were so perfect, as he drew her out he said he pictured just what sort of parents she had. Soon they came in a car for their little daughter, and they proved to be just the gentle, courteous people he had pictured them to be.

illustration, that those who profess to be God's children, may be known by their Christ-like conduct. To me it seemed so true, how often do we know parents by the conduct of their children? No matter what parents claim to be.

So Mrs. Joseph Horcher arrived at ne. 30th milestone June 24. 90 years young and those who see her often tell me she certainly lives up to the "young" part of it. With her husband Mr. Joseph Horcher, who was an adept at his trade as harness maker and a lover of nature. They did much for the town. Their daughter, Miss Kunie Horcher, was one of the best loved and most efficient of our public school teachers.

Most of our citizens were in her grade in their early years. Mrs. Horcher has with her in her home her son, Joseph Horcher, his wife and children. A happy family of useful citizens. Since the passing of her daughter, Mrs. Horcher has not given way to her many losses, but has taken her added years cheerfully and helpfully. May she live many more just such busy, cheerful years and show complainants how to grow old cheerfully.

Too many of us get an old age complex when really young in years. In this we make ourselves miserable and life unhappy for all who are doomed to be within our circle of influence. Cheer up! Life begins at 70.

We worry over foreign things, Of war, Lords, Emperors and Kings; In a world upside down mix, In our own land dictators fret, Us with befuddled alphabet; And fool code dazzled trick, We worry over men at ease, On our tax paid, bill salaries; That put us in a fix. While here at home nobody sees If school and council quite agrees; Or if they manage as they please, Now "Ain't it so?"

A recent accident that might have resulted in tragedy, was caused by, A maybe excuse it by lack of a bright mind, rather say by a brain muddled by the baleful cigarette or that poisonous drink men swallow to take their brains away. Are we a thinking, intelligent people when we shut our eyes to these things?

Don't blame it to politicians; don't blame it to churches, press or clergy, it is you and I who are to blame. Do we know what our children, our undeveloped youth is imbibing? Do we blush for shame over tales of press and radio? "Wake up America!"

Such a world of beauty and fragrance spread for us who live in Arlington Heights. We hear that the Charles Klehm's peonies have been magnificent and in masses, and also that Mrs. Redeker and Miss Eleanor have had a splendid and wonderful display. In addition to the marvelous beauty of these flowers and their blossom time furnishes employment to those glad to work.

While we read and hear of storms, floods and destruction in other parts of our country, our hearts are sad for those whose homes are destroyed, who are homeless and in distress. We are full of thanks to the God of all who has protected us from storm and flood, and led us through pleasant places, where we would join all nature looking up to nature's God in Thanksgiving "singing it with flowers" for never have we been so overwhelmed with such masses of blossom beauty and fragrance.

First came Iris and Lilacs, then the peonies, all too wonderful to bear description and now the roses. The dark velvet red shastas deepening to the center, great drifts of golden yellow, the pure white June beauty and the golden yellow mining gold coins all over the place, the deep pink hundred leaved rose and the pretty thorn protected moss rose, too pretty to describe and the old favorite blush. True, both in name and beauty, all our friends have "said it with flowers," Who can assimilate such masses of beauty?

Once we stood on the bank of the Kankakee river in the month of June with us a group of sisters from the Sacred Heart Convent at Joliet, out for their one week of retreat. Sister Clemtine spread her arms in a sweeping gesture toward the woodland and clear flowing river with the blue sky and far horizon as she exclaimed if God has made Heaven more beautiful than this, His world, how can we be able to appreciate it?

Or that scene and of Sister Clemtine's enthusiastic appreciation I often think. She was returning to the mother house at Toronto with no more outings and retreats. Do we, as the Master lived while here "go about doing good" how

shall we live our gratitude and appreciation for all this world of beauty about us? Is it to do good to all humanity, however not always as we wish humanity to be not good in a passive way, but to do good. Oh, the roses not their form, color or size, but real heart of the rose radiates in fragrance.

What is it charms us in the rose, Is it the form, do you suppose, Or name by which we list it?

What is it makes its beauty glow That does enthrall and charm us so We never can resist it?

Whether its bloom be pink or white, Or shades of red in dark or light, Who would have missed it?

What is it makes a friend seem fair, Is it her color or her hair, Or way she bobs or twists it?

Is it the color on her cheeks, The gentle tone in which she speaks That prove appealing?

Or the expression of her eyes, The merry twinkle or the wise Glance kindly thoughts revealing?

Is it her grace, her buoyant swing, Her acts of love, her songs that ring, That most impress you?

Her voice, her touch, her gentle word, Her eyes, that so your soul have stirred, Or her own self that blest you?

Now, truly, what do you suppose Gives beauty to a friend or rose, That wins so free and surely?

Is it the spirit that ascends From the rose heart and from the friends That holds us so securely? The outward form does not

express The spirits inner loveliness; In either friend or flower. The Spirit breathing on the air That blesses mortals everywhere, Is their true power. Elinor Crisler Haynes.

Local Schools Snare Books with Others In Red Cross Project

The Junior Red Cross of the Chicago Chapter has instituted a book project in its school auxiliaries which is attracting much attention over the three counties of the Chapter territory. The schools have been asked to set aside a "Share-A-Book-Shelf" where all year round books may be assembled to be passed along to someone else. Arlington Heights schools have contributed toward these initial shipments. Some of these books will be used locally but most of them will be sent away to schools in remote and isolated parts of the country. At the present time several

thousand books which have been collected during the past two months are being shipped from the Chapter Office to the County Superintendent of Schools in remote Montana and New Mexico counties so that school may open in the fall with the friendly greetings of Chicago Juniors. From time to time during the school year, additional lots will be sent to these same schools and new ones added to the list.

Fin de Siecle French
Fin de siecle is a French phrase and is defined: "Literally, end of the century; up to date; an expression used during the closing years of the Nineteenth century for that which was most progressive, novel in fashion, or advanced in ideas." The phrase is pronounced fan da sye'ki—first a as in fat, n as in French word bon, second a as in final, e as in prey.—Literary Digest.

ARLINGTON HEIGHTS

What is the news? Here sure enough, There's precious little real news stuff; Firemen were early called one day. A good old neighbor passed away; Races now stage their yearly boom. And strangers seek in homes a room. Fools and their money are soon parted, Teach this truth to the simple-hearted; "Grass Roots" convene this week, we know, Our garden proves how grass roots grow; Read your home paper, line and letter, And next week help us make it better.

Great growing weather, especially for roots. The weatherman said out of the first 25 days of June, but ten in which rain didn't fall.

Thursday next week, July 4, we trust to our mayor and village officials to see to it that it is observed in a safe and sane manner.

Mr. Lawrence Traub, one of our older citizens of this town, passed away from earth last Sunday, June 23, in his home in this place. The obituary will be found in another column.

Mr. and Mrs. H. C. Cleveland had their son's family, Prof. and Mrs. Wm. Cleveland and two sons from Indiana, two days last week. They were going farther north for their summer vacation.

Mrs. H. Ashton and son, John, of Stonegate, are enjoying a vacation visit with her father and other relatives and friends at Columbus, Ohio.

Dr. H. A. Kossack went to Wilton, Iowa, for the Sunday celebration of the seventy-fifth anniversary of the church in that place, which he was formerly the minister, leaving there for the Presbyterian church in Arlington Heights, nine years ago. Mrs. Kossack is spending a few days with her mother.

Mrs. G. H. Allison, with her

daughter and son-in-law, Mr. and Mrs. Doberton and Jack, came out Sunday to join in the family celebration of the birthday of Mr. L. G. Helm in the home of his son, Howard Helm. It was not a gay party such as our youngsters stage, just a quiet family gathering to assure Mr. Helm he grew younger each year and since life begins at forty they knew he had past forty, so is just beginning a new route. Mrs. Horcher past her 90th the same date and grows up to the past 40 theory. We join in wishing Mr. Helm just as many more birthdays as he wishes to see.

Mr. Nichols Mayer is at home again from the hospital. He hopes to be able soon to return to his work in Chicago.

M. and Mrs. Harry D. Moore came home Wednesday from a trip to Springfield, where they went with Mr. Moore's sisters from Chicago, to attend the funeral of their aunt, Mrs. Ryan. Mr. and Mrs. H. D. Moore are still in the home of her parents, Mr. and Mrs. Joseph Horcher, where they arrived in time to help celebrate the 90th birthday of her grandmother, Mrs. Joseph Horcher, Sunday.

Miss Ellen Wilkie is enjoying a two weeks vacation from her employment in Marshall Fields retail store. She will spend her vacation in her parent's home on West Campbell street and in visiting relatives and friends.

Vera Volkman reached her 12th birthday Wednesday, June 19. Her mother invited her playmates to help Vera have a jolly good time in her home on South State road. All the games and choice things to eat little folks enjoy her thoughtful mother had provided. It was in fact a delightful party and Vera's friends wished her many happy returns.

Mrs. Kossack and daughter, Miss Alice, came home Tuesday this week after spending a few days with her mother in her home at German Valley.

Invitations are out for the marriage Sunday, June 30, of Mr. George Prasinos, who will be joined in the bonds of wedlock with Miss Astasia P. Baker of Detroit. The ceremony will be solemnized in the Orthodox Greek church in Chicago. The reception will be held in the home of Mr. Prasinos, the scene of so many big events and noted entertainments. A large company are on the place this week and great preparations are going forward. One unforgettable event was when Mr. Prasinos, as chairman of the Democratic party of Cook county, staged an entertainment for 2,000 guests at which Mayor Kelly was an honored guest. We hope the day, last of June, may be perfect.

Mrs. Conklin is now closing out the interests of her sister, Mrs. Otto Herman, preparing to go to her own home and children in Ohio. She did all possible to help her sister, while she lived, now her own duty calls to her own.

Your nice summer clothes will do for folks going south, disposed of them at the autumn rummage sale by the Woman's club in the fall.

Mrs. Flodine and Mrs. Hickey gave an afternoon luncheon to one or two ladies here to meet a friend from Chicago the 24th.

Are we patriotic when we break the home town law by firing explosives, even a week in advance of the Fourth? Remember "Liberty does not mean license."

The Presbyterian aid will give lunches every Wednesday in July from 11:30 a. m. to 1:30 p. m. in the dining room of the parish house beginning July 3. Price 35 cents.

A friend here received a card from Miss Lucile Paddock this week telling of her much enjoyed visits to the Corcoran Art Gallery in Washington while visiting her sister, Mrs. Roy Nichols.

Mrs. E. H. Savage entertained a few ladies in a bridge party in her home on East Euclid one afternoon last week.

Mr. and Mrs. Joseph Melzer of Des Plaines were Sunday guests of their son, Mr. and Mrs. Joseph Melzer, Jr. They were en route for a visit with their children and relatives in Iowa.

Charles Hewitt from California, was in the Heights calling on some of his old friends over two weeks ago. Mrs. Hewitt came with him to Chicago, but did not come out here as their time was limited.

Mr. and Mrs. Hamberg and children from Chicago, are staying in the home of Mr. and Mrs. Arthur Schmitz and family, while they are in the east visiting their daughter.

Mr. and Mrs. John Grose attend-

ed the wedding of Miss Eleanor Schulz, to Mr. Ernest Sauer of Northwestern University last Tuesday evening, June 18. The wedding ceremony took place at the Sovereign hotel in Chicago. It will be remembered that Miss Schulz was one of Mrs. Grose bridesmaids.

Mr. and Mrs. Robert Palmer have gone to New York for a three weeks motor trip and vacation visit with relatives and friends. They left home here Thursday last week.

Mr. and Mrs. W. H. Freise of West Campbell street drove up to Logansville, Wis. They visited her sister, Weineke, who was formerly known here as Huldah Schulenburg. Mrs. Arthur McElhose accompanied them as far as the home of her parents, Rev. and Mrs. H. Reimer, also her brothers and sisters. Had the joy of picking strawberries nearly as big as hens eggs (maybe hen robins), that are plentiful crop, but no cherries nor apples. The group arrived home Tuesday after a happy trip.

Mrs. William Schlomann entertains the Social Five Hundred club in her home Thursday this week, where a social afternoon is anticipated by this genial group.

Mr. and Mrs. Wm. Niemeyer have rented their apartment in the Hendrick building for the Park season and will stay with the Joseph Horcher family during the season.

Mrs. Beulah Burkitt and little daughter, are now at home after spending a week at Mason City, Iowa, where they were visiting Mrs. Edson Perry.

Mr. and Mrs. William Wilke motored about fourteen hundred miles through five states, enjoyed splendid weather and fine roads all the way. Wheat fields with a wonderful promise of a good harvest, as they went farther south an abundant crop of peaches, yet in southern Illinois not a prospect of abundant yield. The wild flowers were a riotous spread of beauty and variety in Kentucky, though they were a bit disappointed in Louisville. Altogether their vacation trip was a delightful one.

The Aid Society of the Presbyterian church plan to serve lunches Wednesdays from 11:30 to 1:30 during the month of July in the church dining hall, price 35 cents. (35 cents per luncheon.)

We are glad to hear that Mrs. C. L. Kern is steadily recuperating at her home, 122 S. Highland avenue. Much credit is due Dr. C. Starck of Palatine, who, by his watchful care, brought her through her severe illness.

Don't forget the Woman's club rummage sale to be held this fall. Put in for it some piece of bric-a-brac you are tired of and see how quickly some one who envied your possession will grab it at a price.

Mr. and Mrs. J. H. Bruhnke drove up into Michigan and last week visited her father. They enjoyed a most delightful time. The scenery and the plenty of fruit and growing harvests, everything that goes to provide a plentiful outlook for farm, orchard and home. All refreshing and restful to Mr. and Mrs. Bruhnke.

Mrs. Olive Allison and Mr. and Mrs. Doberton and their son, Jack, were dinner guests of Mr. Howard Helm's family Wednesday. From here they drove over to Elgin to visit Mrs. Allison's daughter-in-

grandson, Lawrence Allison. Mr. Doberton and his son are returning to their Michigan home, while Mrs. Doberton will spend some time with her mother in her summer home.

Mr. and Mrs. Hy. Busse had as their recent dinner guests, Mr. and Mrs. Andrew Dougall, Chicago.

Mr. and Mrs. Henry Busse entertained her parents, Mr. and Mrs. John Vales, Fox River Grove, and her sister, Mrs. Jos. Jelek and children, Janice and Richard, Norwood Park, Monday and Tuesday of this week.

There was nearly as much excitement at the fire drill Tuesday night

near the high school as at a regular fire. The handling of a fire nozzle with a hundred pounds or more pressure behind it, is no easy task and one of the old time firemen is being kidded for the "knock out" blow that he received which sent him across the field with his nose to the ground.

MRS. MULSO DIES ON LAST WEDNESDAY

Wife of Chief of Police
Passes Away Following
Long Illness

Mrs. Bertha Mulso, wife of Chief of Police William Mulso, and daughter of Mr. William Niebuhr of Chicago, Illinois, passed away at her home at 306 S. Emmerson street at 5:40 o'clock last Wednesday evening following a long illness. She would have been fifty-two years old on July 3. About three years ago she submitted to a serious operation to halt the ravages of the disease which held her in thrall. For a while it was thought that she was gaining strength, but she began to decline, and soon was fighting bravely and cheerfully a losing fight.

Mrs. Mulso was born in Chicago, Illinois, on July 3, 1883, where she was baptized. She was confirmed by the Rev. Porich in the Lutheran church at St. James, Minnesota. On Mar. 5, 1900 she was united in marriage to William Mulso at St. James, by the Rev. Pankow, and for the following twenty years she and Mr. Mulso made their home in and around St. James.

They came to Illinois in 1920 and lived in Northfield for three years. For the past twelve and a half years they have lived in Mount Prospect, where they have made many friends.

She leaves to mourn her departure her loving husband, Mr. William Mulso and four living children, one child having died as an infant. Her four children are Mrs. Clara Metz, Mr. Walter Mulso, Mr. Arnold Mulso, and Miss Leona Mulso, all of Mt. Prospect. Other close relatives are a daughter-in-law, a son-in-law, two grandchildren, her father, two sisters, two brothers, eight sisters-in-law, and nine brothers-in-law.

The funeral services were Saturday afternoon at 1:30 at the home on S. Emmerson street, and at 2:00 o'clock at the St. Paul's Lutheran church in Mt. Prospect with Rev. J. E. A. Mueller officiating. The interment was in the Northfield Lutheran cemetery.

Mrs. Roger Bailey To Head Legion Auxiliary

Election of officers was held by the American Legion Auxiliary at their last meeting at the home of Mrs. Geo. Price. The officers for the ensuing year are Mrs. R. Bailey, president; Mrs. A. Pierce, 1st vice-pres.; Mrs. Chas. Verret, 2nd vice-pres.; Mrs. E. Wolf, treas.; Mrs. Geo. Price, chaplain; Mrs. H. W. Carlson, historian; Mrs. P. H. Olson, Sgt. at arms; and Mrs. Inge Besander, color bearer. Mrs. Bailey will appoint chairman for the various committees.

Mrs. Nan Cochran of Wilmette was guest speaker and her subject was "Belgium." Fidac is an organization of allied veterans, and takes its name from the Federation Interalliee des Anciens Combattants. The American Legion and its auxiliary are members of this organization, whose total membership is nine million at this time. One of the purposes of the Fidac is to continue the friendship of Allied veterans in peace as in war, and toward this a marvelous work is done. The Fidac Congress will be held in Belgium in September, and the desire to become more familiar with the people of the various countries belonging to Fidac, the Auxiliary each year studies the country in which the Congress is to convene.

Mrs. E. Luckner reported on the last 9th District meeting. Several Auxiliary Juniors of Mt. Prospect attended the model meeting held in Chicago last week. Irene Verret filled the chair of vice president. After adjournment a social hour followed during which the hostess served refreshments.

Automobile Accident At Emmerson Street Last Friday Evening

A car driven by Harold Willson of 313 S. Wa Pella was struck last Friday evening about 7:30 on the Northwest highway at Emmerson street by a car driven by E. W. Dornie of Maywood. Mr. Willson was going east on the highway and turned to the left at the spotlight on Emmerson street when Mr. Dornie, coming at too high speed to control his car, struck him. Neither of the drivers were injured, and the cars suffered minor damage.

DONKEY SOFT BALL GAME AT MT. PROSPECT

Lions Club Will Play American Legion Team Sunday

A riotous, roaring, side-bursting good time is promised to all who attend the donkey soft ball game which is to be played on the large baseball diamond next Sunday afternoon at 2:30 when the American Legion will match a select group of softball players—and make ridges against a like group of courageous players from the Lions club at 2:30 o'clock. This became a certainty on Tuesday when final arrangements were made by the two organizations with the owner of the donkeys.

Several towns have had the donkey ball game as a feature of entertainment recently. A number of people in the Village saw them perform in Arlington Heights last Sunday and say that the trios of the donkeys are quite marvelous. The animals, usually called stupids can be trained to perform as these donkeys do. Each donkey has his position which he plays in his own peculiar fashion, it is said.

The rules of the donkey game are quite definite. All players are mounted except the pitcher and catcher. There are nine on each side, as in a regular game with the softball. The game lasts five innings, or not over an hour and a half. And that it takes at least an hour and a half to play the game is not an indication that it is at all slow. There is something happening every minute. The batter is on the ground until he hits the ball; then he mounts a base-running donkey and rides to first base, if he can. No whips or sticks are allowed on donkeys, for each donkey is thoroughly trained for his place. No one coming to bat is allowed to strike out. He must ride the donkey. When fielding the ball, the player cannot take over one step from the donkey. He must ride up to the batted ball, then he is allowed to dismount and throw the ball to any teammate. Of course it is best to throw the ball to the pitcher since he is on the ground. No base player is allowed off his donkey when fielding the ball. And base playing donkeys must be kept on base.

The proceeds of the game will be used by the American Legion post for the Boy Scout troop, and the Lions will use their share for some worthy civic cause. The game will be worth seeing, and the money spent by those attending will be used in worthy causes for the good of the community. Advertisement in this issue gives details of admission price.

A further attraction for the afternoon will be a soft ball game played in regular fashion for contrast between select players of the Lions and the Legion post, following the donkey ball game.

Council Meets in Tree
Natives in Senegambia, French West Africa, use the inside of a large baobab tree as a council house, and statues have been carved in the trunk to the entrance.

"MAN OF ARAN"

Mount Prospect

The beautiful cocker spaniel owned by Mr. and Mrs. Karey of the Blackwood Inn, was struck by a hit and run driver on the Northwest highway last week and killed.

Mr. and Mrs. Burda celebrated their 20th wedding anniversary last Sunday.

Mr. W. H. Krause and son, Robert, of Norwood Park, have purchased the Phillips filling station from Jack Nagrats. They will continue to call it Jack's Phillips Station.

The local police are promising a drive on all vehicles without tags on windshields. Having purchased a village tag is not enough. It must be displayed properly. No excuses will be acceptable.

Several local men have been away from the Village on short fishing trips lately. Fred Busse went to Twin Lakes, Wisconsin, and returned with tales of seventy fish caught by four fishermen. Fred Meeske came back from a one day trip Monday with a good case of sunburn.

Jackie Schreiner, daughter of Mr. and Mrs. H. W. Schreiner of 317 Hi-Lusi, celebrated her fifth birthday on Monday with a lawn party and luncheon for a number of her playmates.

Those attending the Ninth District American Legion Auxiliary meeting at River Grove from Mt. Prospect, on Thursday evening, were Mrs. J. Bernhard, Mrs. S. Kent, Mrs. E. M. Luckner, Mrs. Chas. Verret, Mrs. G. C. Cunningham, Mrs. E. Dutton and Mrs. E. Hauptly.

Mrs. P. H. Frey, Miss M. Frey and Mrs. E. M. Luckner and son, Robert, were luncheon guests of Mrs. H. E. Frey on Friday in Chicago.

Mrs. A. Roderick entertained the Eastern Star club on Tuesday afternoon.

Mrs. T. Thorson and son have gone on a motor trip with her parents and sister.

The Auxiliary cordially invites the members of this community to attend a card party to be held Friday evening, June 28, at 8:15 p. m. at the Community school building. Prizes for each table, and refreshments will be served. A small donation charge will cover both a good time.

Bank Money Orders Now Available at Local Bank

The Mount Prospect State Bank is inaugurating a new service to its many patrons in the adoption of bank money orders. This new way of handling money is originated to keep peace with new ideas in financial affairs and provides a new method of making remittances by mail. Of course the post office and the express companies have been doing this for a long time, but the local bank in establishing this service make it available to patrons at a much lower rate with the same safeguards that these other agencies have long enjoyed.

It is not necessary, even, for one to have an account at the local bank to take advantage of this service. Any one can use such money orders at a minimum expense, as shown by the advertisement in this issue.

The local bank is continually on the look out for ways to serve the community fully and this is one of the most recent of the advantages brought to the people of Mt. Prospect and the surrounding territory.

JACKIE COOPER IN

"DINKY"

SHIRLEY TEMPLE AT THE CATLOW

Shirley Temple in "Our Little Girl," playing at the Catlow theatre, Barrington, Friday and Saturday of this week, carries thru the difficult role of registering smiles when her heart is sad. The story of "Our Little Girl" could happen to any child in any home. While these she loves are groping in the shadows of misunderstanding she meets the crisis in a way to win your heart completely. Joel McCrea, Rosemary Ames, Lyle Talbot and Erin O'Brien-Moore are featured with little Shirley. An "Our Gang" comedy, Cartoon, Sportslant and Pathe News complete the bill.

Victor Herbert's "Naughty Marietta" with Jeanette MacDonald, Nelson Eddy and Frank Morgan, has the feature spot of the Sunday-Monday program. Beautiful music and costumes, sparkling wit, makes this the biggest thrill since music came to the screen.

Tuesday, bargain night, brings "The Casino Murder Case," with Paul Lukas and Allison Skipworth in leading roles.

Special Independence program for Wednesday, Thursday and Friday of next week includes Jackie Cooper in "Dinky," a color cartoon and color scenic and "kid" comedy. "Dinky" is a story with a military school background in which Jackie as "Dinky" battles against odds in the classroom and on the football field and finally wins out with flying colors.

St. Paul's Lutheran Church

Divine services Sunday, June 30: English, 9:15 a. m. German, 10:30 a. m.

The quarterly voter's meeting will be convened Monday evening, July 1, at 8 o'clock at the school. The church council meets Friday evening, June 28, at 8.

Lions Notes

On Thursday night, June 27, the Lions Club of Mount Prospect are going to out-do themselves. All members and their wives are expected to be present at a dinner gathering in the Lutheran school. An interesting speaker, Mr. A. W. Carlson of Maywood, will talk on "Philosophy of Life." New members will be given a chance to ride the goat in the initiation ceremonies. The officers elected for the next year will be formally installed. Music by professionals will also be a feature of the meeting.

As on all dinner gatherings the time of starting is 6:30. And, above all, please notify the secretary if you will be there. This is highly necessary for all places reserved must be paid for.

Widow Never Remarries

Widows in Korea do not remarry, no matter how young they may be. Even though they have been married only a month, they may not take a second husband.

Spectacular "Scandals" Delights All

Slip us a ton of dynamite adjectives! Then maybe we can do justice to the scintillant gaiety, "George White's 1935 Scandals," showing Sunday and Monday at the Des Plaines Theatre.

Here's the last triumphant word in screen entertainment, a splendid sunburst of comedy and music that sustains the reputation of George White as prince of showmen.

It more than surpasses expectations, and is just about 365 times more brilliant than its "Scandals" sister of last year.

The second annual edition, sponsored by Fox Films, has everything here. Here are ten top-rung stars: Alice Faye, James Dunn, Ned Sparks, Lydia Roberts, Cliff Edwards, Arline Judge, Eleanor Powell, Emma Dunn, Benny Rubin and George White, who conceived, produced, and directed the entire show.

Brilliantly kaleidoscopic in their 1,000 eye-teasing costumes designed by Charles LeMaire (he designs for Paris, besides for Broadway's dancing beauties).

The story, strong enough to stand alone, concerns a producer who stumbles on home-grown talent in a tank town, whisks them off to Broadway and Hollywood stardom, and when the bright lights get too strong for simple romance, whisks back home a pair of lovers.

Among the 200 beauties are 30 girls who won beauty contests. One and all were picked, groomed, and trained by White, whose reputation for selecting beauties and skyrockets them to stardom needs no mention here.

CUT YOUR THISTLES

(Official Notice)

According to "An Act Concerning Noxious Weeds," all property owners are required by law to destroy noxious weeds growing on their premises, before they reach the seed bearing stage. Full cooperation by every property owner and municipality with the local Thistle Commissioner, will be greatly appreciated.

As a land owner you are hereby notified that you are under a legal duty to destroy all such noxious weeds on the above described premises before seed bearing stage, in accordance with the provisions of Section 3 of the above mentioned act. The methods of treating and eradicating noxious weeds as recommended by the Department of Agriculture can be obtained from the undersigned.

Yours truly,
Louis Clark,
Thistle Commissioner
Wheeling Township.

(6-28)

Democracy

Democracy is the belief that the aggregate wisdom of the people is, as a rule, a better guide than the self-determined wisdom of any class.

Wheeling Volunteer Detectives Snoop At Wedding

Earl Johnson, auto mechanic and member of the volunteer fire department of Wheeling, wanted to keep his marriage date a secret. No fuss and big ceremony with its attending details such as flowers, rice, kissing the bride, gaping crowds and wise-cracking, for Earl.

He said to himself he would fool his friends by telling them he would be married July 6 and then quietly slip out-of-town with his bride-to-be, Miss Marguerite Ladendorff, and be married two weeks previous. The horse laugh would be on his fellow townsmen and a certain few tormentors who everlastingly asked, "When are you going to be married, Earl?"

Mr. Johnson, being methodical, secured his marriage license in the county court house at Chicago and then arranged with the Rev. J. E. A. Mueller, pastor of the German Lutheran church at Mt. Prospect, to perform the ceremony at 2 p. m., Saturday, June 22, in the parsonage at 17 S. Elm street without the aid of rice, gaping crowds or wise-cracking.

So far so good, but the Wheeling Fire Department not wishing to have it said that it ever slighted a friend, delegated two of its trusted members to check on Earl's marriage plans and report. Herb Lesch, chief of police and town Sherlock Holmes, and Art Miller, proprietor of a popular emporium, were selected to do the detective work.

Learning of Mr. Johnson's well laid plans, they appointed themselves a congratulatory committee and called at Rev. Mueller's home a half hour in advance of the ceremony where they blissfully awaited the arrival of the bride and groom so they could give a few words of encouragement to Earl and a few words of caution to Marguerite.

To make a long story short, when Earl saw his fellow townsmen he went into a semi-collapse and made a few remarks that would sting anybody's ears. And now Earl is all hot and bothered as to how his secret leaked out.

Meanwhile the Fire Department of Wheeling, together with the Commercial club headed by the Honorable Mayor Hans Schmidt, are planning a shower for Earl. The showers are generally for brides previous to their weddings, but

Earl's Wheeling friends are reversing the procedure. Mayor Schmidt says that anything can happen in a shower.

WHEELING

The W. J. Bank family are new tenants in the Wessling residence on Dundee road.

Miss LaVerne Garratt visited at the Carpenter home last week.

Mr. and Mrs. W. Ackerman motored to Sodus, Michigan, for several days last week.

Mr. and Mrs. Fred Knoll are the proud parents of a baby boy born at the Wheeling hospital Friday, June 21.

Mr. Earl Johnson of Wheeling and Miss Margaret Ladendorff of Des Plaines, were married by the pastor of St. Paul's Lutheran church, Mt. Prospect, Saturday evening, June 22. They will make their home in the Johnson residence here, which has lately been remodeled into two flats.

Summer has come and with it the migration of gypsies. A party of them passing through town this week picked the pocket of one of our business men, so keep your hand on your pocketbook should some of the wanderers call on you.

EAST MAINE

Donald Koch, son of Mr. and Mrs. Emil Koch, who had been spending part of his summer vacation visiting the W. C. Koch family, returned to his home June 20, to be host to several of his little friends at a celebration in honor of his sixth birthday anniversary.

Mr. and Mrs. Emil Goetsche, who recently moved from East Maine to a farm on Hintze road, are proud parents of a nine pound son born June 23, at the Palatine hospital.

Measles are still in our midst. Mrs. Otto Jaacks is convalescing from an attack and La Verne Nielsen is the latest juvenile victim to be reported on the measles sick list.

The members of St. Matthew's choir enjoyed their annual outing to Gages Lake, Thursday, June 20, and report a most delightful time as usual at these affairs.

The date for the annual picnic of St. Matthew's congregation, has been selected for Sunday, July 14. The picnic will be held on the church grounds as usual. More details later.

Funeral services were held Sunday, June 23, at the late home and in St. Matthews Lutheran church with Reverend J. Toepel officiating, delivered a comforting sermon in both English and German languages. Serving as pall bearers were two short months ago had performed that last act for Mrs. Albert Ahrens, a daughter-in-law of the deceased; Wm. R. Tagtmeier, Martin Gewecke, Fred and August Bestmann, Leo and Otto Jaacks. Interment at Town of Maine cemetery.

Mr. Ahrens is survived by his bereaved widow, one brother John, one daughter, Anna Babcock, four sons, Albert, John, Edward and George, four grandchildren and other relatives and scores of friends.

"Extra" Milk During May Was 17,500 lbs., Reports Milk Assn.

Almost 17½ million extra pounds of milk over the previous month was delivered by Pure Milk Association members in May, according to figures released today by the Association Marketing Department.

This additional seasonal milk swelled the May milk delivery total to 128,221,044 as compared with 110,711,198 pounds delivered by Association members in April. The peak seems to have been reached. With shorter pasture and flies, production will undoubtedly drop.

With the price of 92 score Chicago butter dropping about 7 cents from 32.81 cents in April to 25.91 cents in May, the rainy cold weather dropping sales in Class I and the excessive amount of seasonal milk being delivered, Class II and Class III prices paid for milk delivered naturally dropped.

Snakes Are Egg Eaters

Several kinds of snakes are known to be great egg eaters, and one or two can make short shrift of the supply of the average small flock of poultry if the nests are accessible. It is also said that once that domestic pet, the dog, acquires a taste for hen fruit he can seldom be gotten rid of the habit of robbing nests. Ants and spiders apparently find nothing more delicious than eggs of butterflies while fishes gulp the eggs of other fishes borne on water currents. Often the Peruvians find the gulls, vultures and condors have beaten them to the rookeries on the bird islands and find nothing but the broken shells of the greenish cormorant eggs.—Pathfinder Magazine.

Special Dance
Thursday, July 4
Every Wednesday we will serve 1/2 fried chicken, mashed potatoes and cole slaw for only **15c**
Every Friday we will serve Free Fry, and every Saturday: Steak with French fried potatoes and cole slaw for only **15c**
YOU AND YOUR FRIENDS ARE WELCOME

St. Peter's Church Hold Special Services

The place and value of the Christian Day school in its program of Christian education will be recognized by St. Peter's Lutheran church in two special services Sunday morning.
Prof. Paul Bretscher, instructor at the Lutheran Normal College of River Forest, will fill the pulpit in the German service at 9:30 and the English service at 11:00 a. m. He is a noted educator of the Lutheran church and at present holds the chair of religious education. His experience and knowledge of the field qualifies him to speak with authority on the subject of Christian child training.
A large children's chorus, under the direction of Mr. O. Kolb, will render an appropriate anthem in both services. At the conclusion of the worship patrons and friends of the school will be invited to view the school exhibit staged in the school auditorium. A great amount of planning and workmanship has gone into this exhibit and the finished product will delight the visitors.
All friends of Christian education are invited to attend the services and also to view this interesting exhibition of Lutheran school work.

Grass-Roots or Vote for "I"

By CALVIN MITCHELL
Do you think! What is good for one is good for all! What is good for the creditor is good for the debtor? What is good for fixed income people is good for others? What is good for producers is good for consumers? Do you realize that there are two sides to all these questions?
Must not benefits to one class be paid by others and high prices to producers be paid by consumers? No law can be passed that will not benefit some and injure others. All advances in machinery, or government, must be detrimental to the beneficiaries of the old system, but can any one deny that the advance to a better system benefits the great majority of mankind? Then should not the greatest benefit to the struggling mass of laborers and debtors be the object of a just and progressive government?
When money becomes scarce and increases in its purchasing power and debtors are unable to sell any property to meet their obligations, they lose to the creditor class. This brings hard times; but when money is plenty and it decreases in its purchasing power, debtors are able to sell, pay their debts and save themselves from financial ruin. This brings good times.
Why not give the "Have-nots" a chance to save what little they may have left? The "Have-Alls" will still have plenty for the strong and cunning will always out-smart the weak and poor to get the best of the bargain.
As I remember history the greatest advance of mankind from serfdom and dependence was from 1600 A. D. to 1700 A. D., during which time so great an amount of gold was found and thrown into world circulation, that in 1700 it took five (5) times as much gold to buy the same property as it did in 1600 A. D.
People were gradually relieved of their debts and encouraged to fight for their rights with no perceptible effect on the creditors in their gradual losses. Now, why take about \$10,000,000,000.00 in gold and silver out of circulation without supplying at least the same amount of legal tender U. S. notes to take its place—yes, even to any amount that may be needed to relieve financial distress whenever there is good security?
It is time for every voter to vote for "I" i. e., for his or her own interests, and it is a sure thing that at least 90 per cent of us are among the debtors and "have-nots" and cannot expect relief from either of the two dominant parties that are equally to blame for our predicament. We are strong enough to vote both of these old "Shams" out of existence and we should do it.
Without doubt the quantitative theory of money is correct and that prices are regulated by the quantity of money in circulation. The greater the amount of real money in use, the higher the prices will be for labor and property. So, if prices are down and labor unemployed, issue more money, and not take it out of use as seems to be the dictum of the two dominant political parties.
Senator Borah calls the Bureau-eratic agents "ascarids." He should have included nearly all of the politicians and ward heelers and proposed an amendment to the constitution that would bring about a drastic control of all species of the so-called "Ascaridae" that have glutted this country with empty stomachs.

LaGrange announces a new idea in house numbering. The board of trustees recently approved a plan to paint the house numbers on all curbs throughout the village. The numbers are to be two and a half inches high, black on a white background. The plan also includes the painting of the names of the streets on the corners in the same manner.
The plan was submitted by two local college students who will get the job.

Whealan Pool Opens Next Saturday

The swimming season in the Whealan pool at Milwaukee and Devon avenue, officially opens June 29, Clayton F. Smith, president of the Board of Forest Preserve Commissioners announced today.
They will be open daily from 10 a. m. to 10 p. m. Children under 14 years of age will be admitted free on Monday, Wednesday and Friday mornings.
The pools are kept in perfect condition by thorough cleaning nightly. Workers attired in helmet and manded with an under water vacuum cleaner go over every inch of the pools. Filtered water, chemically treated, fills the basins, and the water is kept constantly changing, the entire volume making a complete change every eight hours.
Applicants are required to take a soap and water shower bath before entering the pools, and must submit to a physical examination. Persons with skin blemishes are not permitted into the water. Samples of water are sent for examination daily to the Chicago Health Department. Life guards are on hand at all times, and a nurse is in constant attendance to give first aid.
"We want the citizens of Cook county to feel confident in the clarity of the water in forest preserve pools, and the minimum of danger," President Smith asserts.

Walther League to Hold Field Day Sunday

The Northwest Suburban zone of the Walther League will hold its annual Field Day, Sunday, June 30, at the athletic field of Maine Township High School at Des Plaines. Besides track and field events for both men and women, a horseshoe tournament will be conducted. The medley relay and 44 yard dash have been added to this year's program.
Early returns indicate a good field, numbering several stars of the Northwest Conference as well as several from Maine high school. Rohlwing, winner of state half-mile and also winner of

Northwest Conference 440 yard dash and half-mile run, will be the favorite to win both events, holding the half-mile record.

The first and second place winners will qualify for the Northern Illinois District meet to be held Sunday, July 7, at Earle Play-ground, Des Plaines. The District meet will draw entrants from Glen-hart high school, champions of the West Suburban League.

YOU ALWAYS GET BETTER QUALITY AT NO HIGHER PRICE WHEN YOU BUY A FIRESTONE TIRE WITH FIRESTONE NAME AND GUARANTEE

Tires may look alike on the outside, but on the inside where blowouts start, they are different. Firestone Tires are made blowout-proof by Gum-Dipping, a patented extra process which soaks every cotton cord and insulates every strand with pure liquid rubber. In fact, every 100 pounds of cotton cords absorb eight additional pounds of liquid rubber. This special process prevents internal friction and heat, the main cause of blowouts. No other make of tire is Gum-Dipped, yet you pay no more for Firestone blowout-proof protection.

The make of tires you buy for your car becomes a matter of vital importance when you realize that in 1934 alone 43,000 accidents were caused by blowouts, punctures and skidding.

Firestone High Speed Gum-Dipped Tires hold all world records on road and track for safety, speed, mileage and endurance—undisputed evidence that Firestone Tires are not only blowout-proof but give greatest protection against skidding.

THERE ARE THREE QUESTIONS AND ANSWERS THAT WILL SOLVE YOUR PROBLEM OF WHAT TIRES TO BUY

1 "Will the tread give me the greatest traction and protection against skidding?"

Recent tests by a leading University show that Firestone High Speed Non-Skid Tires stop a car 15% quicker than any other of the leading makes.

For eight consecutive years Firestone Tires have been on the winning car in the dangerous Pike's Peak Race where a skid means death. This is undisputed evidence that Firestone gives car owners greatest protection against skidding.

2 "Are they blowout-proof?"

Firestone Gum-Dipped Tires have the most amazing records for being blowout-proof of any tires ever built. In the grueling 500-Mile Race at Indianapolis, May 30th, every one of the 33 cars was equipped with Firestone Gum-Dipped Tires. Kelly Petillo won the race and broke the record over this 26-year-old rough brick track without tire trouble—in fact, not one of the 33 drivers had tire trouble of any kind.

Ab Jenkins drove his 5,000 pound car on Firestone Gum-Dipped Tires over the hot salt beds of Utah, 3,000 miles in 23 1/2 hours, at an average speed of 127.2 miles per hour, with temperatures as high as 120°, without tire trouble of any kind. These are most amazing proofs of blowout protection ever known.

3 "Without sacrificing these two important safety features will they give me longer mileage, thus making them the most economical tires I can buy?"

Firestone High Speed Tires not only give you more than 50% longer wear, but also lowest cost per mile. This is made possible by the tough, wear-resisting tread built with higher shoulders and a wider, flatter contour. This thick, rugged, scientifically designed tread is held securely to the Gum-Dipped cord body by Firestone's patented construction of two extra layers of cords under the tread. This is a special construction feature not used in any other tire. Unequaled mileage records by thousands of car owners add undisputed evidence of the longer wear and greater economy of Firestone High Speed Tires.

URGE PEACE TIME ARMY TO PROTECT U. S.

Echoes of Grass Root Con- vention Heard at Ar- lington Heights

Echoes of the recent Grass Root convention were heard Wednesday evening by a large crowd of men and women who had gathered at the Arlington Heights high school auditorium to hear Jacob D. Allen, prominent Republican, tell the occasion and outcome of that conference.

Mr. Allen's ability as a speaker attracted many in that audience to travel long distances. The speaker did not attempt any fireworks utterances, but brought to the hearers the gist of "why" the conventions and its result.

"A group of fifty citizens from the ten participating states, properly elected through official Republican Party authority, are now organizing a program to enlist, prepare and direct a veritable peace-time army in civil government," stated Mr. Allen, "to resist the attempts of Roosevelt and his followers in their all too apparent effort to overthrow our form of government."

"Each of you will be invited to become prepared, vigilant, aggressive defenders of our liberties as once our Fathers were. When the call reaches you, I know it will find you ready to answer to the roll call for America."

Opening his talk Mr. Allen said: "The gathering of American citizens of the ten prairie states, was born as much in the hearts as in the minds of the men, who nearly a year ago began quietly to discuss the matter with their friends and neighbors."

"As it grew it seemed a strange thing to many, familiar with the forces of high pressure political programs so current in this age, that so great a mass movement of people could have developed without ulterior motive or anticipatory design."

"It seemed strange to a generation accustomed to propaganda mills and efficiency planning in every department of life that men could any more dream of a citizen's party caucus or discussion of public affairs banded after the fashion of the old New England town meeting."

"Yet, wonder of wonders, it did occur, and more than eight thousand of your middle western countrymen and women were a part of it."

"More delegates met at Springfield, represented more people and wider-flung commercial, social and territorial horizons, than met in the Continental Congress at Philadelphia when America was born of 13 colonies of the crown of England."

"These delegates represented almost seven hundred thousand square miles of our mid-continent America and thirty millions of our people."

"But, of most concern is—what were their conclusions?"

"The first section of the resolutions, as adopted in final form, make an examination of the record of the Roosevelt administration and set forth a declaration of grievances of the common man as felt by the 8,000 participating middle westerners."

"The language of this charge and its content awakens echoes of the rumblings that shook this continent into the Revolutionary War that, in the founding of the Republic, gave first to America 'a new birth of freedom.'"

"Following this, the most drastic declaration of grievances, by any responsible congress of citizens, against any sovereign or head of the government of a civilized state since the comparable denunciation of King George by his American colonies in Congress assembled in 1776, the Midwest Conference proposed to responsible leaders of the party in opposition to Roosevelt 'New Dealism,' the American citizenship and Republican Party creed."

Mr. Allen gave the full text of the creed, adopted at the convention, parts of which are as follows:

"We believe in the constitution of the United States."

"We believe that the constitutional separation of the powers of government into legislative, executive and judicial should be maintained."

"We believe that the maintenance of the independent sovereignties of the federal government and the several states."

"We believe in the maintenance of our American political and economic system."

"We believe that they are sufficiently flexible to meet all of the needs of a complex civilization."

"We believe that our present troubles are not due to any inherent defects in our American system."

"We believe that a free press, open discussion and honest criticism are essential to the preservation of free institutions."

"We believe in individualism and in individual enterprise, as opposed to communism, socialism, fascism, or any other form of collectivism."

"We believe in our American system of free enterprise."

"We believe that the successful

33 Year Old Moron Meets Swift Justice At Arlington Heights

Joe Schrober, 33, of McHenry learned Sunday that he could not insult Arlington Heights girls without swift punishment. His arrest, prosecution and sentence is due to the bravery of an Arlington Heights young lady, whom he accosted in the waiting room of the railroad station at 9:15 Sunday morning. The girl immediately notified Chief Skoggs who caught the man at Euclid and State road. She unhesitatingly testified at the trial before Judge Kopplin the next morning. The latter gave Schrober a verbal tanning, inflicted a \$100 fine, the limit allowed by village ordinance and sent him to the county jail, where he will spend the next 200 days. A local physician who examined the prisoner declared that in his belief he was a sex moron.

OUR POLICE DEPARTMENT

Editorial in Arlington Heights Herald

The policeman's job in any municipality should be something aside from wearing a uniform, and acting as a collector of delinquent licenses. He is given his authority by law for the purpose of "policing" the village, preventing the commission of crime and enforcing existing laws.

An officer may be a good fellow, but the general public will have far more respect for him if he makes an honest effort to enforce existing laws.

The accident at Stonegate took two lives last Friday. Probably one and perhaps both drivers are to blame. No attempt has been made in Arlington Heights for many months to curb speeding. Autoists who regularly make a speedway of the Northwest highway thru Arlington Heights and make a joke out of our traffic lights are endangering their own lives and those of our citizens.

Arlington Heights does not want to operate a speed trap but this paper believes that the local department is leaning over backwards when it continues to disregard speeding.

The people of Arlington Heights are not accident-prevention conscience. If the death of two people last Saturday is not enough to make them drive more carefully, the police department should slam down the weighty hand of the law.

In these modern times, parents may have forgotten how to effectively use the hair brush upon their children, but that is all the more reason why the police should use corrective measures invested in them by law to make both parents and children obey safety rules.

The Herald understands that Alderman Scheiberger has invited the Chicago Motor Club to send a safety man to Arlington Heights to make recommendations relative to a fair policing of the Northwest highway.

That is the first step in the right direction.

The Herald believes that Arlington Heights police department should at once institute an intensive and effective drive against speeders. The erection of a white cross at Stonegate, bearing the inscription "Two killed here June 21" would be an indisputable answer to any autoist who might object to the activity of the police.

The Herald knows nothing about the technical operation of a police department, but what is the use of having one unless it is used for police purposes? If our present police department has become merely messenger boys, why not give them a western union bike to ride and put the new motorcycle and auto in storage?

DANCE SATURDAY NIGHT AT DONKEY INN

The Dixie Hayshakers will furnish the music for an old time dance at Donkey Inn, (former Carpenter place), south of Palatine Thursday, July 4. Admission 25c each.

functioning of the American system demands that the competitive system be maintained and fostered and that individual initiative be encouraged.

"We believe that, once economic freedom is achieved, political liberty must suffer the same fate and that, aside from its contribution to material progress, there is a moral value to liberty which justifies any sacrifice to preserve it."

"We recognize and approve the principle of collective bargaining, the representatives of labor to be of labor's own choice."

"We recognize that the security of our citizens demands government aid in the establishment of old age and unemployment reserves."

"We are grateful for valiant and sacrificing service of our men of all wars and pledge ourselves to see that justice is accorded them."

"We believe that the resources of our country and the enterprise and industry of our citizens are such that the existence of an immense and permanent class of dependents is as unnecessary in the future as in the past."

"We believe it to be our duty to accept the challenge of the defeatist, who would repudiate our country's past, and betray its future, and to appeal to our countrymen to rally to the defense of American institutions."

FIRE INSUR. IN PALATINE IS LOWERED

First Refunds Received by Business Men as Class Five is Approved

The village of Palatine has secured a class five rating by the Chicago Board of Underwriters. Refunds on account of the lowered rate have been received by local business men who have applied for same thru their insurance brokers.

Approval of a class five rating for Palatine was given after a thorough checkup of the fire fighting equipment of that municipality. Superior equipment can probably be credited for the new classification. The Palatine village board at its meeting Monday night will pass the necessary ordinance that authorizes the local fire department to make regular fire prevention inspection of business and public buildings. It is reported that a premium reduction for the high school alone will be nearly \$75.

To Celebrate Event

There is going to be the recognition of the strides made by the Palatine fire department. A large group of men have been busy house-cleaning the grandstand, the enclosure and the Post and Paddock club.

The only real change in these is the installation of new bars by the Turf Catering Co., which this year has leased all of the concessions at the park. This firm operates nothing except turf concessions and are installing within the enclosure what they claim is the most elaborate bar at any race track within the U. S. The bar which they installed at Washington Park drew considerable comment in the Chicago press. "This bar is better than any we have heretofore attempted," says Mr. Wm. Wolken, who represents the catering firm.

Mr. Carruthers who has managed Arlington Park several seasons, has already moved to Arlington Heights, but as general manager at Washington Park is rather a busy man. He visits Arlington Park every evening after his return to Arlington Heights inspecting work done that day and giving orders for the next 24 hours.

The installation of over a mile of tile to connect the grandstand with the Arlington Heights sewage system is a big undertaking and represents the outlay of a lot of money. However, it is nearing completion and will be completed by Saturday.

The totalizers used in recording wagers at Arlington Park, are now in use at Washington Park. They will be installed at their regular positions Sunday.

Eastern Stables Arrive
Two eastern racing stables arrived in Arlington this week, but the influx of stables and horses will be Saturday and Sunday.

Local business men report that "race trackers" are a little slow to arrive this year. Many of these people come here each year and have personal contacts with Arlington Heights business men and citizens and by Saturday, Arlington Heights will be the busiest city of its size in the state.

Local Schools Snare
Books with Others
In Red Cross Project

The Junior Red Cross of the Chicago Chapter has instituted a book project in its school auxiliaries which is attracting much attention over the three counties of the Chapter territory. The schools have been asked to set aside a "Share-A-Book-Shelf" where all year round books may be assembled to be passed along to someone else.

Arlington Heights schools have contributed toward these initiatives. Some of these books will be sent locally but most of them will be sent away to schools in remote and isolated parts of the country.

At the present time several thousand books which have been collected during the past two months are being shipped from the Chapter Office to the County Superintendent of Schools in Montana and New Mexico counties so that school may open in the fall with the friendly greetings of Chicago Juniors. From time to time during the school year, additional lots will be sent to these same schools and new ones added.

DOWNERS GROVE GETS NASTY
TO WATER CONSUMERS

The Downers Grove city council warns water bill delinquents that unless back accounts are paid before July 11, the names of all delinquents are to be published in the local paper.

Burning Cigarette
Lights Bed Clothes
While Man Sleeps

Dozing off while smoking a cigarette put Reinhard Nichols of 411 Haddon avenue of Arlington Heights in a serious plight early Monday morning. The bed clothing caught fire and the fumes nearly suffocated the sleeper. A neighbor fortunately saw the smoke, called the fire department, and rescued the man. Resuscitation by a local doctor was enough to revive the victim.

NEW POSTMASTER EXAMINATION

At the request of the Postmaster General, the United States Civil Service Commission announces an open competitive examination, from which it is expected to fill a vacancy in the position of postmaster at Arlington Heights at a salary of \$2500. Applications must be filed with the Commission on or before July 9, 1935.

Here is One Election That You Can Bet on

Candidates running on the ballot of the election to be held Monday, July 1, may be pretty sure of winning, statistics show. Twenty-two men will be elected from a roster of twenty-two men. One Supreme Court judge of the seventh district, and twenty-one judges of the Superior Court of Cook County will be selected.

Their names appear upon a coalition ticket bearing the "Democratic" party heading.

ARLINGTON PK. IS READY FOR NEXT MONDAY

Nature Has Had Big Part In Preparation of the Lawns and Gardens

Arlington Park is ready for its opening next Monday. Mother Nature has wielded the brush that has given to the lawns and gardens a beauty not equalled in years when man had to resort to the sprinkling hose.

The racing plant itself is so complete that there is little need for the artificer this year. A large gang of men have been busy house-cleaning the grandstand, the enclosure and the Post and Paddock club.

The only real change in these is the installation of new bars by the Turf Catering Co., which this year has leased all of the concessions at the park. This firm operates nothing except turf concessions and are installing within the enclosure what they claim is the most elaborate bar at any race track within the U. S. The bar which they installed at Washington Park drew considerable comment in the Chicago press. "This bar is better than any we have heretofore attempted," says Mr. Wm. Wolken, who represents the catering firm.

Mr. Carruthers who has managed Arlington Park several seasons, has already moved to Arlington Heights, but as general manager at Washington Park is rather a busy man. He visits Arlington Park every evening after his return to Arlington Heights inspecting work done that day and giving orders for the next 24 hours.

The installation of over a mile of tile to connect the grandstand with the Arlington Heights sewage system is a big undertaking and represents the outlay of a lot of money. However, it is nearing completion and will be completed by Saturday.

The totalizers used in recording wagers at Arlington Park, are now in use at Washington Park. They will be installed at their regular positions Sunday.

Eastern Stables Arrive
Two eastern racing stables arrived in Arlington this week, but the influx of stables and horses will be Saturday and Sunday.

Local business men report that "race trackers" are a little slow to arrive this year. Many of these people come here each year and have personal contacts with Arlington Heights business men and citizens and by Saturday, Arlington Heights will be the busiest city of its size in the state.

Local Schools Snare
Books with Others
In Red Cross Project

The Junior Red Cross of the Chicago Chapter has instituted a book project in its school auxiliaries which is attracting much attention over the three counties of the Chapter territory. The schools have been asked to set aside a "Share-A-Book-Shelf" where all year round books may be assembled to be passed along to someone else.

Arlington Heights schools have contributed toward these initiatives. Some of these books will be sent locally but most of them will be sent away to schools in remote and isolated parts of the country.

At the present time several thousand books which have been collected during the past two months are being shipped from the Chapter Office to the County Superintendent of Schools in Montana and New Mexico counties so that school may open in the fall with the friendly greetings of Chicago Juniors. From time to time during the school year, additional lots will be sent to these same schools and new ones added.

DOWNERS GROVE GETS NASTY
TO WATER CONSUMERS

The Downers Grove city council warns water bill delinquents that unless back accounts are paid before July 11, the names of all delinquents are to be published in the local paper.

Palatine Lions Elect New Officers

The Palatine Lions club have elected new officers for the year beginning July 1, as follows: President, Wm. Kehe, Jr.; first vice Pres., Dr. J. G. Clayton; second vice Pres., William Ost; third vice Pres., John Reusser; Sec. Treas., Oscar C. Kurtz; Lion Tamer, Otto Gaare; Tail Twister, Frank Danielson; Directors, Harrison Kincaid, Clarence Herbst, R. A. Kay and Pieter Vervloet.

These new officers will be installed by Deputy District Governor Dr. H. J. Hoerner, of Elgin, at a ladies night party to be held July 18 at the Meadowgrove Country Club.

Two new members, Richard Sanford and Lawrence Inkster, were received into the club with ceremony.

A brief memorial was held for Henry Harz, a member of the club, who died on June 11.

A quintette, composed of Lions William Daniels, Bob Schoppe, William Kehe, and Mr. and Mrs. Scheibach, rendered five beautiful selections.

Walther League to Hold Field Day Sunday

The Northwest Suburban zone of the Walther League will hold its annual Field Day, Sunday, June 30, at the athletic field of Maine Township High School at Des Plaines. Besides track and field events for both men and women, a horseshoe tournament will be conducted. The medley relay and 44 yard dash have been added to this year's program.

Early returns indicate a good field, numbering several stars of the Northwest Conference as well as several from Maine high school. Rohwing, winner of state half-mile, and also winner of Northwest Conference 440 yard dash and half-mile run, will be the favorite to win both events, holding the half-mile record.

The first and second place winners will qualify for the Northern Illinois District meet to be held Sunday, July 7, at Earle Play-ground, Des Plaines. The District meet will draw entries from Glenbard high school, champions of the West Suburban League.

ROSELLE LIONS INVITE ALL TO THE BIG PICNIC

Free Dance all Afternoon, Rides, Amusements and Refreshments

Roselle will hold the annual July 4th celebration at Roselle Park next Thursday. With weather favoring a record crowd is expected to participate in this day of recreation and amusement which is sponsored by the Roselle Lions club.

As in former years, all the usual attractions are going to be available at Roselle. Rides of various kinds which are the delight of the kiddies, skill and corn games and like amusements which win the favor of the older folk, and plenty of fun will be in store for all who attend.

Perhaps the leading attraction is the free dancing to good music all afternoon on the cool confines of the grove on a spacious floor. Along with the popular dances of the day the famous tunes of yesterday will be played and the older people will be given an opportunity to show how it used to be done, and if unpracticed limbs and feet will permit, how it still can be done today.

In the evening will be the big dance with music furnished by an excellent orchestra. Folks who can not arrange to be in Roselle during the afternoon should arrange to be on hand for the evening amusement.

There will be an abundance of good food and refreshments on the grounds afternoon and evening. Plenty of parking space has been made available by the Lions organization. Out of town people are invited to bring their picnic lunch and spend all day in Roselle.

Bensenville Youth Found Dead in Garage by Mother Wednesday

Ross Wheat, 20 year old son of Mr. and Mrs. Ross Wheat, Orchard avenue, Bensenville, was found dead in the garage at the rear of his home Wednesday night.

His body was discovered by his mother about nine o'clock after he had been out with the family car and failed to return. The doors of the garage were closed and the car was running.

An inquest, which has been delayed, will determine the cause of the death which is believed to be self inflicted. Police officials state that a note has been found, the contents of which will be revealed to a coroner's jury.

The father of the young man, an engineer on the Milwaukee road, is at the Washington Boulevard hospital, recovering from an operation.

ROSELLE BOY HIT BY TRAIN AT CROSSING

Melvin Hitzeman Found Tuesday With Arm Off, Still Alive

Melvin Hitzeman, 11 year old son of Mr. and Mrs. Fred Hitzeman of Roselle, was fatally injured in a train accident at the Roselle road crossing of the Milwaukee railroad early Tuesday afternoon. The boy was found by William Huenerberg about 2 o'clock just west of the foot walk midway of the rails. His right arm severed at the shoulder, lay a few feet away. He was still breathing, though unconscious.

Dr. H. H. Volberding was immediately called and the lad was rushed to the Elmhurst hospital where he died Tuesday evening.

Funeral services will be held Saturday afternoon at 2:00 p. m. at the home and at 2:30 p. m. from the Trinity Lutheran church.

There were no eye witnesses to the accident and just how the lad met his death is unknown. The coroner's jury after hearing testimony at the inquest held at the Dzur and Karstens home Wednesday afternoon returned a verdict of "accidental death."

According to the testimony at the inquest which was in charge of H. H. Robillard of Elmhurst, deputy coroner, Melvin had been sent to the store for a bottle of Certo for his mother and told to hurry back. The bottle of Certo was found unbroken in his pocket and 15 cents in change, indicating that he had performed his errand promptly and was on his way home.

The boy is believed to have been struck by one of the engines of a double header which came through Roselle, going east at the time of the accident. The front engine had uncoupled, switched over to the westbound track and backed to Elgin over this crossing and track where the boy was found. In the meantime the train had proceeded eastward to Chicago.

The possibilities are that he flipped a ride, which was ruled out as very improbable as he had never been known to do this, or that in waiting for the train on the east-bound track to pass, he stood in the path of the westbound engine backing up and had fairly good vision. His approach was run over.

J. E. Kindell, the engineer, and J. M. Davis, the fireman of the westbound engine knew nothing of the accident until they were notified at Spaulding. A careful examination of their locomotive revealed no traces of having hit any one. Both testified that they approached the crossing about ten miles an hour, were watching it carefully and had fairly good vision.

They also testified that the whistle was blown at the approach of the crossing and the bell was ringing.

Julius Nielsen, police officer, testified that there were blood and flesh marks about eight feet east of the crossing walk.

Whealan Pool Opens Next Saturday

The swimming season in the Whealan pool at Milwaukee and Devon avenue, officially opens June 29, Clayton F. Smith, president of the Board of Forest Preserve Commissioners announced today.

They will be open daily from 10 a. m. to 10 p. m. Children under 14 years of age will be admitted free on Monday, Wednesday and Friday mornings.

The pools are kept in perfect condition by thorough cleaning nightly. Workers attired in helmets and armed with an under water vacuum cleaner go over every inch of the pools. Filtered water, chemically treated, fills the basins, and the water is kept constantly changing, the entire volume making a complete change every eight hours.

Applicants are required to take a soap and water shower bath before entering the pools, and must submit to a physical examination. Persons with skin blemishes are not permitted into the water. Samples of water are sent for examination daily to the Chicago Health Department. Life guards are on hand at all times, and a nurse is in constant attendance to give first aid.

"We want the citizens of Cook county to feel confident in the clarity of the water in forest preserve pools, and the minimum of danger," President Smith asserts.

H. C. Himel Resigns After 20 Years as Principal of Maine High School

H. C. Himel of Park Ridge resigned as principal of the Maine township high school last week, a position he had occupied the last 20 years. The board accepted his resignation with reluctance and he has been encouraged to remain with the school in the capacity of associate principal.

He is succeeded by T. R. Foulkes who has been with the school the last 13 years, the last seven in the capacity of assistant principal. No drastic changes in the conduct of the school are expected since Mr. Himel and Mr. Foulkes have been very close over a period of years.

Arlington State Bank Dividend Next Saturday

Depositors of the Arlington Heights State Bank will receive dividend checks Saturday on a basis of five per cent of the claims. This is the second dividend to be paid to the creditors of this bank. The funds used were secured in the natural process of litigation.

CHICAGO'S LID REPLACED

These officials flop around with the greatest of ease, just like the guy on the flying trapeze.

Chicago's "bookie" lid which was lifted a couple of weeks ago when the "word" went out from some authoritative source that "everything was all right, open up" was as suddenly clamped on again last Saturday noon when over the same grapevine came the word "Close up." Oh what a gay life those bookies have. With it being Saturday and pay day and with the American derby to be run at Washington Park and other fine feature races at every track in the country the boys were looking forward to a fine afternoon's business. At twelve o'clock noon, doors were wide open, "lookouts" were wearing their most charming smile of greeting and all that was lacking was a "welcome" sign on the door mats.

Then bingo, at twelve-thirty the doors were locked, lookouts and other employees were standing around with faces a mile long, as if they had lost their last friend.

When an inquiring reporter asked why all the sadness, the answer was "the word" just came to close up tight, the squads will be out this afternoon. To those who didn't close, came the raiding squads—axes and all. Oh it's a gay life for the bookies.

After one week of uninterrupted business with nary a cop in sight, bang out comes "the word" and the lid goes on again.

The reason? It seems somehow or other some officials found out that the lid was off. Police Commissioner Allman called the captains to a meeting and told them the lid was still on or should be; then the captains must have hustled right out and put it on before the commissioner had a chance to get mad, because it was off and had been for a week.

The next day the self-styled World's Greatest Newspaper came out with stories of raids and a heading "City wide Opening Stopped at Start."

Only maybe the WGN didn't know that the "City wide opening" was a week old and nothing had been said about it for a whole week. The boys of WGN and the other big city dailies must have been just as sound asleep as the cops for that whole week or else maybe they knew the same as the cops did that the word had been sent out to open up and like the cops supposed everything was all right until somehow or other, somebody found out it was all wrong. And just to make it unanimous, Sheriff John Toman sent out word to the county highway police from his hospital bed that the lid was still on in the county or should be, and the highway police rushed out to make sure that it was on and found to their amazement that it wasn't and it hadn't been for a week.

So that's that and an inquisitive citizen still might wonder what the funny business is all about and who gets what and who upset the apple cart.

But anyhow the licensing bill sponsored by Mayor Kelly has passed both houses and becomes a law July 1, if the bill isn't vetoed by the Governor and everyone is going to about it—sign it, veto it or let it become a law without his signature. What the Governor is going to do he sayeth not.

Our guess is, "nothing."

CUT YOUR THISTLES

(Official Notice)
According to "An Act Concerning Noxious Weeds" all property owners are required by law to destroy noxious weeds growing on their premises, before they reach the seed bearing stage. Full cooperation by every property owner and municipality with the local Thistle Commissioner, will be greatly appreciated.

As a land owner you are hereby notified that you are under a legal duty to destroy all such noxious weeds on the above described premises before seed bearing stage, in accordance with the provisions of Section 3 of the above mentioned Act. The methods of treating and eradicating noxious weeds as recommended by the Department of Agriculture can be obtained from the undersigned.

Yours truly,
Wm. Henning,
Thistle Commissioner
Palatine Township.

John Rodewald, rural mail carrier at Arlington Heights, returned Sunday from a short vacation spent at Big Rapids, Michigan, which is "way up north." He enjoyed some fishing, but was glad to get back home. He returns to his carrier duties July 1, his place being taken during his absence by Mr. Hall.

TWO DIE BY ACCIDENT, SAYS JURY VERDICT

Cars Collide on Highway, Friday; Deputy Coroner Investigates

A coroner's jury returned a verdict of accidental death in the collision at Arlington Heights of a Ford V-8 with a local taxicab last Friday morning, which resulted in the deaths of Rudolph Mans, 67 years old, and his daughter, Louise Ida, 44 years old, both of McKeesport, Pa. Continued from Saturday in order to allow the patients time to recover, an inquest was held in the Village Hall Wednesday morning.

The accident occurred at the intersection of the Northwest Highway and Mayfair Road about 7:30 a. m., Friday, June 21. The Mans family were on their way to Wisconsin for a vacation, and struck the taxicab driven by Alfred Haemker as it was turning into Stonegate. Rudolph Mans and his daughter were taken to the Mt. Prospect hospital and died there. The driver, Walter Mans, son of the dead man, his wife, Helen, and their son, Walter, Jr., were taken to the Palatine hospital.

Deputy coroner Edelstein took charge of the investigation at the inquest. The local men picked for the jury were Levi Heap, chairman, Anthony Callahan, William E. Meier, Art Burke, Herbert Helfers, and Walter Kroeber.

As first witness to testify Wednesday morning, W. Niebuhr claimed that he judged the Ford V-8 to be approaching the intersection at a rate of about 70 miles an hour. Niebuhr was driving east on the Northwest Highway at the time of the accident, following the cab by about 500 feet. Harvey Kapphahn, who was waiting to drive out of a gas station at the scene of the accident, contended that he observed the Ford to be driving between 45 and 50 miles an hour.

PALATINE

The Girl Scouts and their leaders, Miss Irene Swanson, Mrs. Roberts and Miss Pohlman, were guests of the American Legion auxiliary at their evening meeting Thursday, June 13. Some of the girls presented a playlet entitled "Making Our First Flag." Those who took part were Sarah Smith, Virgil Bockelman, Mayrene Haemker and Iris Haemker. Marilyn Thorsander gave a reading entitled "Betty Barton." Mrs. Louis Haemker, one of the ladies of the committee, was also a guest.

Mr. Howell, new agricultural instructor at the Palatine high school is moving into the lower flat of the Bicknase home July 1.

Alfred Kehe had his tonsils removed Tuesday.

Walter Mess received bad cuts and bruises about the face in an auto accident last Friday evening.

Little Jean Comfort is ill.

Dr. and Mrs. Chester Branigan, of Chicago, paid farewell calls to Palatine relatives Sunday, preparatory to their leaving for their new home at Memphis, Tenn., where Dr. Branigan will have charge of the government inspection service in the cattle yards there.

Mrs. Littlejohn entertained friends at dinner Tuesday evening.

Miss Mercie Heise, and the Rev. J. P. Stafford family of Chicago, attended the graduation exercises of John Stafford at DePaul university last week. John will be a student at Garrett Bible Institute.

Callers at the home of Dolly Wilson Monday were Mrs. Osborn, Amy Huggins, and Mrs. Langdon, all of Winnetka.

Charles Warder is taking his "week off" from Carson Pines and spending part of it in Palatine.

Dr. Southard and Mrs. Southard of Louisville, Kentucky, are visiting at the home of James H. Toynton.

Members of the Mans family surviving the accident at Arlington Heights last Friday, left Thursday for their home in McKeesport, Pa. Friends and relatives from Wisconsin of the family have been rooming at the home of Dan Bergman.

Mrs. Kettleon entertained ladies of the Eastern Star from Minooka, Illinois, Wednesday.

Roy Born and family returned Wednesday from a week's vacation at Bass Lake, Alpha, Michigan.

Mrs. C. M. Fosket, M. J. Fosket and Robert Fosket and children are spending this week at Estes Park, Colorado.

John Kitten and George Howes attended Masonic chapter meeting at Wilmette Tuesday.

Mrs. Harry Schoppe and Robert Schoppe, John Kitten, and George Howes attended the funeral services of Lorenz Traub Wednesday afternoon.

Five carloads of officers of the Eastern Star surprised Harrison Kincaid at his Lake Geneva cottage on his birthday Sunday. A strenuous afternoon of baseball for both the ladies and gentlemen resulted in many sore spots and stiff joints that will not let them forget the happy occasion.

Mr. and Mrs. Gus Arps, Mrs. Elvis Foster and Elvis Jr. attended the Felt-Howe family reunion at Franklinville, Ill., Sunday. There were 105 present. A pot luck dinner was served at noon, after which an annual business meeting was held, followed by games.

Mr. and Mrs. Gus Arps, Mrs. Anna Brockway, Mrs. Sophie Wilson attended the funeral of Mrs. Mae G. Lincoln, past national and department president of the Woman's Relief Corps at Aurora, Ill., Thursday morning. Mrs. Lincoln was well known here having attended many of Sutherland Woman's Relief Corps functions.

Mrs. Florence Parkhurst will serve as Noble Grand at the Harvard Lodge at Harvard, Ill., Friday evening.

Mrs. Sarah Catlow of Evanston is visiting relatives here this week.

FEEL perfectly at ease this summer in clothes that you know are clean and odorless because they've been cleaned by experts. Unless you get the best cleaning methods, you run the risk of offending others.

June 28 (Fri.); evening; Palatine chapter O. E. S. hold Matrons and Patrons night.

June 30 (Sun): High school class '34 Reunion, meet at high school 8:30 a. m. To be held at Crystal Lake, 25c assessment per person. Please inform one of the officers if you can come.

July 1 (Mon.): Palatine Board meeting.

July 2 (Tues.): Rebekah Circle will give a card party in the I. O. O. F. hall in the evening at 8:30 sharp. Prizes and refreshments.

This department open to all for listing of meetings, entertainments, and activities of Palatine organizations, churches, and schools. Give date, time, place, organization and event, also charges if any, and be brief.

Mr. Charles Boyer, a well known member of the Odd Fellow organization passed away Monday at his home following a long illness. Mr. and Mrs. G. H. Arps, Mrs. Elvis Foster, Mrs. Anna Brockway and Mrs. Sophie Wilson attended his funeral afternoon at the Oak Ridge Abbey.

Many from Palatine attended the meeting at Arlington Heights Wednesday evening to hear Jacob Allen give a report on the conference recently held at Springfield by the Republican party. Mrs. Elnora Foster gave a short talk on her visit to the conference. Arthur Bicknase was another speaker of the evening.

Palatine Rebekah Lodge was host to the officers of District No. 3 last Thursday night. All district officers were present, President Elnora Foster of Barrington Lodge, Vice President Margaret Whitney of Libertyville, Warden Marie Hansen of Evanston, Secretary Gladys Bortner of Barrington, Treasurer Sophie Henning of Antioch and Junior Past President Anna Mergenthaler of Wilmette. There were also guests from Michigan and West Virginia present. The district officers each gave interesting talks and were presented with a gift as a place card at the tables where a delicious lunch was served. Cards were enjoyed after the lunch until a late hour.

Ten bundles of beautiful flowers from many gardens were sent to Chicago last Friday morning by Mrs. Elvis Foster and committee. They will send early Friday morning. It is hoped all who have flowers will share them with the sick and unfortunate ones in the hospitals and settlements.

John Arps attended the commencement exercises of the Chicago Piano college last Thursday evening at Kimball hall, at which time his daughter, Miss Idell Arps received her diploma. She played Concerto in F Minor Opus 47 by Schuett. Miss Idell is a graduate of the Palatine high school and well known here.

Mrs. William Tegmeier of Chicago is visiting her sister-in-law, Mrs. Sophie Wilson and other relatives.

Sutherland Woman's Relief Corps initiated two members last Friday evening at their meeting. An experience social was held after the business meeting, each one telling how she secured the quarter. It is said to relate but many tampered with the husband's pockets feeling sure he would never miss the quarter. Some very unique ways were given. Mrs. Sophie Wilson won the prize as she earned a penny at a time here and there. The June birthday group had charge of the social and served a delicious lunch. July 5 the July Girls will have a bundle day. The Corps will not meet July 19 or Aug. 2.

Tommy Kurtz is visiting his grandmother Kurtz in Evansville, Indiana. His parents expect to go down to bring him home in two weeks.

The fishing season at Gardner's point, Fox River will officially open at 5 a. m. Sunday with the arrival of E. P. Steinbrink, who has gained quite a reputation there the last two years as a fisherman who fishes for the joy of holding a rod in his hand.

A quiet home wedding will occur Saturday at the home of F. M. Thompson, 173 S. Bothwell, when his sister, Ellen Smith becomes the bride of Arthur Blake. The contracting parties reside in Buchanan, Ill. Rev. Bloomquist will officiate.

Word comes from Madison, Wis., that Chas. Dean is nearly in the Eddie Cantor class. The fourth child in Charley's family arrived this week and it is another girl. Eddie has sent him word that he has five, so he is still "one up."

Mrs. N. L. Thompson and her niece, Doris Plagge, spent Thursday visiting relatives in Chicago.

The Cinch club held a card party at Olive Kimball's Wednesday. Prizes were won by Mrs. Behrens, first, Mrs. Mangels, second, and Mrs. Kropp, booty.

The alumni association of P. T. H. S. held their annual election of officers at their dinner-dance June 15. Dr. Louis Smith was elected president, Miss Esther Sheer, vice president, Dorothy Kreft, secretary and Orval Helms, treasurer.

It is the first birthday party today for one year old Kenneth Mangels, son of Mr. and Mrs. Harold Mangels.

Mr. and Mrs. Peter Lucich and family, who are occupying the residence of Miss Ella Comfort of Slade street are moving to Wisconsin July 1, where Mr. Lucich has been transferred by Western Union.

The Queen Esther girls club of the Methodist church and friends spent Tuesday afternoon and evening at the picnic grounds of Dam No. 2, Des Plaines.

Rev. John C. Voeks assisted at the wedding ceremony of his niece Saturday evening at Fillmore, Wisconsin. Professor Carl Bower of Elmhurst College took charge of his pulpit during his absence.

Miss Elvira Heide of Schaumburg was united in marriage to Mr. Henry H. Freise of Schaumburg, Wednesday, June 26. The ceremony took place at three o'clock in the afternoon at St. Peter's Evangelical church, Schaumburg. The reception after the ceremony was held at the home of the groom's parents.

Auxiliary News

(Mislaed Last Week)

The American Legion auxiliary wish to thank the people of Palatine for their co-operation on poppy day.

American Legion Auxiliary met Thursday evening, June 13 in I. O. O. F. hall.

Mrs. Alma Bockelman and Mrs. Martha Jensen attended Cook County Council meeting. In Mrs. Bockelman's report she said that

Hines Jr. hospital are asking for playing cards and carpet rags.

Mrs. Cora Comfort gave a report on the refreshment stand the auxiliary had charge of at the carnival and Mrs. Alice Oltendorf reported on the quilt which was raffled at the carnival and won by Mrs. Clara Deverman.

Mrs. Rosebud Penkava read a report on poppy day. About 700 poppies were sold.

Election of officers for the ensuing year was held after the reports. The next afternoon meeting will be held at Mrs. Lena Inkster's.

The girl scouts of troop 1 with their leaders, Miss Mildred Pahl-

man, Miss Irene Swanson and Mrs. A. J. Roberts were guests of the American Legion Auxiliary, Thursday, June 13. Mrs. L. Haemker who is on the troop committee was also a guest.

The girls gave a little playlet entitled, "Making Our First Flag."

Those who took part were: Reader, Sarah Smith.

George Washington, Iris Haemker.

Betsy Ross, Mayrene Haemker.

Clarissa Ross, Virgil Bockelman.

Marilyn Thorsander gave a reading entitled "Betty Barton."

After the meeting Mrs. Rich and her committee served.

OBITUARY

MRS. MARY BALZER
Mary Balzer, nee Heidemann, was born September 6, 1866 in Addison, Ill., was baptized by Rev. Frank, and was confirmed in 1881 by Rev. Grosse at Zion's Lutheran church. Deceased was married to Mr. William Balzer, September 7, 1889, by Rev. Grosse at Zion's Lutheran church. They have always made their home in Addison where on Monday afternoon, June 24, 1935, Mrs. Balzer passed away at the age of 68 years, 9 months 18 days.

Nine children were born to this union, 3 passing away in infancy. She leaves to mourn her departure her husband, William Balzer and six living children. Mrs. Alvina Schoper, Mr. Martin Balzer, Mr. William Balzer, Mr. Theodore Balzer, Miss Louise Balzer and Miss Mary Balzer, all of Addison; one son-in-law, Mike Bender, one daughter-in-law, Anna Mager, and other relatives and a host of friends.

Mrs. Mager was one of the oldest and most faithful members of St. John's church and our Ladies' Aid must now mourn for its last charter member. She was a true Christian woman who loved the word and the house of God. Let us cherish her memory, she is gone, but not forgotten. The Ladies' Aid of St. John's church furnished the music with Miss Garda Mohri of Bensenville, soloist.

Funeral arrangements were by Geils and Son of Bensenville with burial in St. John's cemetery.

CARD OF THANKS

We wish to thank friends and neighbors for their kindness in our bereavement and for the many floral pieces given in loving esteem. Magers family
Bender family

MRS. MARTHA SCHMOLDT

Mrs. Mathilda Alvina Schmoldt, aged mother of Mr. Herman Schmoldt, passed away at the home of her daughter, Mrs. Fred Radde in Hanover township Monday evening.

Mrs. Schmoldt was born in Germany on April 26, 1839. She came to America in 1890 and has resided in Hanover township most of the time since then.

She is the widow of the late Carl Schmoldt and is survived by five children, Albert, Charles, Rudolph of Hanover township; Herman of Roselle and Mrs. Fred Radde of Hanover, twenty-four grandchildren and 22 great grandchildren.

Funeral services will be held Thursday afternoon from the Wait-Ross-Alanson funeral home and the Hanover Evangelical church with Rev. J. Ellerbrake officiating; burial in the Hanover church cemetery.

ROSELLE

The members of the L. Q. club met at the home of Mrs. R. Stoltenberg Wednesday evening. Mrs. E. Pohlman, Mrs. Moritz Boehme and Mrs. A. C. Roloff were awarded prizes.

Mr. and Mrs. E. H. Crandall attended the 1929 Matrons and Patrons, O. E. S. strawberry festival at the home of Mr. and Mrs. G. Dickson at Hampshire, Sunday.

Mr. and Mrs. Henry Harmening and daughter, Verdell, motored to Dubuque, Iowa, Monday to spend the day.

Earl Coater, Fred Eberling, James Lake spent several days fishing the past week at Lakewood, Wis.

Little Georgia Dohl has been quite ill the past week with an infected throat.

Mrs. Frank Dzur and Mrs. Wm. Fenz attended the Priscilla club meeting at the home of Mrs. Shopper at Itasca, Thursday for luncheon.

The Ladies' Aid of the Methodist church will meet at the church Thursday afternoon. Mrs. Dora Sumner and Mrs. R. Scamehorn will be the hostesses.

Mrs. Hugh Womeldorf, Mrs. Wallace Womeldorf, and Mrs. Ray Huenerberg were guests of Mrs. Claude Peterson at the Medina country club, Thursday for luncheon and cards.

The regular meeting of the Boy Scouts was held at the public school Monday evening. The following boys attended Boy Scout Day at Wheaton on Saturday: Norman Clucas, Phillip Pitman, Kenneth Abel, Bartolette Yoder, Jack

—Westward— Traveling With Guy Sampson —Bensenville Editor—

Hi Ho, as westward we go.
We arrived in Denver at 6 p. m. Sunday, June 9, where we were met by a cousin, George Sampson, his wife and one son. There we remained till the following Tuesday.

We enjoyed trips through the capital grounds, buildings, the parks, etc. Monday we were taken on a 175 mile ride through the canyon, mountain passes and along the base of a snow capped mountain. We visited the beautiful Estes Park, one of the splendid summer resorts of Colorado National park. We enjoyed our picnic dinner about 1 p. m. on a specially arranged picnic grounds beside the tumbling Big Thompson, a mountain stream that runs between high rocky mountains. The scenery is so beautiful one can't explain it. We took several snap shots of some of them. A natural table of stone with small stone seats has been arranged for travelers to use. We sure enjoyed our delightful picnic dinner there. Tuesday afternoon we took a trip over the scenic D. R. G. Ry. for Salt Lake City, arriving there Wednesday at 7 a. m. where we put in the evening visiting the Mormon grounds and buildings and the state capital. We were part of a party of about 75 persons when the guide showed us through the Mormon buildings. At noon we were seated in the tabernacle and heard the celebrated grand organ recital in which the massive prize organ took the principal part. While in the tabernacle at a distance of 250 feet, we heard a pin dropped by an attendant.

The building is so constructed that in that building 250 feet long, 150 feet wide and 70 feet to ceiling, the speakers voice is audible any place.

Wednesday evening we took our sleeper which was later attached to the U. I. limited train for Los Angeles and arrived at Pasadena, Calif., at 8:45 p. m. Thursday, we were met by my mother, who visited Bensenville last year, and my sister, Mrs. Schubmann. On Sunday a cousin of mine, Mr. Nelson Randall, his wife, their son and his wife, came from Visalia, 250 miles, and spent the day, returning that evening. That evening we drove to Pasadena to church and went early enough to call on Mr. and Mrs. John Schettler, who are readers of the Register who formerly were Bensenville people. In fact, two of their daughters, Mrs. Oscar Franzen and Mrs. Geo. Warneke, live in Bensenville now.

We are enjoying the sunshine here while we read almost every day that all ball games in the east were rained out.

Our next move will be to go to Los Angeles and down to San Diego to the fair. We really should have given this Tuesday and met ex-president Hoover, but don't suppose he missed us for not being there.

Miss Edna Schick And Wilbert Zarndt Are Wed Saturday

In the presence of several hundred relatives and friends, Miss Edna Schick, daughter of Mr. and Mrs. Fred H. Schick, Jr., of Bartlett, and Wilbert J. Zarndt, son of Mr. Walter Zarndt of Roselle, exchanged marriage vows at 7 o'clock Saturday evening, June 22, at St. John's Lutheran church at Rosdenberg. The church was decorated with bouquets of pink and white roses, orange blossoms and white and blue of pale green tulle miked the pews reserved for the immediate families of the young couple.

Preceding the ceremony, Gudmund Gudlaugson sang "At Dawn" and "I Love You Truly." Halbrecht played the Lohengrin professional as the party entered the church. Miss Alice Dickman and Erwin Leiseberg, cousins of the bride, Miss Edna Zarndt, sister and Paul Backhaus, cousin of the bridegroom. Miss Melba Schick, sister and Clarence Stumpf, cousin of the bride, served as their attendants. Miss Segrud Vensberg, as maid of honor, and Earl Kahle, cousin of the bridegroom as best man. The bride was escorted by her father.

The double ring ceremony was read by the Rev. A. L. Otjen, after which the hymn, "Abide, O Dear Jesus" was sung by the assembled guests. The Mendelssohn wedding march was played as a recessional.

The bride's gown was of white satin with lace, and a long silk net veil was caught at each temple with clusters of orange blossoms. Her lace cap was held in place with seed pearls and a bouquet of brides roses, tea roses and feverfew completed her costume.

Miss Vensberg wore a delicate shade of pink organdie and her flowers were pink roses delphinium and feverfew. Miss Schick's frock was of sky blue organdie and carried bouquets of mixed garden flowers. The bride's mother wore a print ensemble of blue and her corsage was of sweet peas.

A reception followed at the home of the bride's parents and assisting in serving a large wedding cake, which centered the bride's table were: Mrs. E. J. Hohn, Stella Hohn, Gladys and Natalie Miller and Olive Stark. After a wedding trip, the couple will live with the bridegroom's father in the branch office of the Cudahy Packing Co. at Elgin. We extend our congratulations to this young couple and welcome the bride to her new home in Roselle.

Red Wings Defeat Sammy Hale Boosters

With but five scattered hits against him, Geo. Schaefer, pitching for the Red Wings, had things all his own way and another victory added to his list last Sunday afternoon when the Red Wings defeated the Sammy Hales Travelers by the score of 14 to 4. Schaefer was also credited with ten strikeouts.

The Red Wings getting the early jump on the visitors scored one run in the first inning and six more in the third and again pounded in seven more in the sixth. Sammy's gang were unable to put any runs across until the seventh when they scored two runs after two outs and then came back with two more in the ninth.

The Sammy Hales Travelers are rated one of the fastest traveling league teams of Chicago, but with Schaefer's arm in top form and the Red Wings clubs pounding the old apple around for twelve hits spelled defeat for Sammy's gang.

Final score Red Wings 14, Sammy Hales Travelers 4. Winning pitcher, Schaefer; losing pitcher Eagan. Hits off Schaefer 4, off Eagan 12. Struck out by Schaefer 10, by Eagan 6.

BIRTHDAY ANNIVERSARY

Mrs. Joseph Horcher's ninetyeth birthday was celebrated by her children in her home, Mr. and Mrs. Joseph Horcher, Jr., who kept open house Sunday and Monday for the many friends who came to congratulate and wish many happy returns to our cheerful friend. Altogether about fifty on Sunday, those who couldn't call, sent cards of flowers.

Among those from out of town was her niece, Miss Hippert from Chicago, family friends from Bensenville and Elgin, and Mr. and Mrs. George Reiter from Des Plaines. Mrs. Reiter brought a wonderful birthday cake.

The culmination of the celebration was on Monday evening when the children were all together and enjoyed a family dinner; with them as honor guests were Mrs. Fred Sieburg and Mrs. Peter Morse. All came with bright wishes for many happy returns of Mrs. Horcher's birthday, even to the century mark.

Largest Spanish-Speaking City
Buenos Aires, the Argentine capital, with nearly 2,500,000 population, is the largest Spanish-speaking city in the world.

So Big the Ocean?
The Atlantic is 41,000,000 square miles, yet only 5,000 miles across at its greatest width. The narrowest part, between Brazil and Africa, is 1,900 miles across.

EXAMINATION FOR POSTMASTER

To fill the vacancy in the position of postmaster in Arlington Heights, the United States Civil Service Commission has announced, at the request of the Postmaster General, and in accordance with an open competitive examination.

To be eligible for the examination, an applicant must be a citizen of the United States, must reside within the delivery of this post office, must have so resided for at least one year next preceding the date for close of receipt of applications, must be in good physical condition, and within the prescribed age limits. Both men and women are admitted.

Under the terms of the Executive order, the Civil Service Commission will certify to the Postmaster General the names of the highest three qualified eligibles, if as many as three are qualified, from which the Postmaster General may select one for nomination by the President. Confirmation by the Senate is the final action.

Applicants will not be required to assemble in an examination room for scholastic tests, but will be rated on their education and business experience and fitness. The Civil Service Commission will make inquiry among representative local business and professional men and women concerning the experience, ability, and character of each applicant, and the evidence thus secured will be considered in determining the ratings to be assigned to the applicants.

The Commission states that presidential postmasters are not in the classified civil service and that its duties in connection with appointments to such positions are to hold examinations and to certify the results to the Postmaster General. The Commission is not interested in the political, religious, or fraternal affiliations of any applicant.

basement WATER HEATER**

Simple, convenient control permits either manual or automatic operation.

● An Electro-Gas Control, connected to your present water heater, can be installed in kitchen, bath, or both. It enables you to light your water heater quickly and conveniently, by merely snapping a switch. It ends tiresome running up and down stairs. The switch can be regulated to turn off your heater in a few minutes or to light it at any certain time. It eliminates the danger of forgetfulness because it automatically shuts off the heater when water reaches the desired temperature.

Mrs. Balzar, Wife of Veteran Addison Town Clerk, Passes Away

Mrs. Wm. Balzar, wife of the veteran town clerk of Addison, died at her home in Addison June 24 at the age of 68 years, 8 months, 18 days. The funeral services were held Thursday from the home to the Addison Lutheran church, Rev. Pfotenhauer officiating. Interment was in the adjoining cemetery.

LaGrange announces a new idea in house numbering. The board of trustees recently approved a plan to paint the house numbers on all curbs throughout the village. The numbers are to be two and a half inches high, black on a white background. The plan also includes the painting of the names of the streets on the corners in the same manner.

The plan was submitted by two local college students who will get the job.

ARLINGTON HEIGHTS

What is the news? Here sure enough. There's precious little real news stuff.

A good old neighbor passed away. Races now stage their yearly boom. And strangers seek in homes a room.

Fools and their money are soon parted. Teach this truth to the simple-hearted.

"Grass Roots" convene this week. Our garden proves how grass roots grow.

Read your home paper, line and letter. And next week help us make it better.

Great growing weather, especially for roots. The weatherman said out of the first 25 days of June, but ten in which rain didn't fall.

Thursday next week, July 4, we trust to our mayor and village officials to see to it that it is observed in a safe and sane manner.

Mr. Lawrence Traub, one of our older citizens of this town, passed away from earth life Sunday, June 23, in his home in this place. The obituary will be found in another column.

Mr. and Mrs. H. C. Cleveland had their son's family, Prof. and Mrs. Wm. Cleveland and two sons from Indiana, two days last week. They were going further north for their summer vacation.

Mrs. H. Ashton and son, John, of Stonegate, are enjoying a vacation visit with her father and other relatives and friends at Columbus, Ohio.

Dr. H. A. Kossack went to Wilton, Iowa, for the Sunday celebration of the seventy-fifth anniversary of the church in that place, over which he was formerly the minister, leaving there for the Presbyterian church in Arlington Heights, nine years ago. Mrs. Kossack is spending a few days with her mother.

Mrs. G. H. Allison, with her

daughter and son-in-law, Mr. and Mrs. Doberton and Jack, came out Sunday to join in the family celebration of the birthday of Mr. L. G. Helm in the home of his son, Howard Helm. It was not a gay party such as our youngsters stage, just a quiet family gathering to assure Mr. Helm he grew younger each year and since life begins at forty they knew he had past forty, so is just beginning a new route.

Mrs. Horcher past her 90th the same date and grows up to the past 40 theory. We join in wishing Mr. Helm just as many more birthdays as he wishes to see.

Mr. Nichols Mayer is at home again from the hospital. He hopes to be able soon to return to his work in Chicago.

Mr. and Mrs. Harry D. Moore came home Wednesday from a trip to Springfield, where they went with Mr. Moore's sisters from Chicago, to attend the funeral of their aunt, Mrs. Ryan. Mr. and Mrs. H. D. Moore are still in the home of her parents, Mr. and Mrs. Joseph Horcher, where they arrived in time to help celebrate the 90th birthday of her grandmother, Mrs. Joseph Horcher, Sunday.

Miss Ellen Wilkie is enjoying a two weeks vacation from her employment in Marshall Fields retail store. She will spend her vacation in her parent's home on West Campbell street and in visiting relatives and friends.

Vera Volkman reached her 12th birthday Wednesday, June 19. Her mother invited her playmates to help Vera have a jolly good time in her home on South State road. All the games and choice things to eat little folks enjoy her thoughtful mother had provided. It was in fact a delightful party and Vera's friends wished her many happy returns.

Mrs. Kossack and daughter, Miss Alice, came home Tuesday last week after spending a few days with her mother in her home at German Valley.

Invitations are out for the marriage Sunday, June 30, of Mr. George Prasinos, who will be joined in the bonds of wedlock with Miss Astasia P. Baker of Detroit. The ceremony will be solemnized in the Orthodox Greek church in Chicago. The reception will be held in the home of Mr. Prasinos, the scene of so many big events and noted entertainments. A large company are on the place this week and great preparations are going forward. One unforgettable event was when Mr. Prasinos, as chairman of the Democratic party of Cook county, staged an entertainment for 2,000 guests at which Mayor Kelly was an honored guest. We hope the day, last of June, may be perfect.

Mrs. Conklin is now closing out the interests of her sister, Mrs. O. Herman, preparing to go to her own home and children in Ohio. She did all possible to help her sister, while she lived; now her own duty calls to her own.

Your nice summer clothes will do for folks going south, dispose of them at the autumn rummage sale by the Woman's club in the fall.

Mrs. Flodine and Mrs. Hickey gave an afternoon luncheon to one or two ladies here to meet a friend from Chicago the 24th.

Are we patriotic when we break the home town law by firing explosives, even a week in advance of the Fourth? Remember "Liberty does not mean license."

The Presbyterian aid will give lunches every Wednesday in July from 11:30 a. m. to 1:30 p. m. in the dining room of the parish house beginning July 3. Price 35 cents.

A friend here received a card from Miss Lucile Paddock this week telling of her much enjoyed visits to the Cocoran Art Gallery in Washington while visiting her sister, Mrs. Roy Nichols.

Mrs. E. H. Savage entertained a few ladies in a bridge party in her home on East Euclid one afternoon last week.

Mr. and Mrs. Joseph Melzer of Des Plaines were Sunday guests of their son, Mr. and Mrs. Joseph Melzer, Jr. They were en route for a visit with their children and relatives in Iowa.

Charles Hewitt from California, was in the Heights calling on some of his old friends over two weeks ago. Mrs. Hewitt came with him to Chicago, but did not come out here as their time was limited.

Mr. and Mrs. Hamberg and children from Chicago, are staying in the home of Mr. and Mrs. Arthur Schmitz and family, while they are in the east visiting their daughter.

Mr. and Mrs. John Grose attend-

ed the wedding of Miss Eleanor Schulz, to Mr. Ernest Sauer of Northwestern University last Tuesday evening, June 18. The wedding ceremony took place at the Sovereign hotel in Chicago. It will be remembered that Miss Schulz was one of Mrs. Grose bridesmaids.

Mr. and Mrs. Robert Palmer have gone to New York for a three weeks motor trip and vacation visit with relatives and friends. They left home here Thursday last week.

Mr. and Mrs. W. H. Freise of West Campbell street drove up to Loganville, Wis. They visited her sister, Weineke, who was formerly known here as Huldah Schulenburg. Mrs. Arthur McElhose accompanied them as far as the home of her parents, Rev. and Mrs. H. Reimer, also her brothers and sisters. Had the joy of picking strawberries nearly as big as hens eggs (maybe hen robins), that are plentiful crop, but no cherries nor apples. The group arrived home Tuesday after a happy trip.

Mrs. William Scholmann entertains the Social Five Hundred club in her home Thursday this week, where a social afternoon is anticipated by this genial group.

Mr. and Mrs. Wm. Niemeyer have rented their apartment in the Hendrick building for the Park season and will stay with the Joseph Horcher family during the season.

Mrs. Beulah Burkitt and little daughter, are now at home after spending a week at Mason City, Iowa, where they were visiting Mrs. Edson Perry.

Mr. and Mrs. William Wilke motored about fourteen hundred miles through five states, enjoyed splendid weather and fine roads all the way. Wheat fields with a wonderful promise of a good harvest, as they went farther south an abundant crop of peaches, yet in southern Illinois not a prospect of abundant yield. The wild flowers were a riotous spread of beauty and variety in Kentucky, though they were a bit disappointed in Louisville. Altogether their vacation trip was a delightful one.

The Aid Society of the Presbyterian church plan to serve lunches Wednesdays from 11:30 to 1:30 during the month of July in the church dining hall, price 35 cents. (35 cents per luncheon.)

We are glad to hear that Mrs. C. L. Kern is steadily recuperating at her home, 122 S. Highland avenue. Much credit is due Dr. C. Starck of Palatine, who, by his watchful care, brought her through her severe illness.

Don't forget the Woman's club rummage sale to be held this fall. Put in for it some piece of bric-a-brac you are tired of and see how quickly some one who envied your possession will grab it at a price.

Mr. and Mrs. J. H. Bruhnke drove up into Michigan and last week visited her father. They enjoyed a most delightful time. The scenery and the plenty of fruit and growing harvests, everything that goes to provide a plentiful outlook for farm, orchard and home. All refreshing and restful to Mr. and Mrs. Bruhnke.

Mrs. Olive Allison and Mr. and Mrs. Doberton and their son, Jack, were dinner guests of Mr. Howard Helm's family Wednesday. From here they drove over to Elgin to visit Mrs. Allison's daughter-in-

grandson, Lawrence Allison. Mr. Doberton and his son are returning to their Michigan home, while Mrs. Doberton will spend some time with her mother in her summer home.

Mr. and Mrs. Hy. Busse had as their recent dinner guests, Mr. and Mrs. Andrew Dougall, Chicago.

Mr. and Mrs. Henry Busse entertained her parents, Mr. and Mrs. John Vales, Fox River Grove, and her sister, Mrs. Jos. Jelek and children, Janice and Richard, Norwood Park, Monday and Tuesday of this week.

There was nearly as much excitement at the fire drill Tuesday night

near the high school as at a regular fire. The handling of a fire nozzle with a hundred pounds or more pressure behind it, is no easy task and one of the old time firemen is being kidded for the "knock out" blow that he received which sent him across the field with his nose to the ground.

ARL. THEATRE COOLING PLANT IN OPERATION

Test Shows New Equipment Exceeds Expectations

Running on a 49% test last Monday night at 74 degrees outside, the new frigidaria plant at the Arlington Heights theatre pushed the thermometer down to 54 in the auditorium, forcing an intake reduction of 25% more to keep the temperature at 68. A pleasant feature of the air conditioning is the absence of any blasts or strong air current. The distribution ducts are artistically disguised and the air mixture just below about. Approximately 1400 copper plates and about 600 feet of coil and alloys go into the make up of the four large warm air absorbers where the air is chilled and washed and distributed over manufactured ice.

Manager Godshaw is awaiting the first real warm night to see what the system will do to an outside temperature of 100 degrees or more. Engineer Elle, the designer of the plant, claims it will register anywhere between 59 and 70 inside irrespective of any kind of extreme hot waves outside.

The pressure and distribution, Mr. Elle says, is equal to the coolness from 20 tons of ice. Gauges, meters and thermometer in a dozen different spots give an instantaneous control and the cold air discharge can be muzzled in a flash.

A particular feature spoken of by Mr. Elle, is the absence of any dampness. It is a healthy, normal, same coolness, inspiring only the finest aftermath and cool comfort. The cooling coil cases, four in number, cost \$269 each. The casing and motors, gaskets, insets, ducts and filters run into big money.

IN MEMORIAM
Katherine Grandt — In loving memory of our dear wife and mother who passed away two years ago, July 1.
A precious one from us has gone, A voice we loved is stilled, A place is vacant in our home Which never can be filled.
Henry Grandt Sr. and Children.

NOTE OF APPRECIATION
The family of the late Mrs. William Mulso wish to offer their thanks and deepest gratitude for the sincere sympathy and help given them by all their many relatives and friends in their late bereavement, especially Rev. J. E. Mueller for his comforting words.

Skin Gives Off Chemicals
Because of the chemicals given off by living skin the fingerprints of a living person can be distinguished from those of a dead person.

E. F. Laurin Will Audit Arlington Heights Books

E. F. Laurin, who has been auditing the treasurer's books of the village of Arlington Heights, a number of years, was again awarded the contract last Thursday evening at a special meeting of the village board. Mr. Laurin will bring down his audit of last fall to the end of the fiscal year for a fee of \$350. He will also direct the preparation of an annual statement of the treasurer for publication.

Carl Behrens Prefers Real Estate to Autos

There are two Carl Behrens in Arlington Heights—a son and a dad. Since the publication of an item in this paper that "Carl Behrens is employed by Purnell & Wilson," Carl, Senior has had the opportunity to sell more autos than he has lots in his subdivision. Still dad prefers real estate to becoming an auto mechanic.

Calvin Mitchell's Plan of Government Secures Recognition in Congress

Calvin Mitchell, who is a frequent contributor to this paper of articles on national affairs received recently a letter from William Lemke, Congressman-at-large from North Dakota, a copy of a proposed amendment to the United States constitution, which if enacted by congress and approved by the majority of states would permit a form of government which has been advocated by Mr. Mitchell over 30 years. Mr. Mitchell terms it the "initiative commission referendum." The people generally would have the power by proper petitions to bring to a vote by the electors of the country legislation that is desired by the people.

At present congress has the sole power to formulate legislation. If the amendment is adopted by this country, the president could not exercise his veto powers on measures initiated by the electors. Mr. Mitchell does not believe that the law goes far enough. He thinks that the supreme court should have no right to annul any law that is so enacted.

Turkey's Holdings in Europe
Turkey owns about 2,500 square miles in Europe. The land lies east of Greece and south of Bulgaria.

Affection of any of the following parts may be caused by NERVES impinged at the spine by a subluxated vertebra:

SUMMER TIME RECREATION STARTS SOON

Trained Workers to Have Charge of Activities; Make Plans Tonight

Summer time recreation in Arlington Heights for the young people and their older brothers and sisters becomes a reality Monday. Two trained workers in physical education and recreation have been selected from among a number of applicants. Both are local people.

Ed. C. Wahl, who will direct the activities of the boys is a graduate of Illinois university. He has had special training in that line of work and is one who naturally is a friend of boys and young people.

Miss Bernice Diederich, the woman director, graduated from the College of Physical Education in Chicago and has had special training in playground work, physical culture and handwork. She also is an experienced instructor in tap and rhythm dancing.

The activities will be held at the north side school ground and at one of the parks adjoining the south side school property. A meeting of the Arlington Heights Recreation association will be held tonight to give final approval to the tentative plans that have been made by the various sub-committees.

It is impossible to make any definite announcements in this week's Herald, but all children who are interested are urged to be at the school grounds next Monday morning at nine o'clock.

The idea of summertime recreation in Arlington Heights, when proposed a short month ago, met with instant favor. In order to start the work in July, it was necessary to hasten the plans and complete some of them before a permanent organization could be perfected.

Aged Resident of Arlington Heights Dies

Mr. Lorenz Traub, of Arlington Heights, passed away Sunday afternoon, June 23, 1935, at the home of his daughter, Mrs. Ella Boeger, at the age of 80 years and 9 days. Funeral services were held Wednesday afternoon, June 26, at 2:30 p. m. at the home of his daughter at 215 N. Dunton street, with Rev. Kossack officiating. Interment was in the Arlington Heights cemetery.

Mr. Lorenz Traub was born June 14, 1855 in Ann Arbor, Mich. He was married to Miss Sophie Haag, May 26, 1876 at Detroit, Mich., where they made their home the following seven years. After residing in Chicago for about 1 1/2 years, they came to Arlington Heights, Ill., where he has made his home for the past 49 years.

He leaves to mourn his departure five living children, Miss Florence Traub of Arlington Heights, Mr. Fred Traub of Chicago; Mr. Charles Traub of Des Plaines; Mr. Bert Traub of Pittsburgh, Pa.; Mrs. Ella Boeger of Arlington Heights; 3 daughters-in-law, 8 grandchildren, 2 brothers, Mr. William Traub of Chicago, Mr. Martin Traub of Manchester, Mich., and 2 sisters-in-law.

Mr. Traub was a member of the Arlington Heights Order of Masons A. F. & A. M., and a life member of the Modern Woodmen.

Arlington 'Classic Ball' Renewal

The "Classic Ball" which was in the 1934 social calendar, will be renewed the Wednesday following the running of the Arlington Classic.

July 24, 1935, is the date set aside for this dance, which tops the racing season and will be sponsored by the Holy Name Society in St. James hall, N. State Road, Arlington Heights. This is the same location as last year, Earl Frederick's orchestra has been engaged to supply the rhythm and syncopation.

MASS MEETING IN LUTHERAN SCHOOL FRI.

Important Problem of Sewage Disposal is to Be Discussed Then

The public meeting to discuss Mt. Prospect's sewage disposal problem will be held in the Lutheran school assembly hall on Friday, June 28, at 8:00 p. m.

All citizens of the village are urged to attend. An opportunity will be afforded everyone to hear the various features of this important problem discussed and also to present their viewpoints in the matter.

The Village Board has arranged to have several competent speakers outline the more important phases of the situation. They will be Mr. H. J. Thal, Village Attorney, Mr. C. E. Schwab, State Sanitary Engineer and Mr. F. Consoer, Consulting Engineer. These men will cover the legal, technical and financial possibilities of Mt. Prospect's sanitation problem, and attempt to answer questions which may be raised.

LET US MAKE YOUR 4TH of JULY TRIP SAFER

BEFORE you start on your holiday trip, let us completely inspect your car. There is no charge for this service and it will assure you of a safer and more enjoyable trip.

For the convenience and safety of car owners Firestone has established more than 500 Auto Supply and Service Stores throughout the country, and thousands of Firestone Dealers are also equipped with complete Auto Supplies and complete Service Departments, to test and service your tires, brakes, batteries, spark plugs, in addition to power lubrication and crank case service.

AVOID THE DANGER OF BLOWOUTS

Firestone removes the danger of blowouts by preventing their main cause—internal friction and heat. This is accomplished by Gum-Dipping.

THERE ARE THREE QUESTIONS AND ANSWERS THAT WILL SOLVE YOUR PROBLEM OF WHAT TIRES TO BUY:

1 "Will the tread give me the greatest traction and protection against skidding?"

2 "Are they blowout-proof?"

3 "Without sacrificing these two important safety features will they give me longer mileage, thus making them the most economical tires I can buy?"

Firestone High Speed Tires not only give you more than 50% longer wear, but also lowest cost per mile. In fact, unequaled mileage records of thousands of car owners add undisputed evidence of the longer wear and greater economy of Firestone High Speed Tires.

Equip your car with a set of Firestone Gum-Dipped Non-Skid Tires, the safest tires ever built and avoid the dangers of skidding and blowouts.

You Always Get Better Quality at No Higher Price when You Buy a Firestone Tire with the Firestone Name and Guarantee

1 University tests show Firestone High Speed Tires stop cars 15 to 25% quicker.	2 Gum-Dipped cords give greater blowout protection. Gum-Dipping is not used in other tires.	3 Wider, flatter tread gives more than 50% longer non-skid wear.
